## Pep Club Arouses Spirit

Largest pep club of its kind in Cincinnati is the boast of Hughes Pep Club. Over half the student body holds membership and actively supports all Pep Club functions. Members arranged all Pep rallies, had a special section at football games, sponsored two trips for away football games, and presented the "Ides of March" dance.

This year's club, sponsored by Mr. Melville Byles, is ably led by its officers and an executive board. The executive board was elected last year by the ninth, tenth, and eleventh grade members. Immediately, plans were started for this year's activities.

Members can be proud of the way they upheld the fame and spirit of "the Goddess We Adore."
