The M-G-R phrase, "Get Up and Go," was heard throughout the school from the beginning of January to the end of March as the cast rehearsed for the traditional Merry-Go-Round show.

The musical comedy's plot involved the conflicts which occur between an all-male and an all-female high school situated next-door to each other. This year's show was directed by Miss Frances Haas, dramatics teacher. The script was purchased from a Hollywood publishing company.

Specialty dances and pony choruses were featured along with the cast. The Hughes Senior Choir Ensemble and the Merry-Go-Round Band also participated in the production.
