

Established by Mr. Elmer Kizer, former principal of Hughes, in 1919 as a service club, Hughes Club is one of the oldest clubs at Hughes High School. Junior and senior boys who have good character and an excellent scholastic record are eligible for membership.

For fund-raising, the boys sponsor the John Alden-Priscilla dance at Thanksgiving time. For fun and fellowship, the members travel to Butler State Park in Kentucky one week-end in May. For a feeling of living up to its purpose as a service club, a gift is presented to the school each year. Some of the former gifts include a television set, a typewriter for the annual room, a trophy case, and a gift of \$250.

The club's faculty sponsor is Mr. Bruce Plummer.
