She's the

Goddess

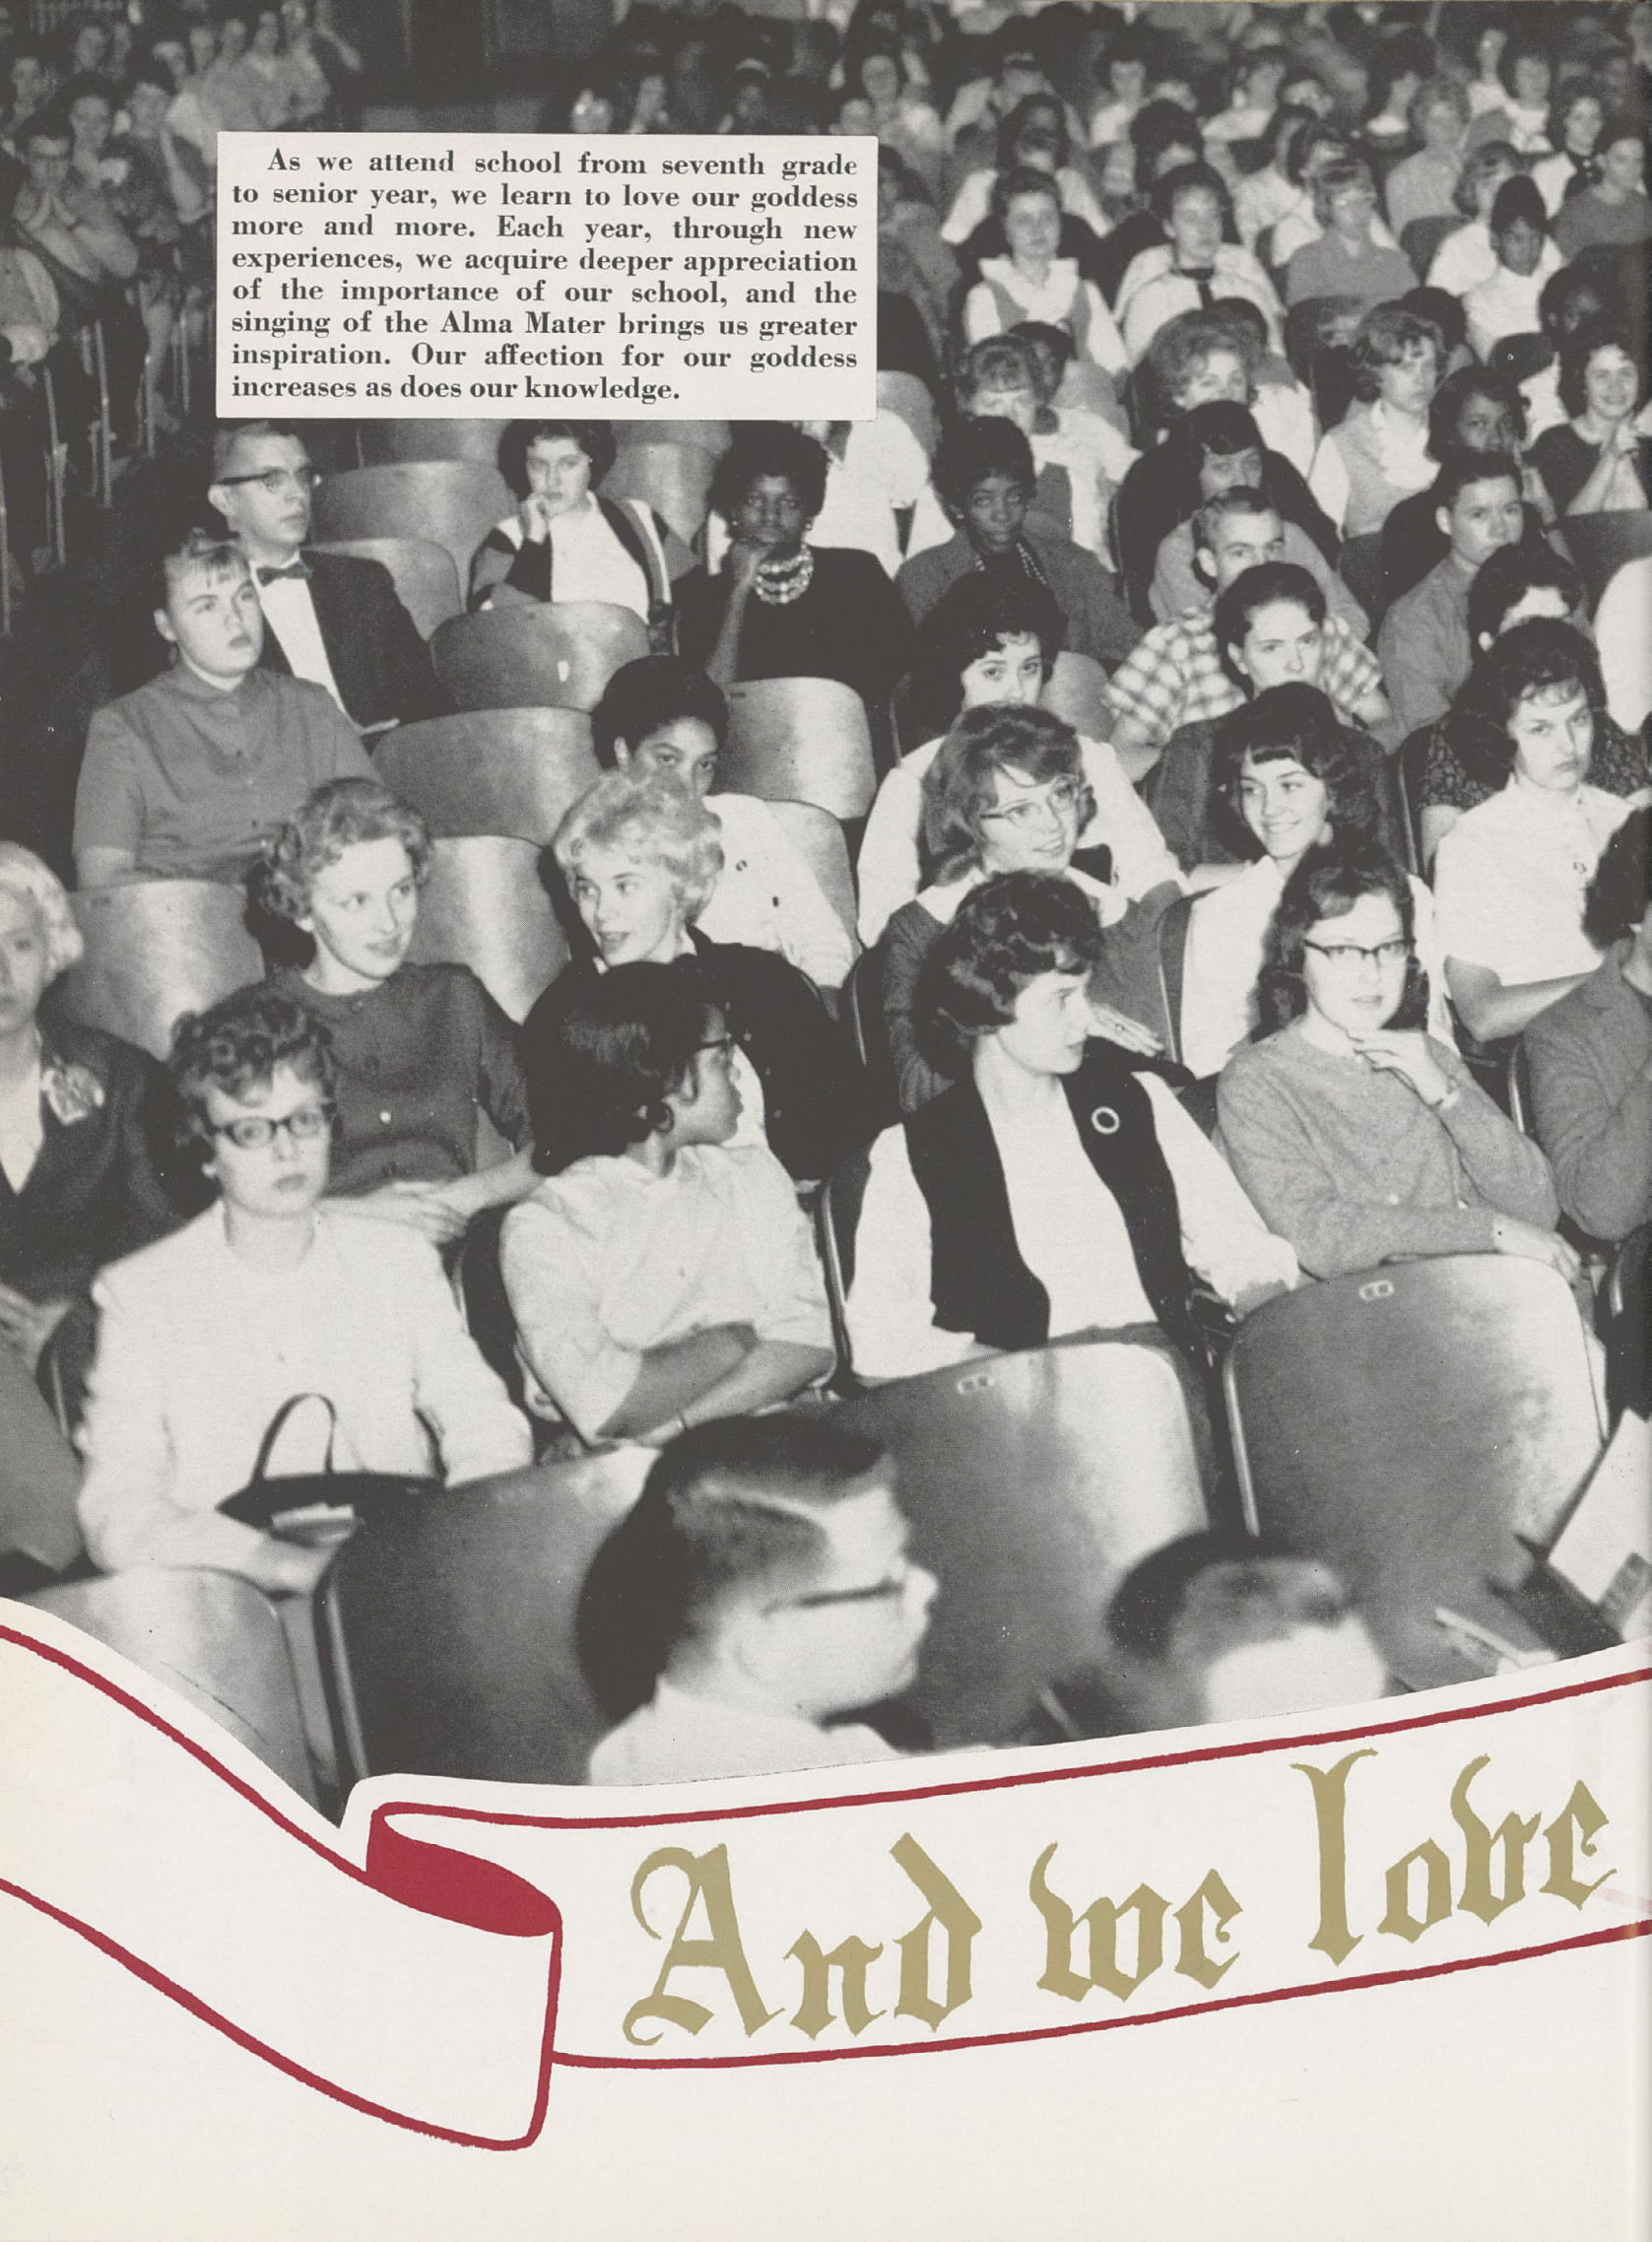

We adore

is Hughes

Hughes, a prominent landmark among educational institutions of Cincinnati, has provided superior education for thousands of students.

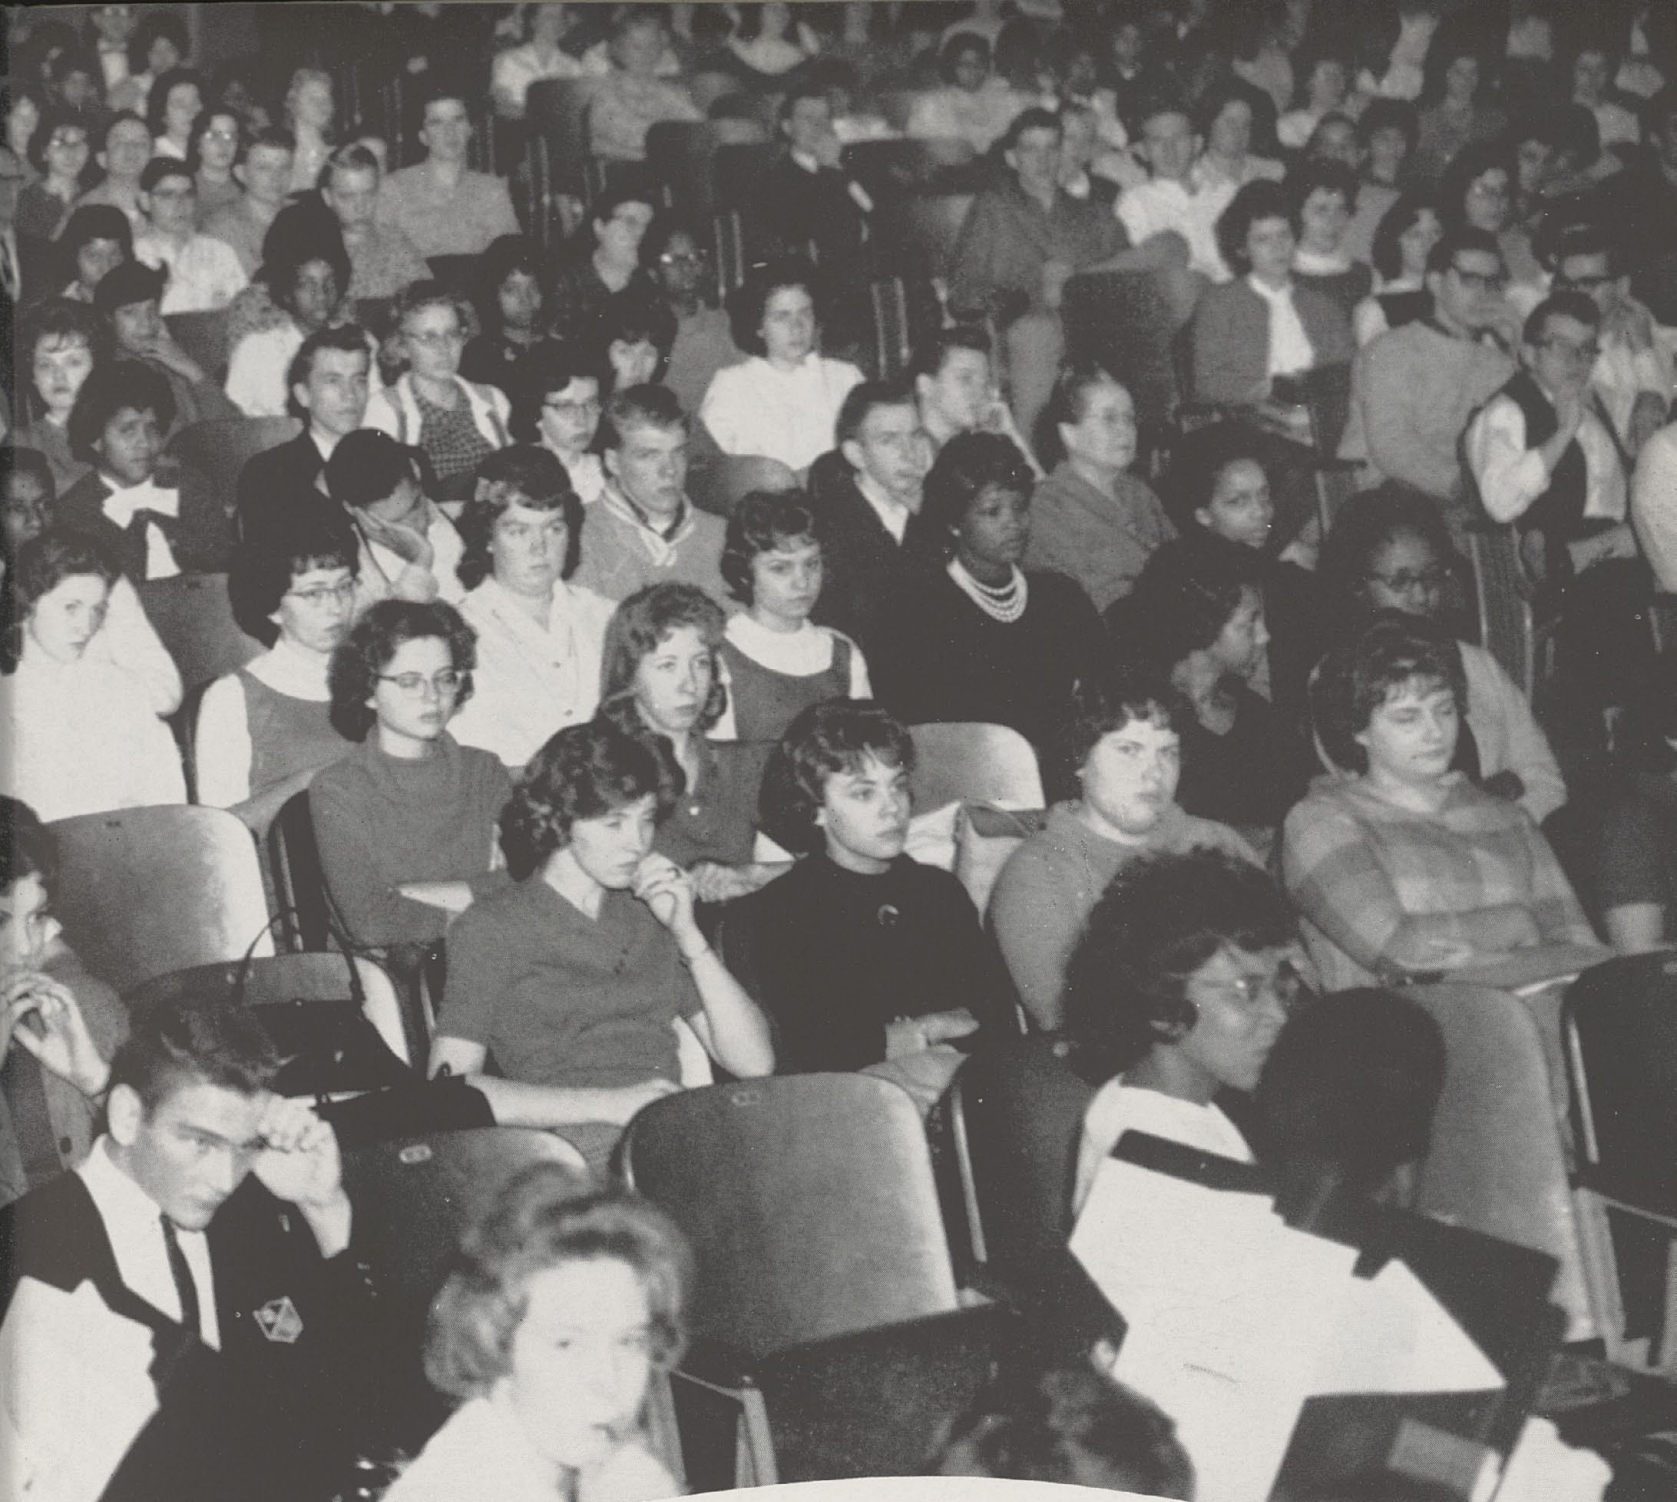

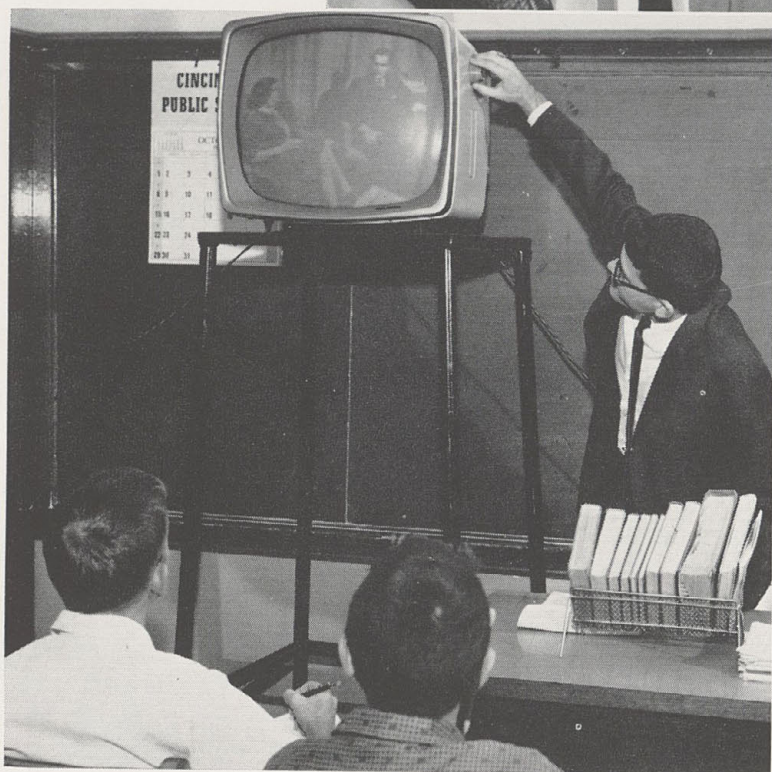

As we attend school from seventh grade to senior year, we learn to love our goddess more and more. Each year, through new experiences, we acquire deeper appreciation of the importance of our school, and the singing of the Alma Mater brings us greater inspiration. Our affection for our goddess increases as does our knowledge.

And we Love

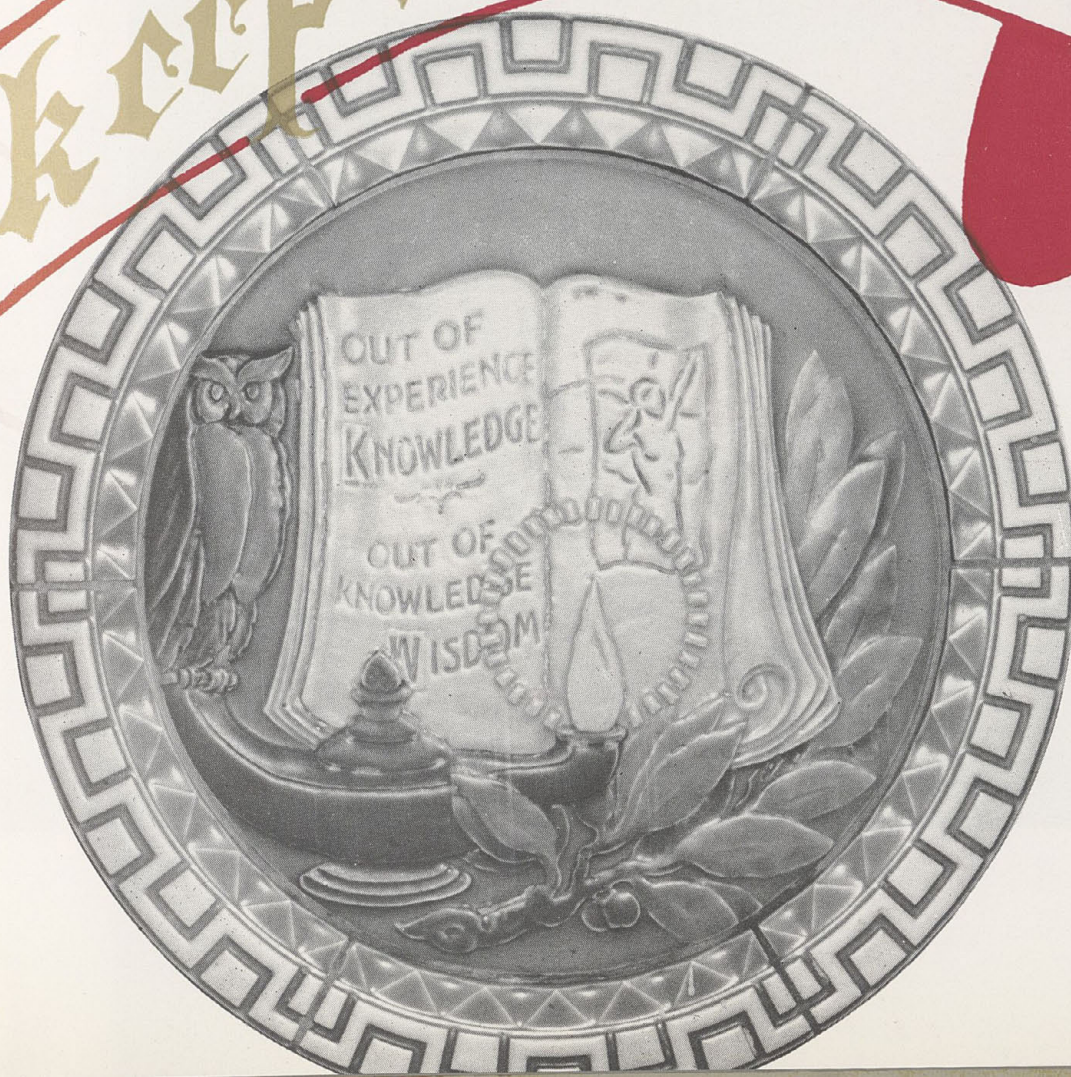

her more and more
our Hughes

With we hope to

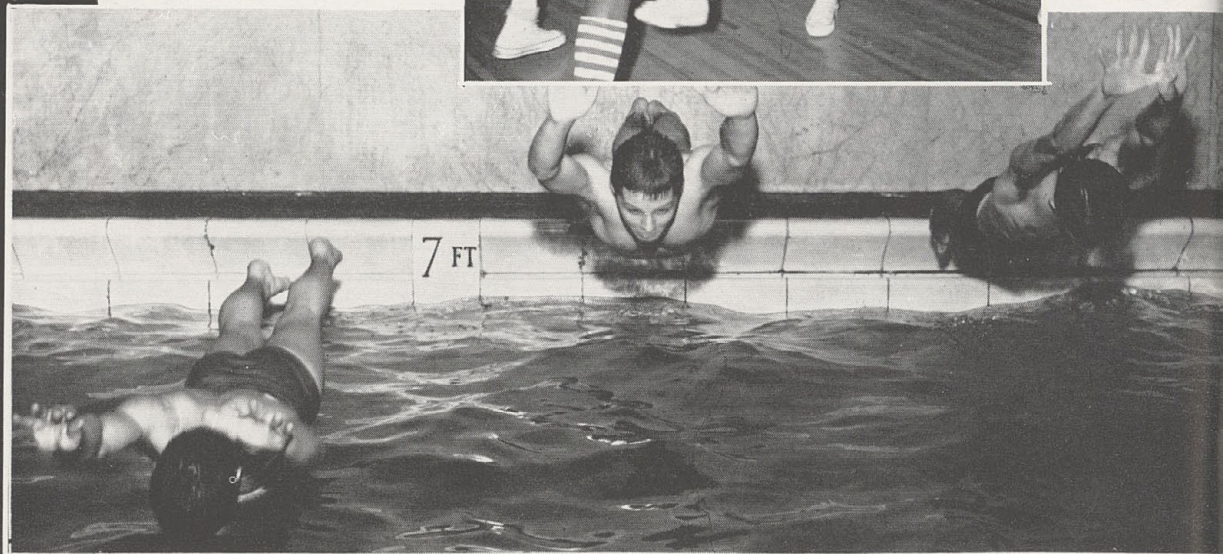

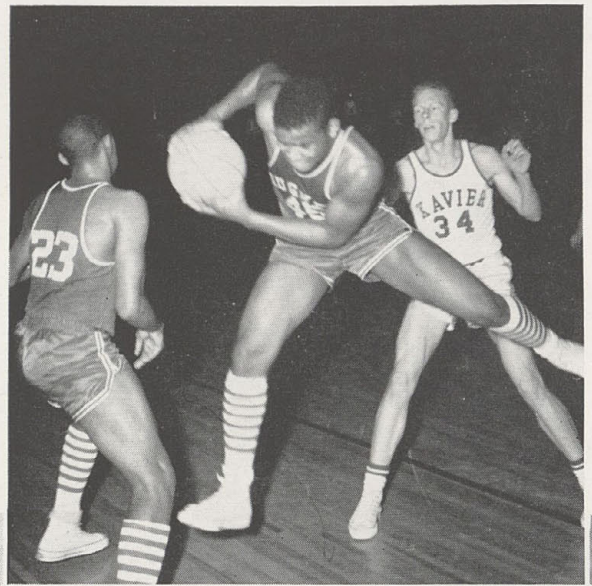

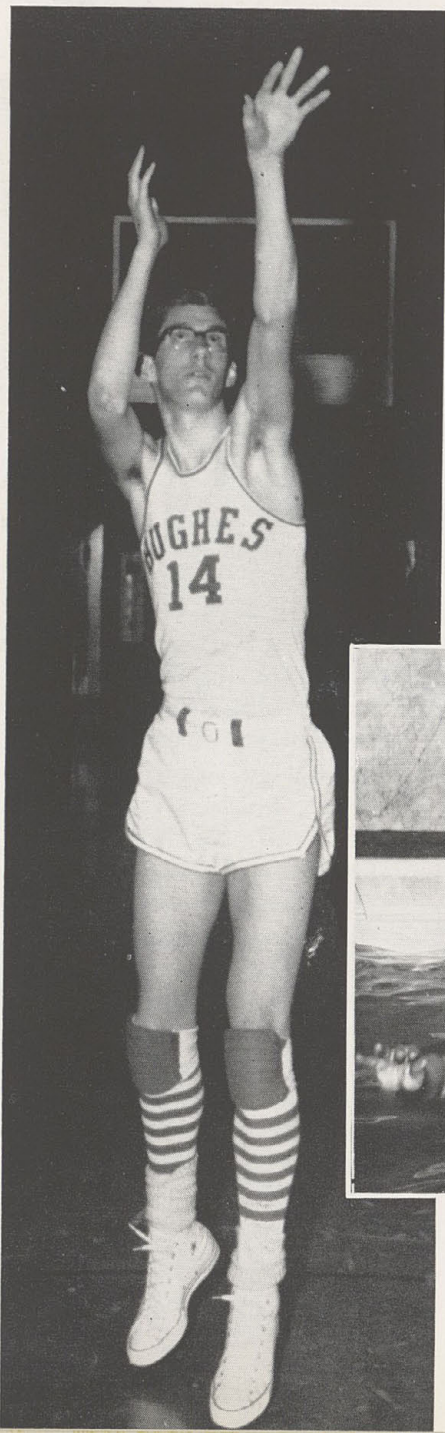

keep her fame

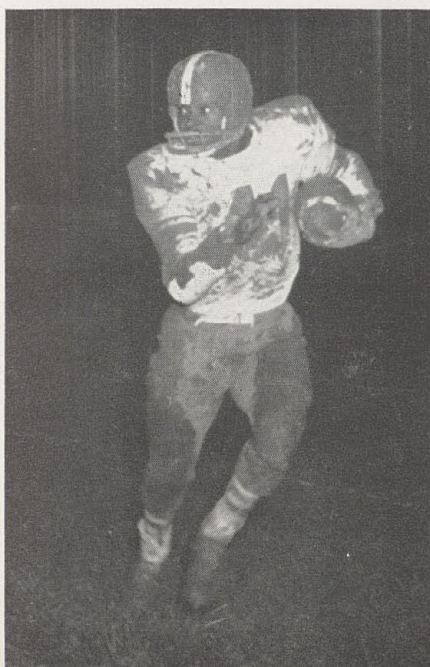

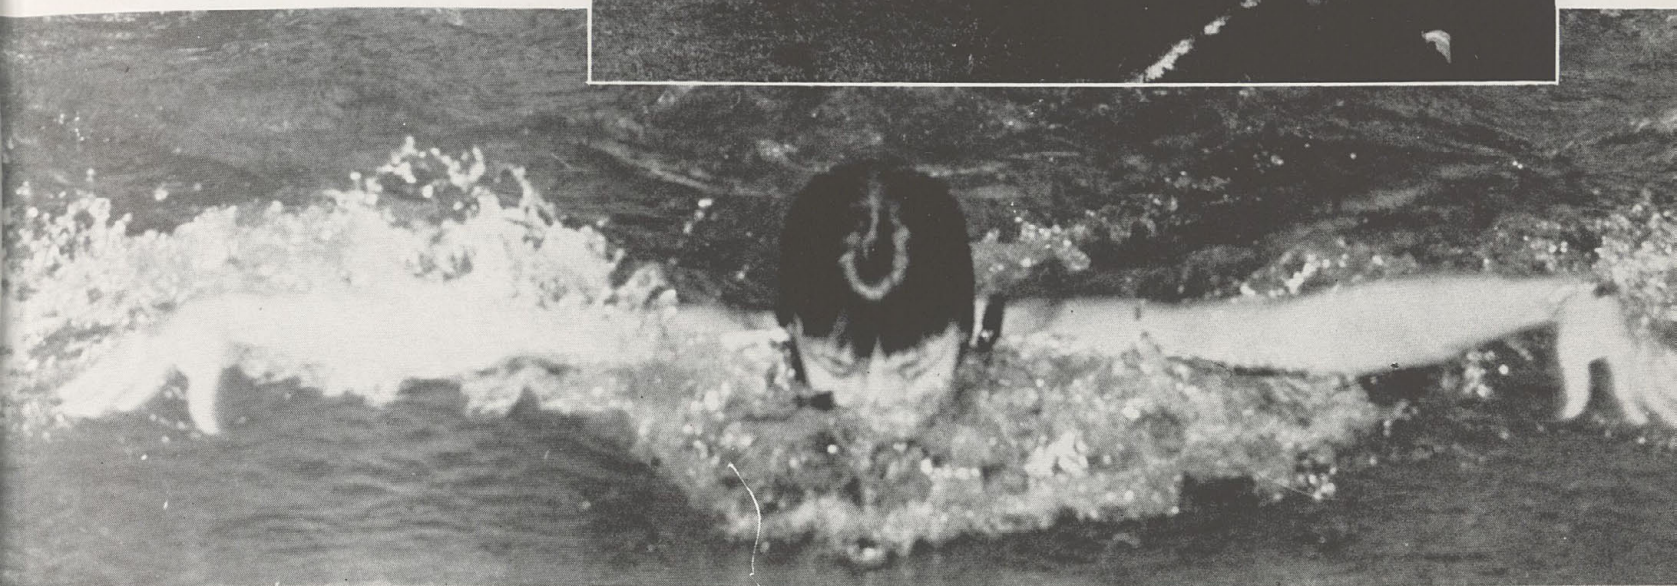

Hughes scholars maintain the fame of our goddess by their continuous achievements in many academic fields. Over one hundred teachers in fourteen different departments work with the students to prepare them for their futures—whether college, a job, or marriage. Satisfactory completion of selected courses leads to the goal of graduation.

In every

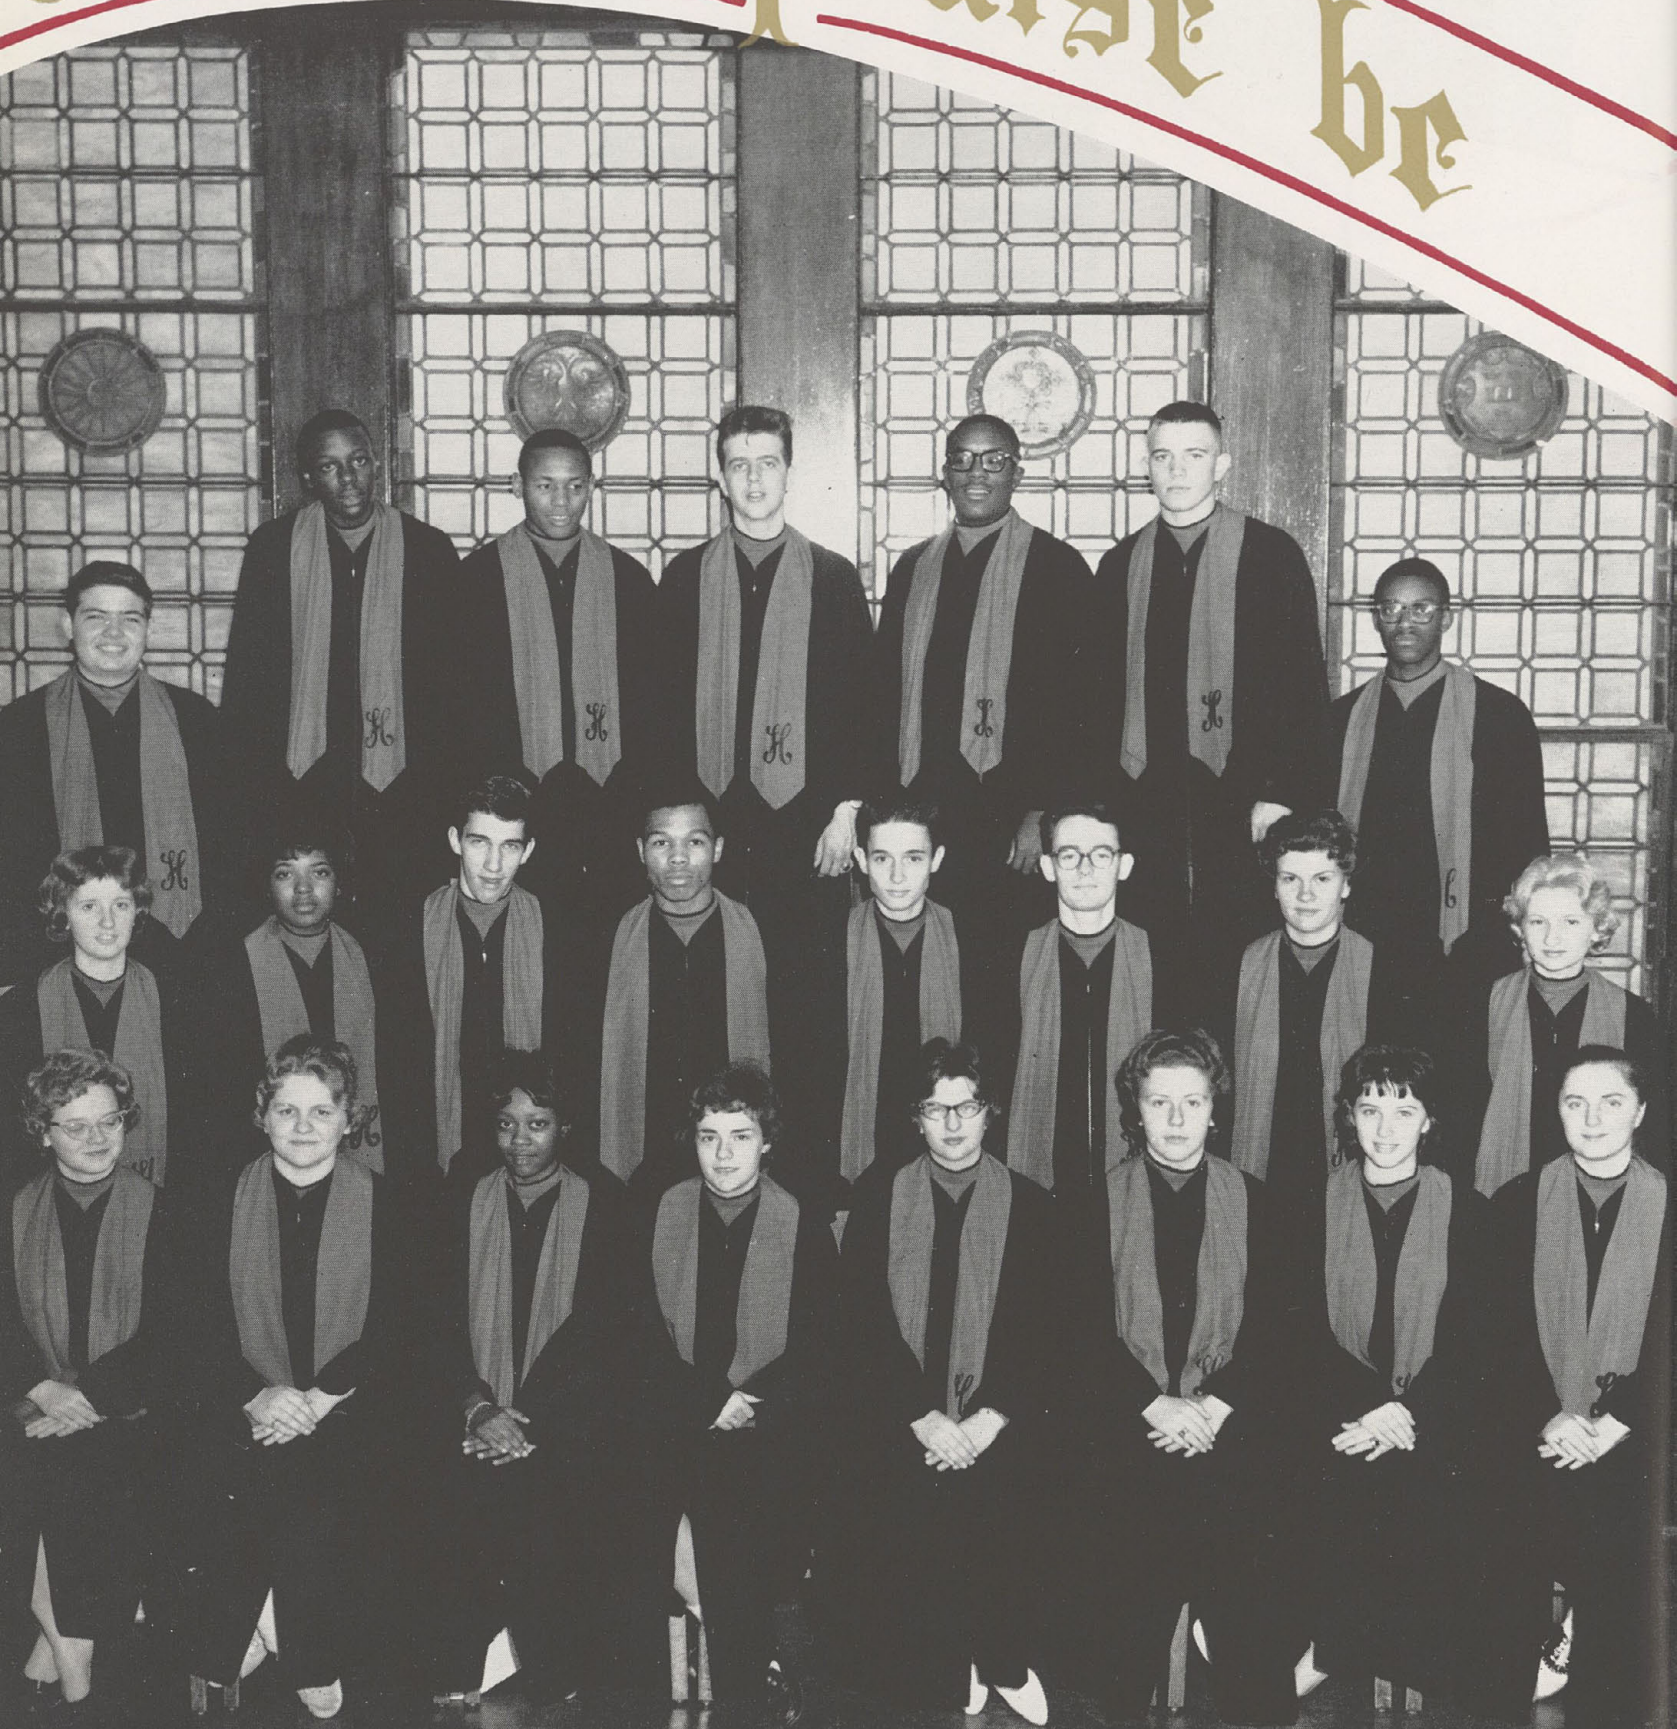

kind of game

Success in interscholastic games places "The Goddess We Adore" high in the sports world. Participation in athletics and the entire physical education program helps us to develop a sound body as well as a sound mind. Sportsmanship, co-operation, and physical activity combine to build wholesome attitudes.

And all praise be

Hughes

To her name

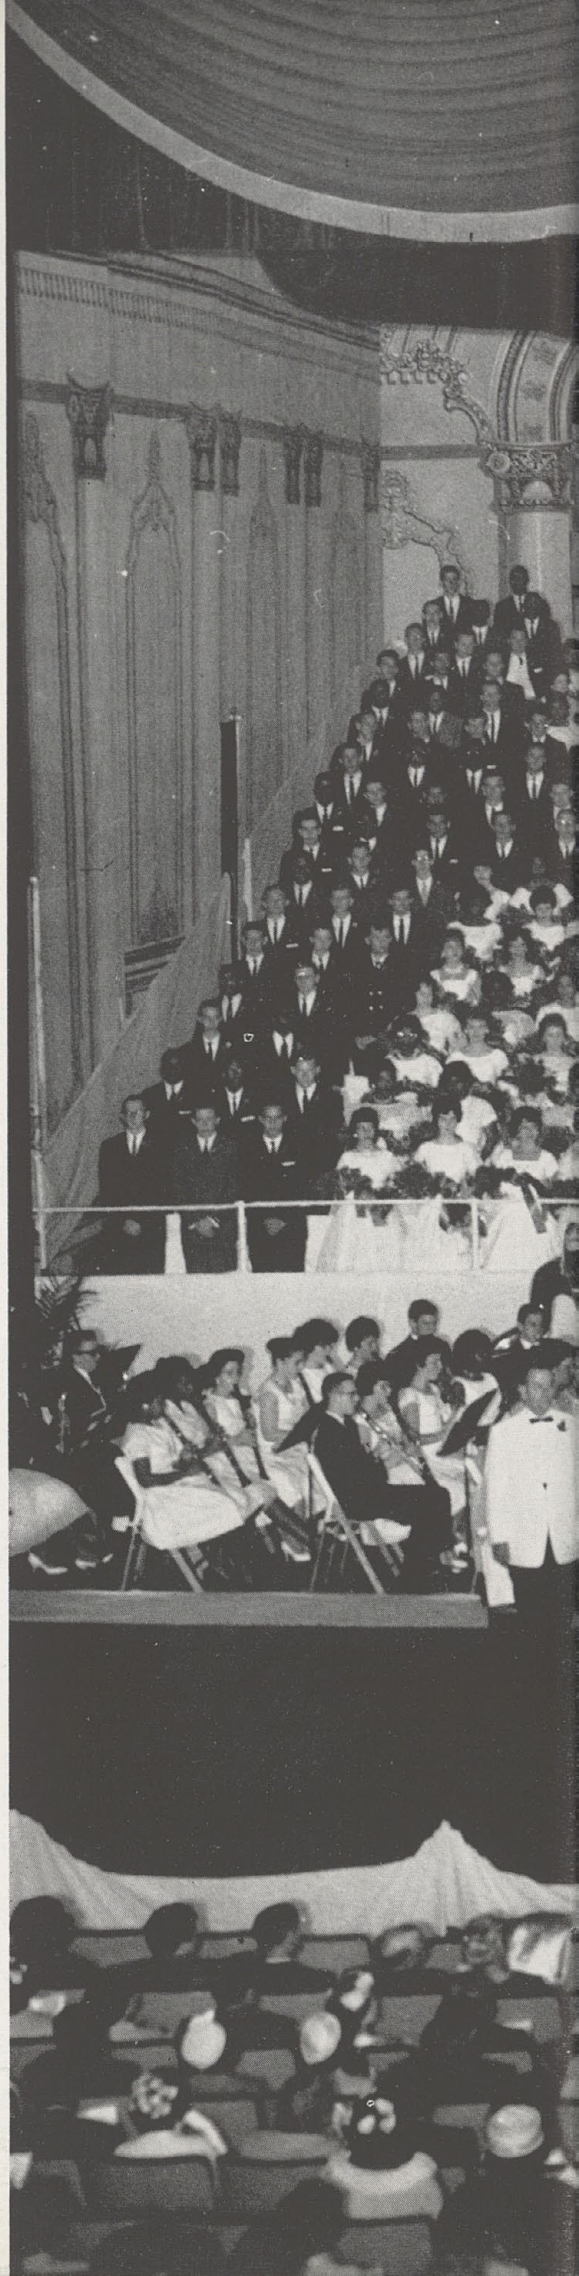

Student life at Hughes revolves around clubs and activities as well as scholarship. Extra-curricular activities assist each of us in developing the full potential of his personality. School organizations contribute to a well-rounded program. Social and creative activities, community service, and student government build leaders.

*She's the goddess we adore is Hughes . . .
from front entrance, through spacious halls,
up the well-worn stairs to majestic tower.*

This year the tower became more than a symbol of beauty and knowledge. Some of the rooms have been converted to gyms which are used for the intramural wrestling program.

This gargoyle holding a book stands for education. Seated on his perch, he reminds us to keep pursuing knowledge.

Double take? No, it's just two views of our scholastically-minded friend in one of the corners of the new building.

Left: Nikki McCoy pauses for a cool drink at this decorative fountain. This gift was presented by the Class of '41.

Below: Hughes resembles Grand Central Station during the three o'clock rush hour as students dash to waiting buses.

"The Goddess We Adore" Takes on New Appearances

Loaded down with armfuls of books are Lorean Leslie, Claudette Cosby, and Willie Moorer approaching the main entrance.

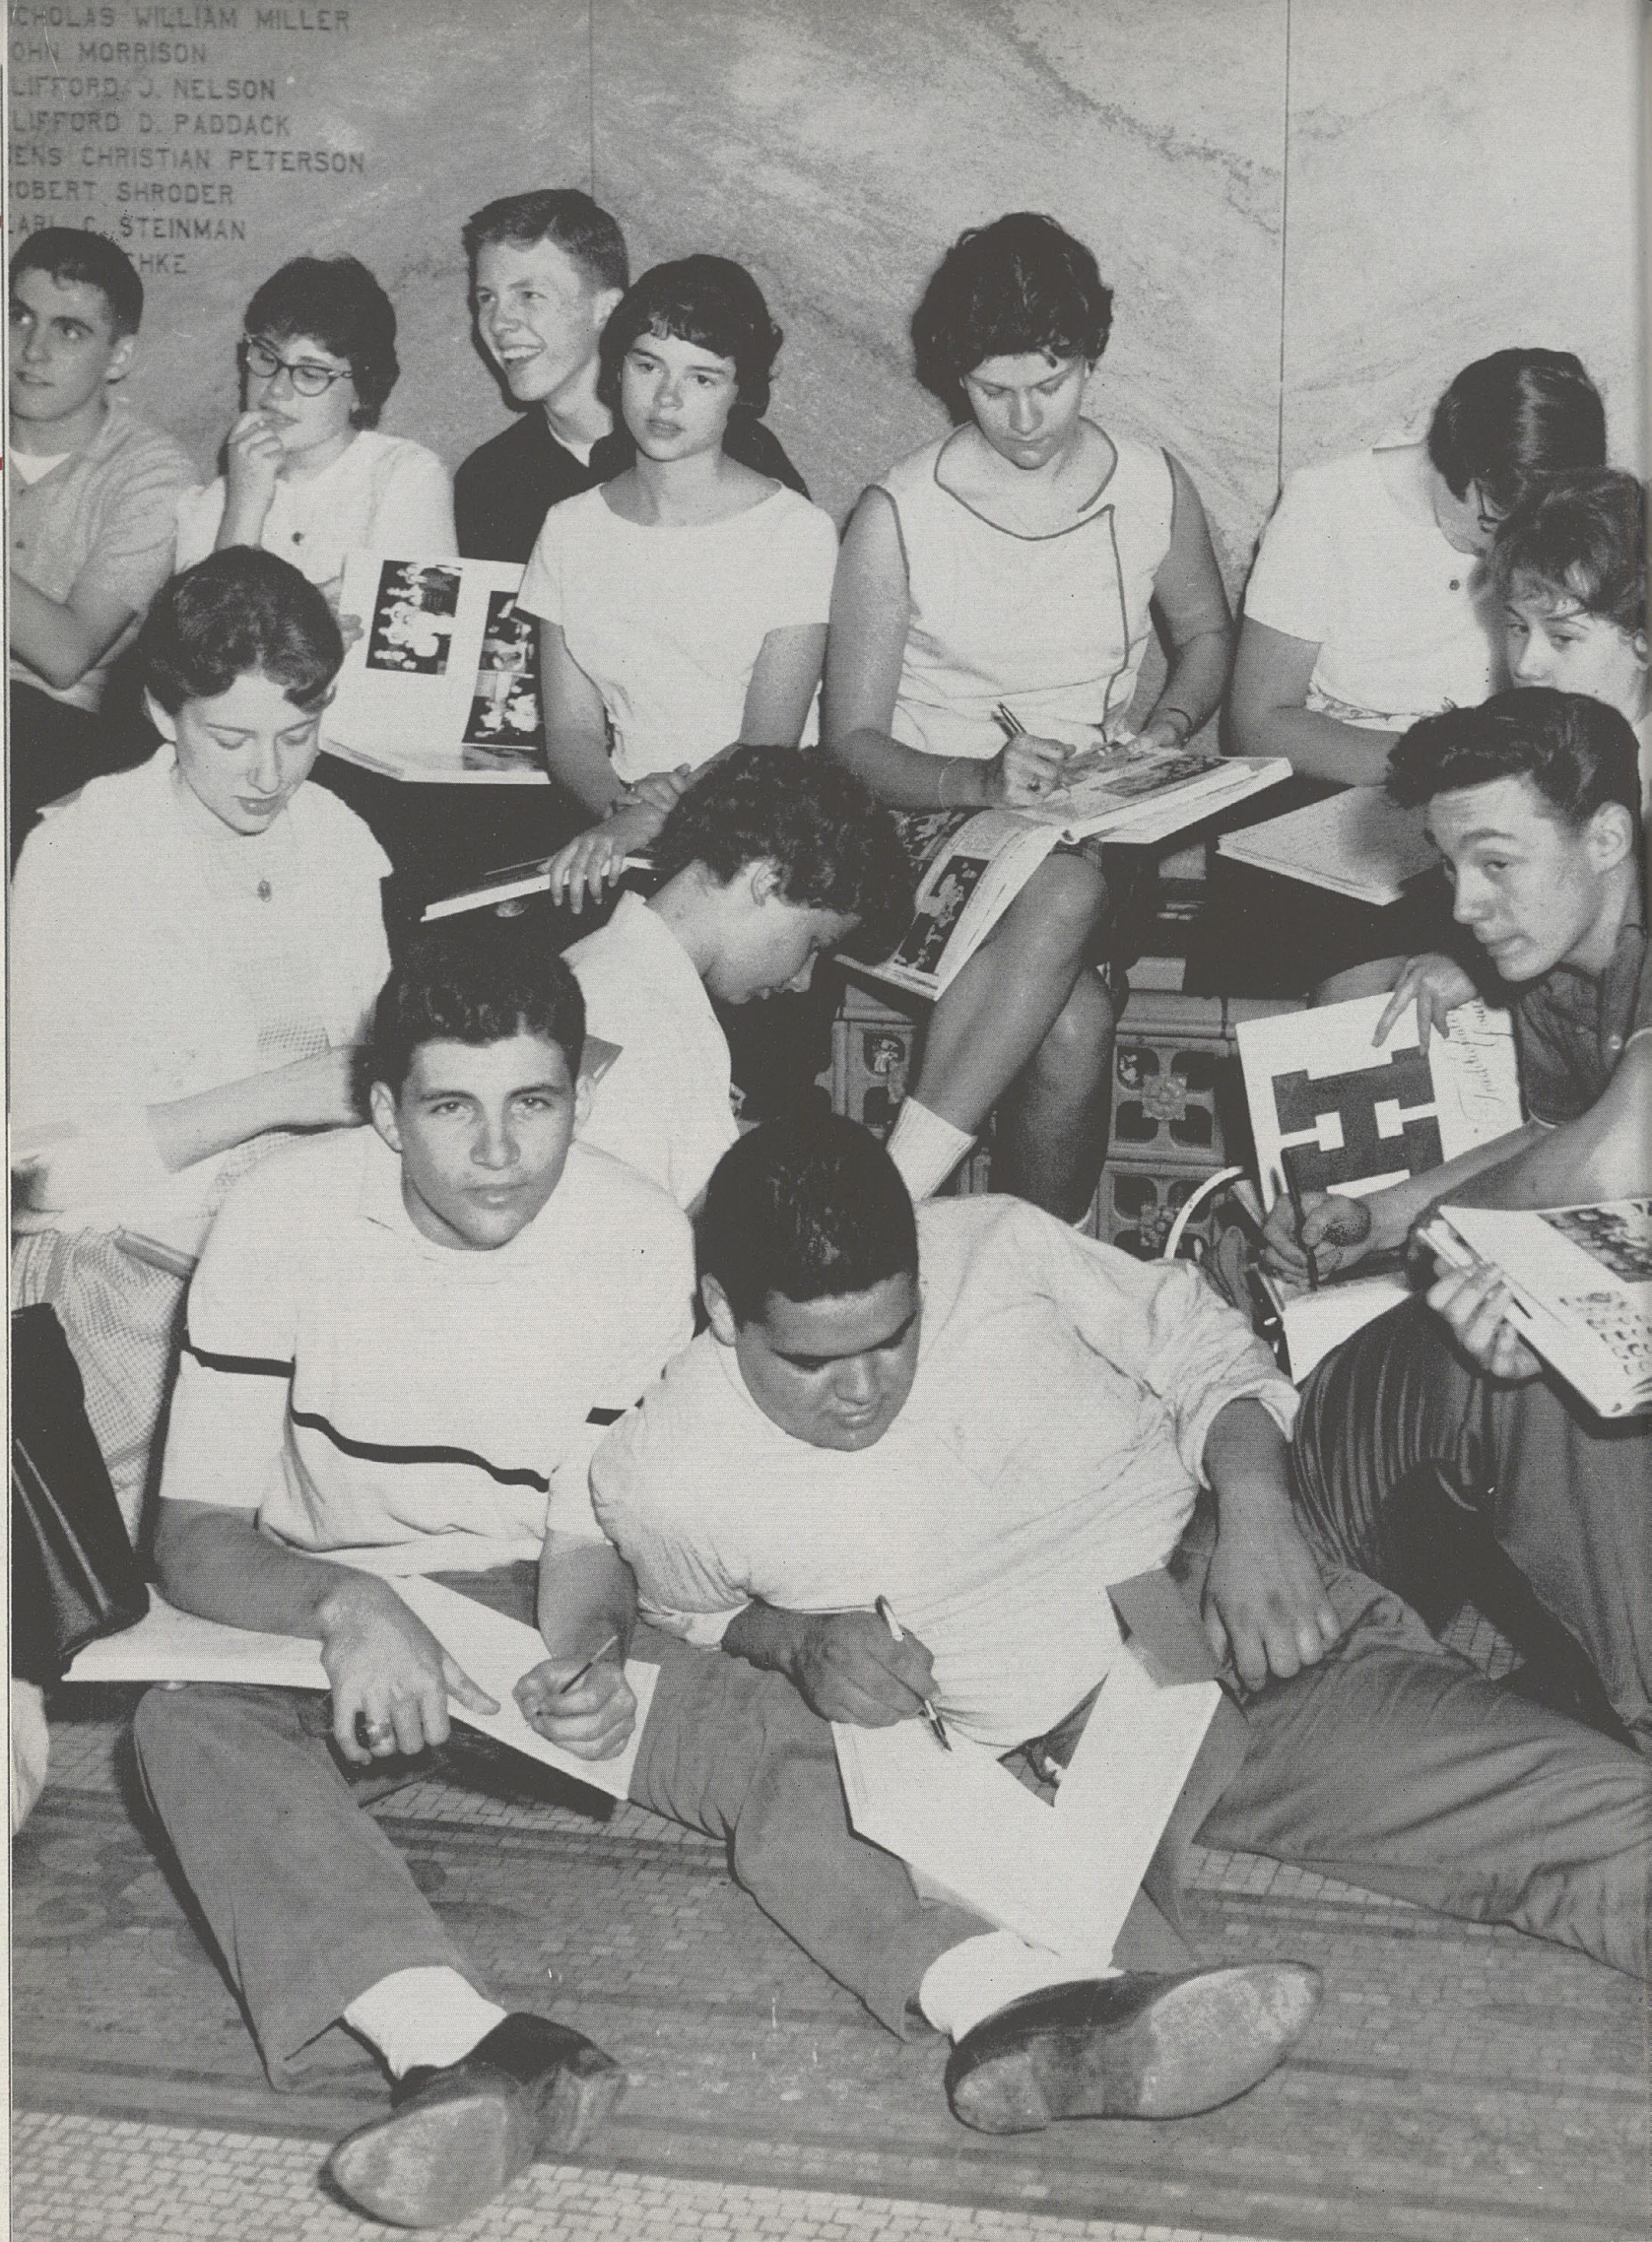

Hughes High School, with her impressive tower, stands like a citadel upon a hill overlooking Cincinnati. She resembles a medieval fortress in her architecture and design. Gargoyles and other figures on the crenelated walls contribute to this effect.

The new Hughes was dedicated December 2, 1910, more than two years after the cornerstone had been laid. As the number of students increased, so did the need for additional rooms. A new wing, containing nineteen classrooms, an auditorium, and music rooms, costing \$450,000, was added in 1924 to fulfill this need.

Other changes were also made. A public address system, given by the Class of 1949, was installed that same year. In more recent years new additions have included sound-conditioning of the lunchrooms, installation of fire doors, an improved bell system, a new curtain for the auditorium, an electronic organ, and bulletin boards near the administrative offices. The main changes this year were the installation of fluorescent lights and new clocks in each classroom.

Although the appearance of Hughes has changed, her traditions continue, perpetuating her fame as "The Goddess We Adore."

Students

*And we love her more and more, our Hughes
... all 2452 of us, as we strive for success
along the road leading to graduation.*

The Senior Class elected Rosalind Schneider, vice-president; Tom Mineard, treasurer; Jim Seibel, president; and Mary Puthoff, secretary, to represent them in '62.

Class of '62 Proud of Activities

The Senior Class, proud of many accomplishments, achieved because of better understanding of school problems, appreciate the guidance of the sponsors, Miss Verlie Meyers, Miss Aria Schawe, and Mr. Paul Bowers.

The Harvest Hop, a dance given in the fall, proved to be a profitable project.

The traditional Mistletoe Magic Christmas party for seniors, held at the University of Cincinnati Y.M.C.A., was a financial as well as social success.

Among the many activities that will always be remembered was the junior-senior prom.

Graduation and plans for the future were discussed for months before seniors received diplomas and said their final farewell to Hughes. It was then that all seniors realized that as the years pass, they would "love her more and more," their Alma Mater.

Senior sponsors admire red velvet curtain given by Class of '61.

Most Active Seniors Demonstrate Leadership Ability

LUCY GANGLOFF, WITH 57 ACTIVITY POINTS, is the busiest Hughes senior. She has well earned this distinction. During the past three years, she has been editor and senior adviser of the Hughes newspaper, co-editor of *THE GODDESS WE ADORE*, president of Math Club, on Honor Society's executive board, and an active member of many other clubs. Besides this, she carries a heavy academic schedule, participating in advanced English and mathematics, and maintains a 3.8 average.

Each May Student Council holds its traditional Point System Assembly, at which it gives recognition to the seniors who have been the most active while at Hughes.

The number of points a person accumulates results from his participation in clubs, sports, and other activities. Each winter Student Council, supervised by Miss Kloak, passes out Point System forms and, after all senior high pupils have completed them, the forms are tabulated and number of points recorded.

The ten Huzites pictured on these pages have accumulated the most points and deserve to be called the leaders of Hughes. Most are active in the senior class, student council, and publications. All are members and officers of several clubs. These students have rendered valuable service to their alma mater and have certainly demonstrated their pride in "the goddess we adore."

Mr. Sutton Completes Fourth Year as Principal

The goddess we adore . . . a symbol representing all the wonderful traditions which have helped to make Hughes High School graduates such fine people. Each individual alumnus has had certain motivating factors which have encouraged him to do his best in the classroom or on the field. The characteristics developed as an undergraduate carry us through the years and make us what we are. For this we thank you . . . oh goddess we adore.

Edwin Sutton Jr.

Mr. Sutton makes an emergency announcement over the public address.

A graduate of Hughes, Class of 1932, Mr. Sutton attended the University of Cincinnati, where he earned the degrees of Bachelor of Arts in Science, Bachelor of Education, and Master of Education. His teaching career in Cincinnati included teaching in junior high schools, serving as assistant principal and principal of various schools, and holding a position with the Board of Education before he returned to Hughes as principal.

Under Mr. Sutton's leadership Hughes continues to graduate outstanding students equipped to succeed in college, in a career, and as citizens bringing honor to "the goddess we adore."

Secretaries Perform Office Duties for Administrators

Hughes office ladies sometimes find time for a coffee break in the middle of a busy day. Giving information to visitors, keeping the tremendous amount of filing in order, answering the telephone, mimeographing bulletins, and completing transcripts for seniors and new students are just a few of the tasks that keep the office ladies busy.

They render a valuable service in the smooth functioning of Hughes High School.

Left to right around the table: Miss Carrie Kohrmann, Mrs. Marcie Vega, Mrs. Audrey Feder, Mrs. Marjorie Barnes, Mrs. Dorothy Tharp, Mrs. Julia Stewart.

The office assistants are dependable girls who volunteer to give up their study halls to aid the office ladies and counselors. They are selected in September by Mr. Stephens and Mrs. Frehse.

The assistants answer the telephones, run errands, and perform various other tasks which save the office secretaries many steps and much valuable time during the course of a day.

Counseling-Vital Link Between Today and Tomorrow

The Hughes counselors play such an important part in shaping many lives, that this year another counselor has been added to the previous staff of four. This gives each counselor more time with individual students. The counselors have the task of directing the student who is having

difficulties either at home or with schoolwork. They aid the student in his search for his future, in his preparation for this future, and in his selection of additional education or training which is needed.

Mr. Stephens Directs Senior High

Hughes is proud of her assistant principal, Mr. Edwin Stephens, now in his third year here.

Mr. Stephens, a favorite of the students, says that he is very happy at Hughes. He believes that the fine reputation of Hughes is well-earned and urges all students to maintain it.

Mr. Stephens helps Beth Coffey keep the record of Savings Stamps sold every Thursday.

▲ *Counselors, Left to Right:* Mr. John Acree, junior high boys; Mrs. Jean Frehse, eleventh and twelfth grade girls; Miss Dorothy Hoffman, junior high girls; Mr. Ralph Loudenslager, eleventh and twelfth grade boys; Mr. Albert Rouse, Jr., tenth grade boys and girls.

Discipline Stressed By Mr. Hannum

Mr. Harry Hannum, serving in his second year as junior high principal, believes that good discipline is as important as anything else in the education of junior high school students. If discipline is encouraged and accepted early, then senior high school teaching will be more effective.

Mr. Hannum and Mike Perry discuss Mike's future plans.

Reading speed and comprehension are lately in the news. In class especially for reading improvement, Miss Wycoff helps K. Farmer and R. Dossenbach.

Varied English Courses Offered

In the English curriculum there is a course that demands of every student the greatest use of his abilities. Special, general, college preparatory, and advanced English are the academic courses. Business English is especially for students planning to enter the business world.

Public speaking, speech, dramatics and journalism are specialized English courses. Mr. Arrington, teacher of journalism and adviser of the Hughes newspaper, says journalism helps students to organize their thoughts and to write concisely and accurately. Miss Haas, who teaches public speaking and dramatics, hopes her students will gain self-confidence before a crowd and learn the fundamentals of a play or a speech.

The varied English courses help Hughes students to communicate clearly and precisely their point of view. Enrichment of pupils' lives through literature is also an integral part of every English course. Professional presentation of the classics on records, in the theater and on TV vitalize the classroom reading.

Library Supplements School Work

Helen Mason

Mathilda Pennington

Miss Pennington and Mrs. Mason, Hughes capable librarians, believe that our library has various features relatively unknown to many students. Besides a popular fiction section, Hughes has an excellent non-fiction section containing books on any subject. Many magazines and newspapers are available to students interested in current events. Books on contemporary authors, English and American histories, and numerous old rare books are among Hughes reference materials.

The library opens at 8:00 a.m. and closes at 4:00 p.m. Any student may come to the library during his study hall, providing he has library work.

It is the greatest desire of Miss Pennington and Mrs. Mason that all students use the library facilities available to them.

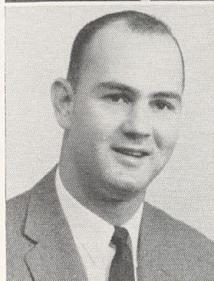

Business Students Made Employable

The business education department of Hughes offers courses which prepare students well for the future. Besides two courses of typing, shorthand and bookkeeping, the prospective businessman may take secretarial practice. In this course the student learns the basic office procedures and the operation of various business machines. In his senior year a pupil may take merchandising, which gives him valuable experience in department stores. Personal typing is tailor-made for the college-bound student. Given every other day, this subject teaches just the fundamentals, which will be useful in furthering the students' education. Hughes graduates fill many responsible positions in Cincinnati business offices.

In checking the balance sheet, Margaret Adcox and Fred Miller agree that an adding machine helps tabulate long columns of figures in bookkeeping.

Science Emphasized in Technical Era

Science is a dynamic force which is altering everyone's life. Recognizing this fact, Hughes science teachers urge every student to take as much science as possible.

In the seventh and eighth grades general science is compulsory, but in the senior high there is a wide range of

elective courses. Ninth graders taking general science obtain a wide background of all phases of science. Students interested in plants and animals take biology, botany, zoology, and human physiology. College-bound students take physics and chemistry in the eleventh and twelfth grades.

Who says that America doesn't produce young scholars? Junior high pupils, Dona Collins and Philip Peters, illustrate some mathematical principles.

New Mathematics Popularized

It has become increasingly apparent that the methods of teaching mathematics must keep up with this technical age of missiles and rockets. Therefore, the Hughes mathematics department has carefully revised its curriculum.

Teachers in the junior high are endeavoring to help pupils build the structure of sound mathematics, acquire correct concepts, and develop competency necessary in our dynamic world of scientific advancement. Each pupil should then possess a sound basis upon which he continues his studies in advanced courses.

The trend in the senior high has been to combine plane and solid geometry into one course, to teach more trigonometry in Math III, and to include more calculus in Math IV.

General business math and consumer math, unaffected by these changes, teach students how to use figures and buy and borrow wisely.

Maps and globes are only two aids for students of social studies. Movies, slides, current events magazines, posters, and written reports also supplement the courses.

Social studies in the seventh and eighth grades and American history in the eleventh grade are mandatory. However, in the ninth, tenth, and twelfth grades there is a wide variety of elective courses.

Civics, world and regional geography, American, modern and world history, and socio-economic problems are available to senior high students. Regional geography and socio-economic problems are being taught for the first time. Socio-economic problems is a combination of sociology, economics, and American problems; regional geography deals with the geography of Ohio and nearby states.

About the liveliest department at Hughes is the foreign language department.

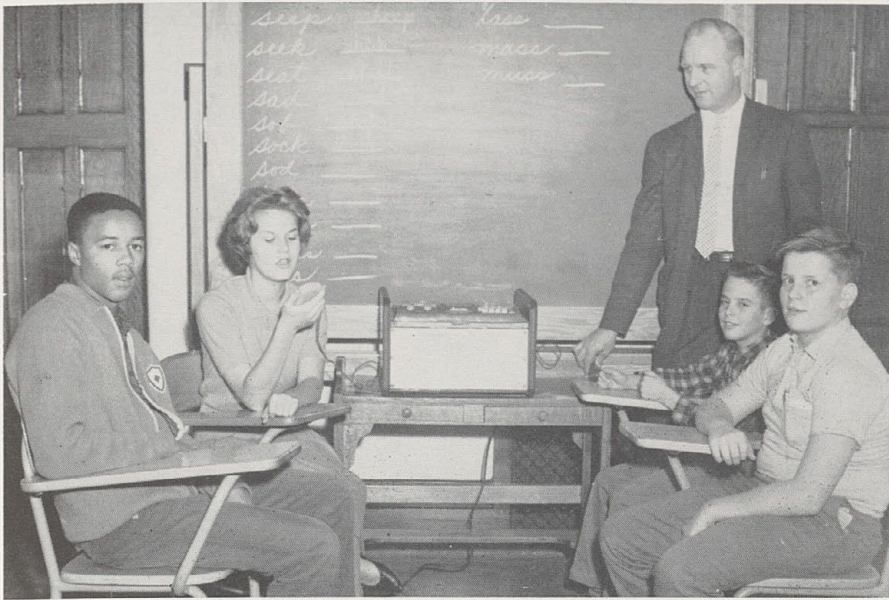

Many supplementary activities stimulate interest in the study of the language, the reading of the literature, and the acquisition of knowledge about customs and traditions of the country.

In beautifully decorated classrooms Spanish classes find the right atmosphere for studying about the language, people, and customs of Spain. Many French students participate in a city-wide organization called the Alliance Francaise.

All Latin students participate in a special celebration of Latin Week. On the Ides of March, pupils dressed in ancient Roman togas have a party. Slides and movies depicting German life are shown in many German classes.

A tape recorder is essential in Mr. Yack's speech therapy class. P. McCabe practices as C. Andrew, R. Angel, and G. Helton listen to her pronunciation.

Specially Trained Teachers Supply Guidance For Special Activities

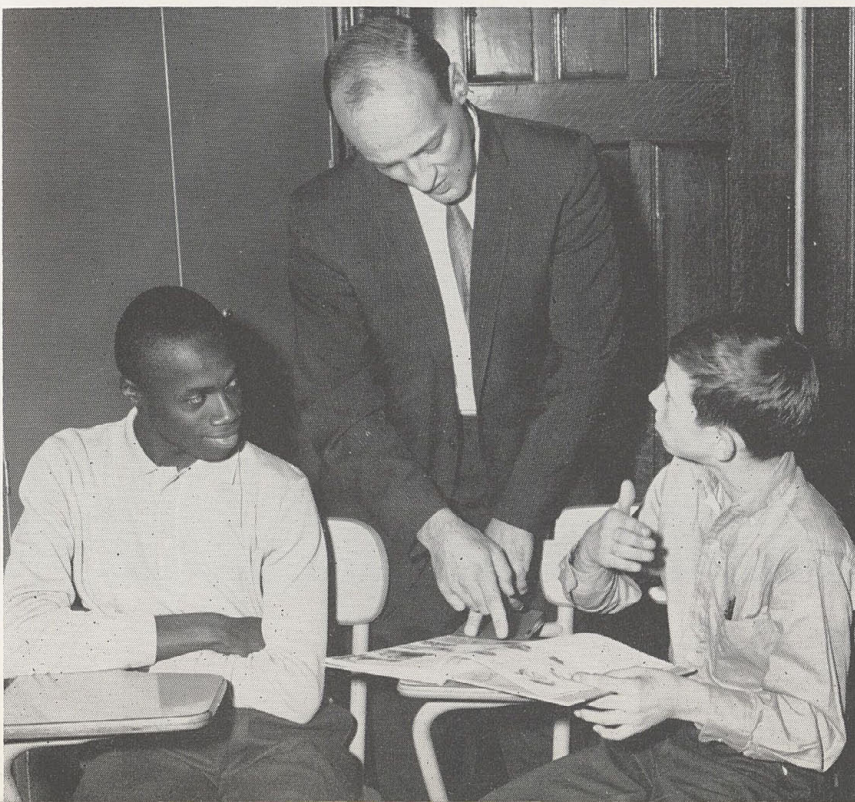

Speech therapy, deaf, and special education classes are designed to help students with particular needs.

Mr. Yacks, the speech therapist, deals with students having various speech defects. Mirrors, tape recorders, and tongue depressors are used to correct speech difficulties.

Students in special education study a variety of things and get valuable assistance from Mr. Britton. Besides following the regular curriculum, the class has learned proper telephone and general banking procedures.

Mr. Kundert gives corrective help and guidance to deaf students. He supervises their classroom learning and assists them in their social adjustments.

John Adams, Mr. Kundert, and Daniel May silently discuss homework. Deaf pupils pursue same academic course as most other students.

Future Homemakers Acquire Skills

Home economics courses, which include sewing, cooking, child care, and good grooming, prepare girls for their future roles as housewives and homemakers. An all-purpose room is being added to improve the facilities of the department.

Students make many of their clothes after learning about patterns, threading a sewing machine and fundamentals of sewing. Part of the year is devoted to cooking. At first only simple foods are prepared, but as students become more experienced, full-course dinners are cooked. The correct and incorrect ways to care for babies and children are also stressed. Rules for good grooming, developing a pleasing personality, and insuring a happy home make up an important part of each girl's study.

It may look easy, but it isn't. A. Roland cuts out her pattern while B. Warren helps by pinning it in place. B. Rousseau checks style in background.

Jim Molen intently examines the parts of a milling machine made in Cincinnati.

Boys Use Hands Plus Brains

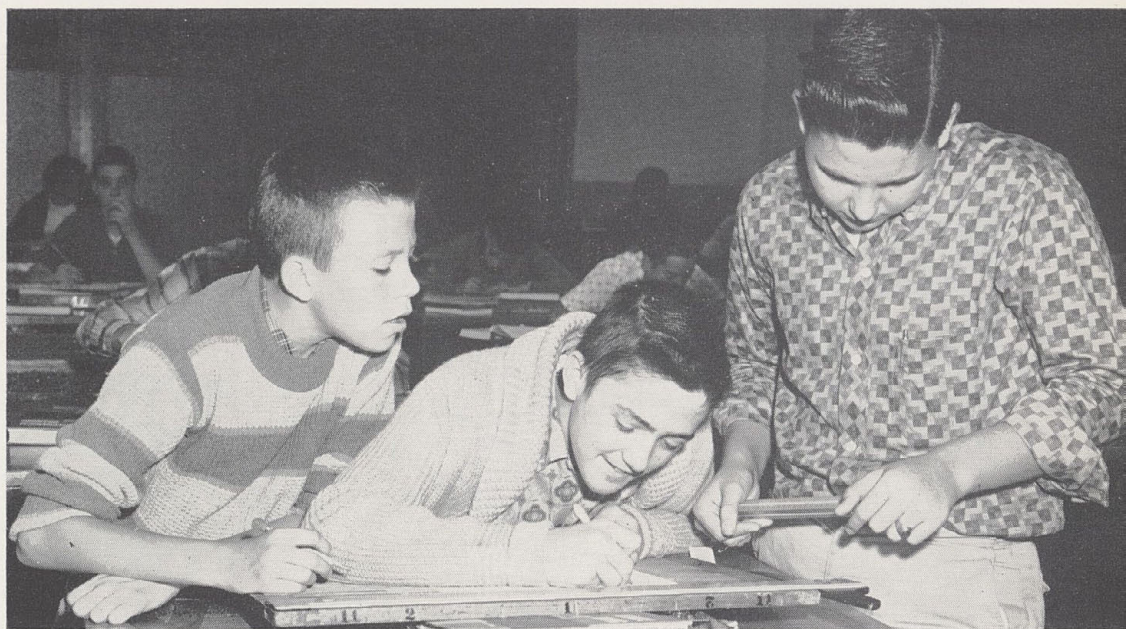

Of all subjects taught at Hughes, few others give such practical training for jobs after high school as the industrial arts program.

A boy wishing to become a printer or a cabinet-maker is taught the operations of tools and presses. Projects which he completes may be used in his home or entered in contests, competing with other industrial art students from this area.

Graphic arts, woodworking, electricity, and metals shops and mechanical drawing facilities serve many students in both junior and senior high.

These courses are important to the future of everyone, because the boys who excel in them will become the future architects, metallurgists, and electricians of America.

Practical Goals Achieved In Health and Driver Training

Mr. Hundemer and Miss Nurre teach Hughes sophomores the required semesters of health and driver education. These subjects provide a firm foundation for senior health and driver training.

All seniors study health. First Aid, home nursing, and boy-girl relationships are thoroughly covered. Pupils successfully completing first aid are certified by the Red Cross.

Mr. Otto, teacher of driver training, believes everyone with a study hall should take this course because of the important dividends it pays in safety and economy. The only prerequisite is a course in driver education.

Art and Music Enrich Our Lives

Seventh and eighth grade students are required to study basic art and music. The advanced art students design, mold, paint, and papiermache all school holiday decorations and displays, scenery for plays, and individual projects. In the music department, students learn to read, sing, or play written notes. Orchestra, band, and the choirs display their talents for the student body in assemblies, concerts and at the football games. Annually, Ensemble entertains Cincinnati on WKRC-TV.

Physical Education—Essential Program

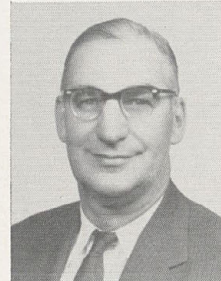

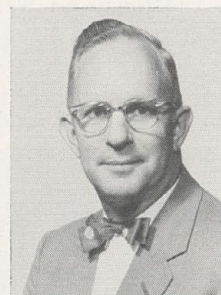

President Kennedy decreed that American youth need to become physically fit and to exercise their bodies as much as their minds. Hughes physical education department has developed a well-balanced program, which combines exercises and game skills. Every spring and autumn, students walk to Coy Field for outdoor sports. There the boys play football and softball and the girls play soccer, hockey and softball. During the winter all students participate in volleyball and basketball during gym periods.

Nurse Proves Efficient

Performing the many duties of the school nurse this year is Mrs. Alice Kammann, a newcomer to Cincinnati. She is a native Californian and received her nursing certificates from the Los Angeles State College and the Hollywood Presbyterian Hospital School of Nursing.

Her various duties consist of keeping everyone healthy, giving any necessary physical examination, and maintaining a health record for each Hughes student.

Mrs. Kammann is employed by the Public Health Department, but one can tell by the spirit with which she moves about in caring for our sick that she is a real member of the Hughes team.

Sports

Our athletes bring honor to Hughes and uphold
the ideals of good sportsmanship and teamwork.

Marvin Saylor (30) bootlegs the ball for extra yardage as Central Knights pursue. Final score: Central 12, Hughes 7.

Hughes gridders gave a good account of themselves this year despite the sixth-place finish. The Big Reds met most formidable foes, one-third of which ranked no lower than sixth in the state. Although the won-lost record stood 2-7 for the season, victories against Western Hills and Taft provided exciting entertainment for Hughes fans. The Big Red ball-carriers scored a total of 78 points but were shut out in three contests.

Senior Don Hardy performed well at quarterback and provided most of the touchdown runs.

Head Football Coach Howard Thomas, one of the more colorful mentors in the Public High School League, is always interesting to watch at a game—up and down from the bench and greeting players coming from the field. A bit more color from the Hughes stands this year could have pushed over a few more touchdowns for the Big Reds.

The Hughes athletes played hard in '61, and hopes are high for developing a champion eleven next year.

In the season opener, the Hughes eleven met a rugged Hamilton Garfield football squad and were handed their first defeat, 19-0. Hamilton Garfield, rated as fourth in the state of Ohio, tallied three touchdowns while the Big Reds were held scoreless.

Hughes' first league tilt, against Western Hills, was highlighted by halfback Don Hardy's scoring three touchdowns, enabling the Big Reds to cop their first league victory 28-0. John Adkins scored early in the first quarter when he ran 16 yards around left end and across the goal-line. Later in the same quarter, halfback Don Hardy snagged a pass from John Cannedy in the end zone for the second touchdown. Dave Jordan provided the two extra points. In the second period, Hardy again scored by scampering 54 yards after intercepting a Mustang pass. One period later,

Red Victory Over Taft

Hardy raced 18 yards to pay-dirt, and Jordan again ran the two extra points.

Another non-league meeting came against Middletown, sixth in the state. The Hughes gridders managed to score only once. Three Middletown touchdowns ran the final score to 24-8.

Fine defense and powerful offense gave Roger Bacon a 30-0 victory over the Big Reds in their fifth contest of the season.

The next week, Woodward outclassed Hughes, winning 25-8, although all scoring came in the first half.

In the Central game, Marvin Saylor tossed 14 yards to Bill Heard for Hughes' lone touchdown, but four scores by the Knights gave them 26 points to the Big Reds' 6.

Picking up blockers, Virgil Parker attempts to outrun the Western Hills Mustangs. Hughes won, 28-0.

Coach Otto's Reserves Break Even in Grid Campaign

L. Watts rounds right end for a sizable gain against the Taft reserves. The game was won by Hughes, 20-6.

Reserve football, which trains players for the varsity, did just that at Hughes this year—and in fine fashion! The Reserve gridders under the able coaching of former Hughes football standout, Ron Otto, showed their desire, spirit, and talents, plus a 3-3 record. Hughes' three victories showed a strength of offense, totaling 66 points to opponents' 19 points. In the Big Reds' three losses, Clifton Furr and Lonnie Persons, outstanding on defense all season, helped to keep the enemy scoring to a mere 28 points.

The first clash pitted Hughes against the reserves of Woodward in the lowest-scoring game of the campaign. After four quarters of clean, well-played football, Woodward emerged victor, 3-0. Hughes' first victory was an impressive 25-6 win over Walnut Hills. After losing to Central 12-7, the Big Red Reserves bowed to a strong Withrow eleven by a score of 14-0. Western Hills provided the team's second victory as Hughes crossed the goal-line three times, running the final score to 21-13. The Big Red Reserves closed out the season by scoring 20-0 shutout victory over the Reserves from Taft. Members of the '61 Reserve football team are looking forward to playing Varsity ball in the future.

In the first game, Coach Rolfes' Baby Reds bowed to Heinold 6-0. Central's junior high gridders showed their strength, whipping Hughes by a score of 38-6. Although Miles scored two touchdowns against Gamble, both were called back because of penalties. Final score: Gamble 12, Hughes 6. The Hughes-Porter game resulted in a 6-6 tie as Steele scored the only touchdown for the Baby Reds after intercepting a Porter pass. Bloom literally smothered the Hughes gridders 33-14, with Burton and Pemberton providing the Baby Reds' scores.

Finally getting into the winning column, Hughes defeated Schwab 6-2. The winning punch was provided by Garland who hit pay-dirt late in the fourth quarter. Hughes was badly beaten by Western Hills in the season finale. Western controlled the ball throughout most of the game and held the Baby Reds scoreless until the third quarter when Miles ran a well-executed 95-yard kickoff return for a touchdown. Final score: Western Hills 38, Hughes 6.

Cagers Gain Win Over Mariemont in Tournament

The Hughes basketball team advanced to the second round of tournament play by defeating Mariemont 47 to 38 in the opener. Central's Knights eliminated the Big Reds, however, by the score of 52-34 to end the 1961-62 campaign.

The season opened for Coach Rolfe's boys with an exciting victory against Monroe 60-55. The Big Reds built an 11-point lead in the fourth quarter, and withstood a late Monroe rally to win. In another non-league tilt, Hughes whipped Anderson 58-41.

Taft displayed a strong offense in defeating the Big Reds 73-53; Taylor won a low-scoring game 38-34, sinking four more free throws than the Big Reds. Roger Bacon, Hughes' arch-rival, won the next contest 64-49, handing the Big Reds their third straight loss. In the next basketball conflict, Allen grabbed 19 rebounds and tallied 17 points in a losing cause as St. Xavier won 57-46. Central marched over the Big Reds 58-47. Springfield North hit 17 of 19 from the free-throw line, handing the Big Reds a 69-57 loss, Tom Mineard hit for 26 points, his varsity high. Running its losing streak to seven games, Hughes bowed to Withrow 71-50.

In gaining its third win, Hughes tamed the Western Hills Mustangs, 59-47.

After leading by two points at halftime, the Big Reds lost to Walnut Hills 68-46.

Allen and Mineard pumped in 33 points to pace Hughes to their fourth win as Woodward went down to defeat 43-40 in an exciting game of strategy.

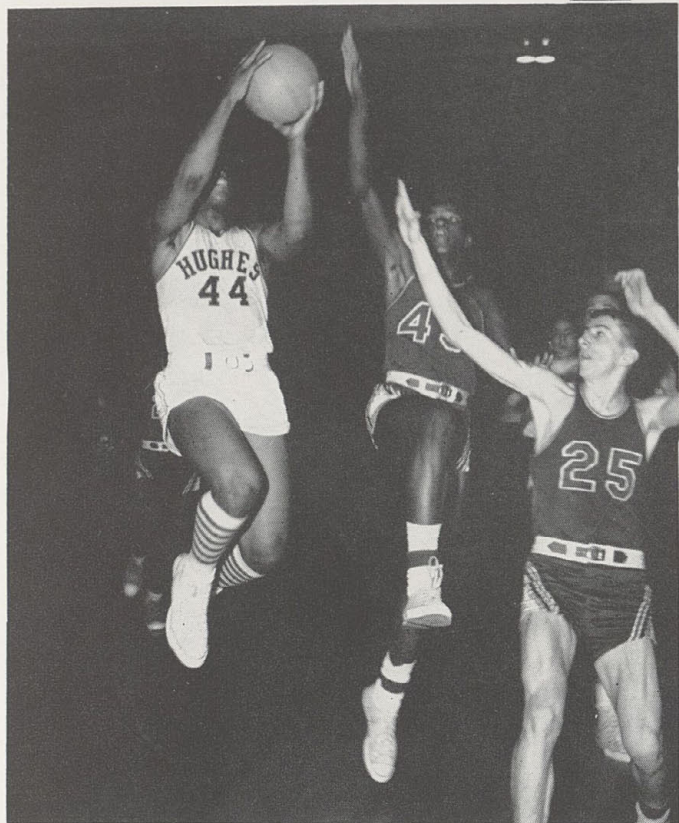

Taft and Central both smothered Hughes, sending the Big Reds' record to 4 wins, 10 losses. It was Taft 74, Hughes 48 and Central 60, Hughes 46. Withrow ran its league record to 9-1 by defeating the Hughes hoopsters 62-45. The Big Reds lost a squeaker to Western Hills 56-53 as Hughes' Darryl Allen scored his season's high of 26 points.

Victory number five came at the hands of Walnut Hills' Eagles. Hughes won 54-52.

The most exciting contest of the season was the finale, against Woodward. After trailing by ten at halftime, the Big Reds dumped in 23 points, to lead by five at the end of three quarters. It was a fight down to the wire, but Woodward came out the victor 60-59.

Darryl Allen, fourth in P.H.S.L. scoring, shows fine form in tallying two more for the Big Reds versus Woodward.

Darryl Allen, with the ball, eludes Central's William Kelly for a driving layup during Tournament play at U.C.

Reserve Record Shows Six Wins Twelve Defeats

Kneeling—Curtis Calhoun, Delco Taylor, Tony Jackson, Ralph Grayson, James Cunningham. *Standing*—Robert Quick, John Gerdon, Larry Denny, Larry Webster, Coach Lester Monk.

Mr. Lester Monk, in his second year as Reserve Basketball coach, was pleased with the progress the team made, although a final record of six wins and twelve defeats might not show that. The Little Reds displayed plenty of speed and good shooting, but personal fouls hindered the team's efforts.

The Hughes Reserves used a basic 1-3-1 attack with a sagging man-to-man defense; defensively, a 2-1-2 zone was employed. The reserves from Taft won the league title with a 12-0 record while Hughes' 5-7 league record placed them fifth.

Junior High Basketballers Play Hard

Bottom Row: Eugene Ernest, Richard West, James Battle, Alphonso Wills, Donald Towles, Roy S. Roberts, Jr.
Row 2: Gilbert Oliver, Benny Miles, Darryl Garland, Coach Richard Miller, David Smith, David Boettcher, Larry Hale, L. Garland, Manager.

The Miller-coached junior high basketball team started slowly but finished strong, winning its final three contests. Darryl Garland, at forward, led the team in scoring with a total of 160 points, an average of 10 per game. James Battle, a guard, averaged seven per game, and totaled 102 points

for all games. The season record reveals that Hughes won six games and lost ten.

Improvement in team play and increased knowledge of basketball fundamentals were important products of the junior high season.

Richert Coaches Runners

The harriers of the Hughes cross country team of 1961 showed fine form in placing third in the final standings of the Public High School League. Lettermen this year included Danny Bartholomew, Donald Bosse, Shelby Davis, Lonnie Garland, Paul Harris, Reynold Large, Robert Murrell, Herbert Thompson, and Clifford Wills.

The first competition of the season was a dual meet with Withrow, in which Hughes was bested. In the first City Meet of the season, Hughes grabbed a third place in a field of seven teams. A third in the second City Meet placed Hughes behind strong runners from Taft and Withrow. The final City Cross Country Meet found Hughes finishing fourth among seven competitors. With twelve teams entered in the Franklin, Ohio, Invitational Meet, Hughes wound up sixth. The season's finale was the District Meet. Hughes finished eighth among the twenty-four participating teams.

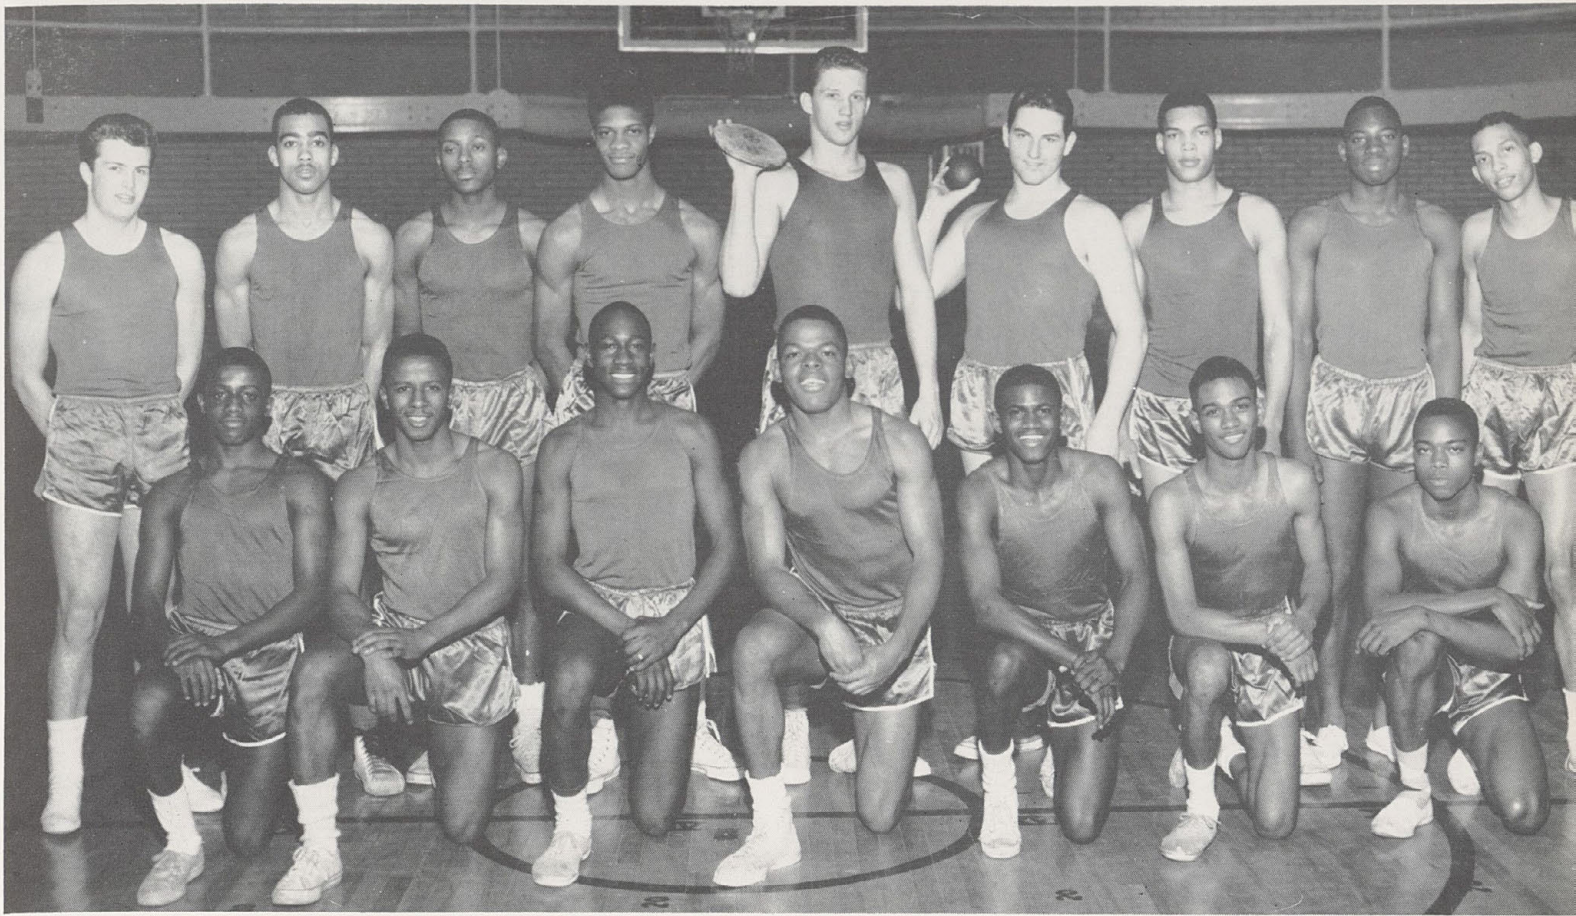

For the second straight year, the Hughes harriers finished third, behind Taft and Withrow.

Dan Bartholomew, Big Red harrier, shows his fine running ability, holding a slim lead over a Walnut Hills racer.

Cindermen, in the Running

In 1961, for the second straight year, the Hughes track team met tough competition from Taft, finishing second to the Senators in most meets. The Big Reds competed with Withrow and Taft in a Triangular Track Meet, and finished a close second to Taft. In the Southwestern Ohio Track Meet, Hughes grabbed another second behind the strong-running and hard-throwing Taft Senators. The District Track Meet brought out the best of all Hughes track performers. The Big Reds collected enough points to place second although the track men from Taft tallied enough for a first with ease.

Some of the various activities included in track are: discus-throwing, pole-vaulting, shot-putting, running, and hurdling.

Coach Paul Richert, who this year is celebrating his twenty-eighth year as track coach at Hughes, is very pleased with the boys he has coached and he is quite optimistic as to the success of the 1962 track squad.

Bob Murrell and Don Hardy get ready to burn up the track as the 1962 Hughes practice begins under Coach Richert.

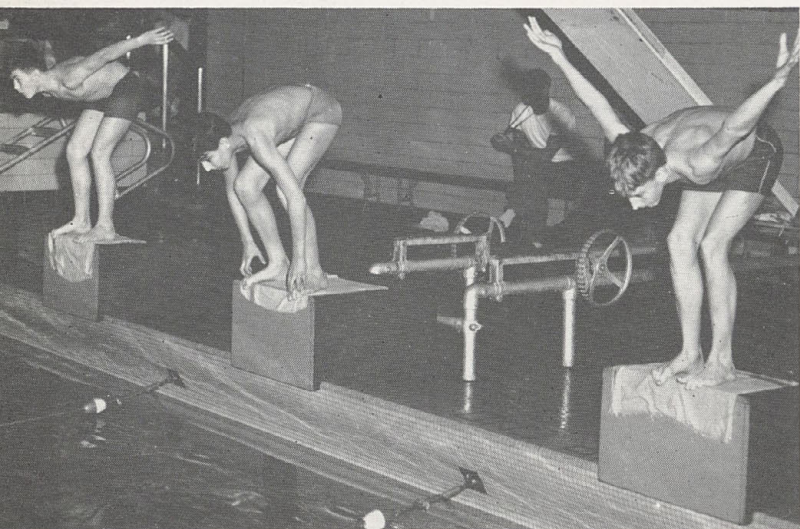

Seated: Ed Koch, Roy Lovett, George Hansen, Mike Bieri, Don Bosse. *Standing:* Coach Will Hundemer, Gregg Bereskin, Steve Owens, Frank Neal, Bruce Hamlin, Steve Thomson, Manager Lou Ramundo.

Swimmers Strive Mightily

The Big Red mermen, under the experienced coach, Will Hundemer, did not live up to expectations, scoring only a few points in the various meets. In the extremely rigid P.H.S.L. competition, Western Hills grabbed the championship easily. The Big Reds tied for last place in the first league meet, not scoring once. The junior team tallied ten points.

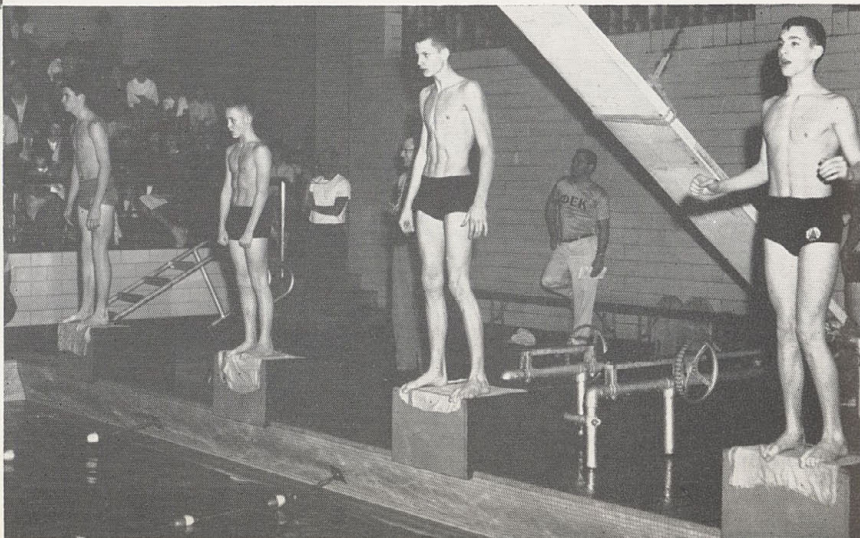

A week later, the Hughes swimmers failed to score again as the strong Western Hills team romped to another victory. In a meet with Woodward, Taft, and Central, the Big Reds racked up four points, but finished last.

Ninth grader Bruce Pemberton slashed the 50-yard butterfly record from 29.6 to 29.4 seconds in the final meet.

Sackmen Wield Big Bats

The Hughes baseballers, coached by Mr. Ron Otto, anticipate a successful season this year. The twenty-man 1962 squad hopes to better the 13-10 record of last year's team. Practice began March 1, and Coach Otto has kept up strenuous calisthenic drill, batting and fielding practice, plus lengthy track running. The Big Reds have high hopes in their returning outfielder, Darryl Allen, who last year showed outstanding slugging power.

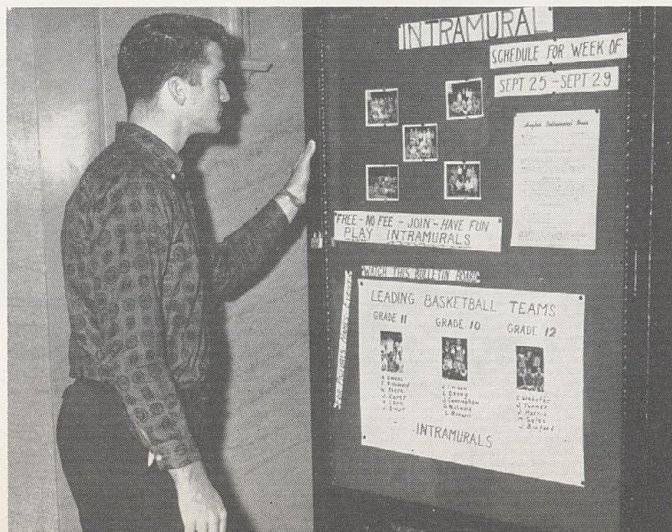

In the past few years, many Hughes sackmen have played with Bentley Post, the National Junior Champions, and the University of Cincinnati.

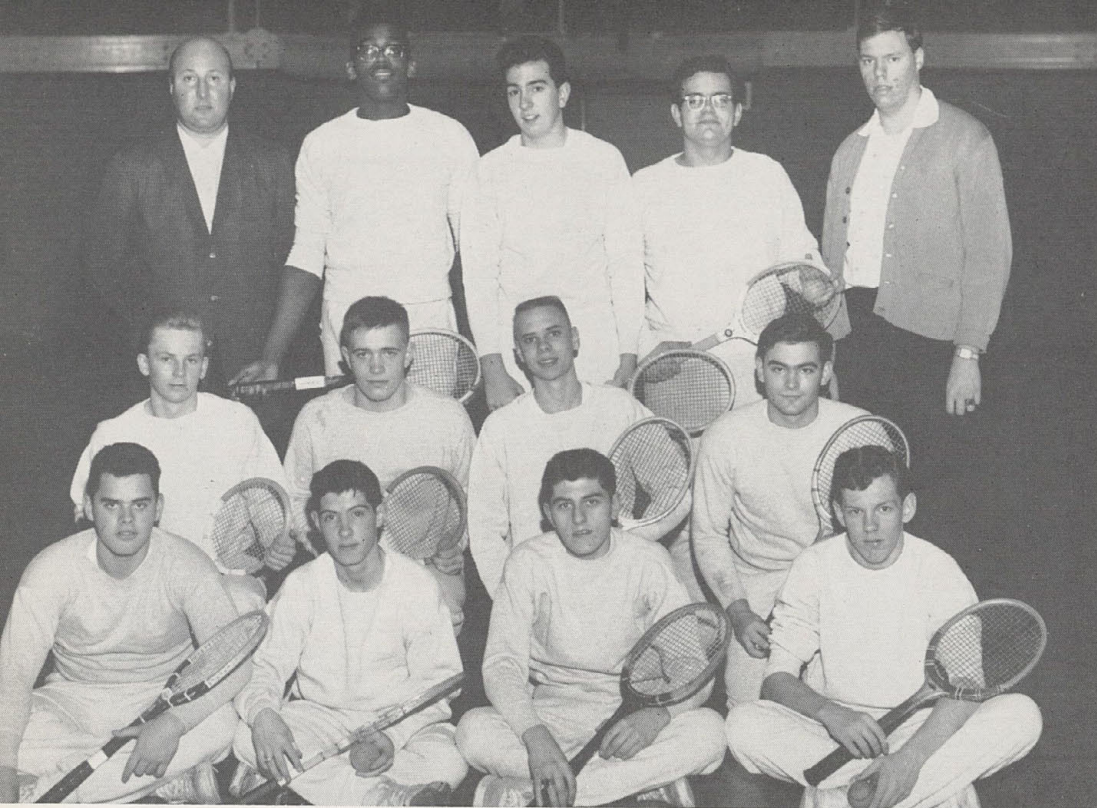

Coach Otto played football, basketball, and baseball here at Hughes, and baseball and football at the University of Cincinnati, while majoring in physical education.

Varsity tennis at Hughes is under the new direction of Mr. Richard Miller. This year's tennis squad is boosted by only one returning senior letterman, Ed Weise; Dave Curry and Dan Bartholomew are the only juniors with tennis letters.

The hard-hitting team also includes Paul Forste, Don Bosse, Morris Williamson, and Don Goebel.

Walnut Hills will provide the toughest competition for the Hughes racketeers this year, as the Eagles have won the tournament the last several years. With the experience of returning lettermen and the support of other players, Coach Miller anticipates a successful season. The 1962 schedule calls for twelve matches in league competition and additional matches against Wyoming and Purcell.

These girls were elected the previous year. Sportleaders were appointed by the previous board on the basis of ability and interest. This year the adviser was Miss Verlie Meyers. Each year the officers are announced at the annual banquet.

The annual picnic started things buzzing for 1962. Before each new sports season, a general meeting was held to inform the girls of new sports and those making the honor teams. This year, for the first time, G.A.A. held two record hops in the girls' gym, both being well-attended. As usual, a bake sale and an apple sale proved profitable. The new sweatshirts were sold this year and every girl going to volleyball playday bought and wore one. This was a new experience for all the girls. All in all, G.A.A. had a successful year.

G. A. A. Opens Another Year

Junior High G.A.A. Board: K. Cavens, Vice-President; R. Ratliff, President; J. Courtier, Secretary; T. Daniels, Soccer; Mrs. Wertz, Adviser; E. Koehl, Softball; R. Davis, Basketball, and M. McMickle, Volleyball.

Officers for 1962 were introduced at the combined junior, senior high picnic. Maureen and Ruth presided over the meeting.

Roz Davis and Karla Petry battle eagerly for the ball in a game of soccer as teammates wait for the results.

Setting up and spiking are skills that must be perfected for playday and these two teams intend to do so.

Girls Acquire Good Sportsmanship From G. A. A. Activities

Under the capable leadership of Ruth Ratliff, president of Junior High Girls' Athletic Association, many seventh, eighth and ninth grade girls participate in sports Wednesdays after school. Miss Shirley McKibben replaced Mrs. Pauline Wertz as sponsor at mid-term.

Soccer is the first of four season sports offered to junior high girls. Terri Daniels, sports leader, explains the fundamental rules and techniques to the girls. The climax of the season is the soccer playday.

Volleyball follows soccer as the second sport. Melva McMickle is the sports leader. The girls are divided into teams which practice for play day.

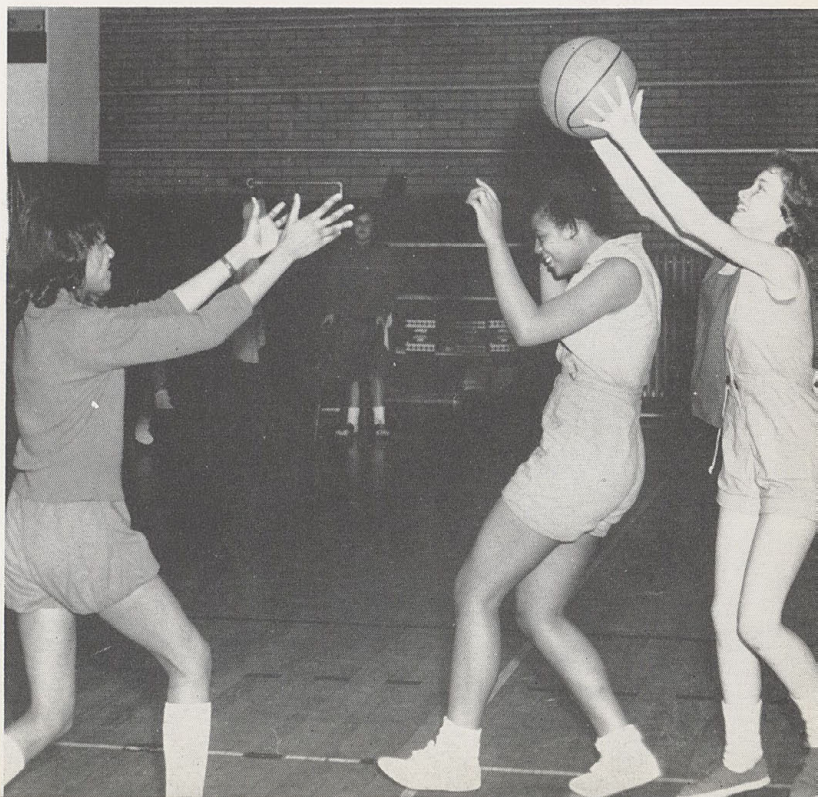

Roz Davis is the basketball sports leader. The girls practice weekly under her direction.

The last girls' sport open to the junior high girls is softball. Under the guidance of Evelyn Koehl, the girls learn the correct rules and techniques.

Evelyn Koehl and Ruth Ratliff see who will be in home first while Sandy Cox is impatiently waiting to play.

A careful pass from Pam Cohen to teammate Carol Brooks catches Roslyn Davis, her guard, in the middle!

C. Mapes, Vice-President; M. Fitzgerald, President; Miss Meyers, Adviser; M. Ratliff, Secretary; K. Aldridge, Historian; L. Jenkins, Treasurer.

Shirley Jenkins fights for the ball as Willie Moorer successfully passes it to her team-mate in hopes of a goal.

Hockey Begins GAA Year

With sweatshirts, shin guards, and hockey sticks, each participant proceeded to Fairview Park, eager to play the rough game of hockey. With such a display, everyone was well aware that G.A.A. was in full swing for another year of sports, bruises, and fun. Linda Clark assisted Miss Meyers on Tuesday and Mrs. Wertz on Thursday in demonstrating dribbles, passes, and shooting technique. The girls were successful this year at playday. The "A" team won both games while the "B" team won one and tied one.

Margaret Walker sees a perfect set-up for a spike and takes advantage of the opportunity while her team looks on.

Volleyball Tests Skill

Whistles blowing, girls yelling "Set 'em up," and balls flying through the air were enough to tell anyone that the second season of G.A.A. began with volleyball. This was a very popular sport. Marcene Mooney, sportsleader, was kept busy helping Miss Meyers on Tuesday and Mrs. Libbert on Thursday explain the rules and set up equipment. Intramural teams were chosen to play one another, so the girls could acquire such skills as passing, spiking, and good team work to be ready for play day in early January. This year playday was held at Central and Hughes was very successful. Out of sixteen games, the girls won ten, tied two, and lost four to take second place.

Students Officiate Games

Members of the Officials Club take one last look at the rule book, just to be sure, before conducting a game.

Again this year, the Officials Club met on Mondays to learn the rules of hockey, soccer, volleyball, basketball, and softball. With the aid of student officials, the games of junior high on Wednesday and senior high on Tuesday and Thursday were run smoothly. From the Officials Club, girls were chosen to officiate the junior high playdays.

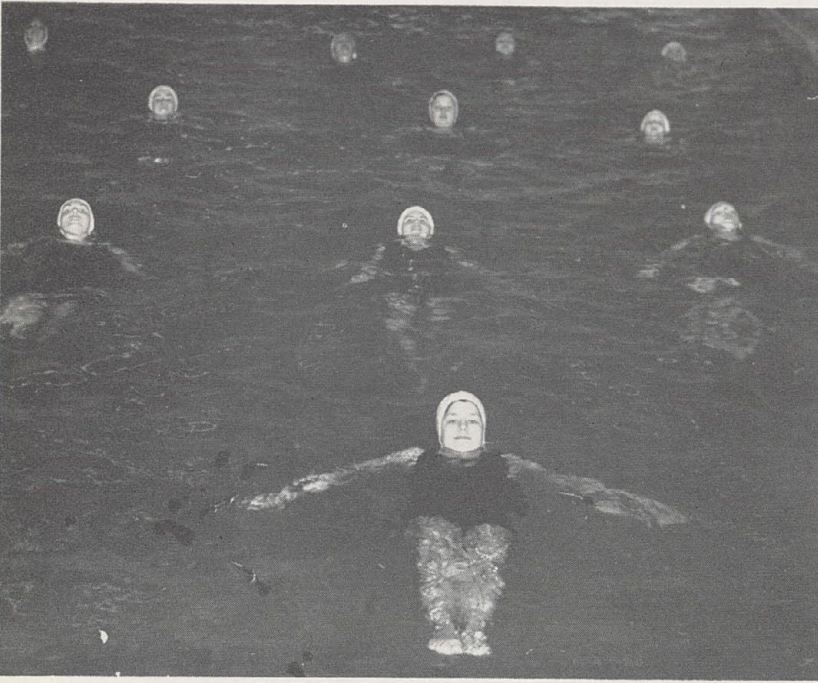

Both junior and senior high girls were urged to join, and not only officiate but better acquaint themselves with the rules. By doing so, they could make the game more interesting for themselves and their teammates. Wanda Williams, sportsleader, helped Mrs. Libbert with soccer, hockey, and volleyball, and Miss Meyers with basketball.

Swimmers Meet Challenge

Sounds of splashing and laughter could be heard early in the year as the G.A.A. girls with enthusiasm, pep, and patience, began practice for swimming. Any girl in junior or senior high who could swim was eligible. Since the pool was inside, swimming was an activity which lasted all year. Under the careful supervision of Miss Verlie Meyers, swimming in the pool was as safe as swimming in your own bathtub. The girls learned to do the back stroke, breast stroke, butterfly, freestyle, and trudgen crawl. Jandyl Muhlberg, sportsleader, was kept busy timing and demonstrating the different techniques of swimming and diving. Try-outs were held to pick girls with speed and form for the team which practiced hard for the city swimming meet. Every Thursday the girls invaded the boys' pool for an hour of practice after school. The swimming meet, which was held at Central, held a challenge for senior high girls. The junior high girls were not involved in the meet.

Early in the year, all participants were taught life-saving as a safeguard from danger.

Besides practicing hard, the girls did a little synchronized swimming. This is one of the easier positions, simply lying on their backs with their heads above the water.

After successfully tying up the ball, a jump is taken. Mrs. Libbert, acting as referee, supervises the play and yells advice to both teams during basketball.

Dribble! Shoot! Basket!

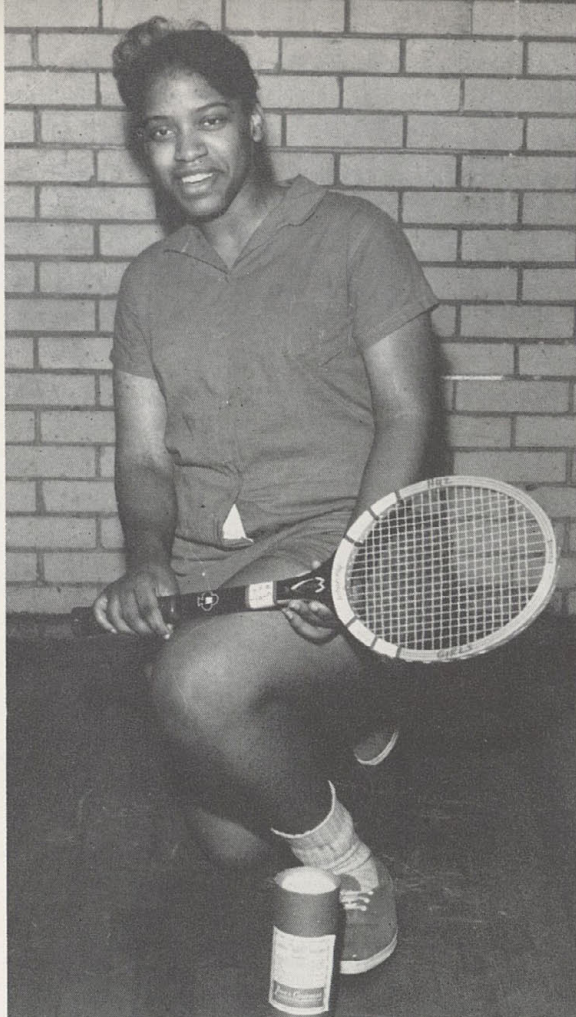

"Strike three—you're out!" was often heard at Fairview Park where G.A.A. practiced softball this year. Miss Meyers coached this sport, assisted by Melrose Thrower. The girls learned to keep their eyes on the ball, to hit, pitch, and catch with skill. The season's climax came when Hughes participated at Lunken Playfield.

Basketball, an exciting and popular sport, was played on Tuesday and Thursday after school. The girls soon developed skills in dribbling, passing, and pivoting. Finally, the big moment came when they were placed on teams to practice for playday at Walnut Hills. Sportsleader for '62 was Margaret Walker. Miss Meyers acted as adviser.

Wow! It's Really A Homer!

Sportsleader Melrose Thrower, at bat, and Carolyn Mapes, catching, engage in some hitting practice.

Shirley Jenkins, sportsleader, prepares to play an invigorating game of tennis during the tournament. "Practice makes perfect" is a good motto.

With racket and ball in hand, the girls walked down to the courts for a stimulating game of tennis. Tennis was a two-season sport, one in early fall, and one late in spring. In the spring as in the fall, it was played on Monday. With the help of sportsleader Shirley Jenkins, Mrs. Libbert was able to teach the back hand and forward swing, serving and the correct way to stand while waiting to receive a serve.

Racketeers On The Loose

Every Monday, girls could be seen putting up nets and getting rackets and birdies ready for the junior and senior high G.A.A. to play badminton. Fundamental techniques and skills were taught by Miss Verlie Meyers before an elimination tournament got underway. The girls played a three-game series of both doubles and singles, singles being last. The winner of the singles received a charm at the annual banquet. Badminton satisfied the need of individual sports. Since horseshoes, ping-pong and shuffleboard had been eliminated, badminton was the only individual sport. It is another form of tennis except that the net is above your head instead of on the ground.

Outdoor Sports Are Fun For Many Girls in GAA

Shirley Jenkins, sportsleader, explains fundamentals of tennis to junior high girls Carol Yeager and Karla Petry.

A singles and doubles tournament was held and the winner of the singles received a charm at the annual banquet. Since tennis was not one of the four main sports, it was included in the group at the Spring Sports Day.

Margaret Walker and Ruby Benton indulge in a competitive game of badminton, both hoping to win.

Dancers Glide In Rhythm

Under the supervision of Mrs. Libbert and Mrs. McKibben, girls for modern dance practiced hard to achieve light steps and graceful movements for the dance symposium.

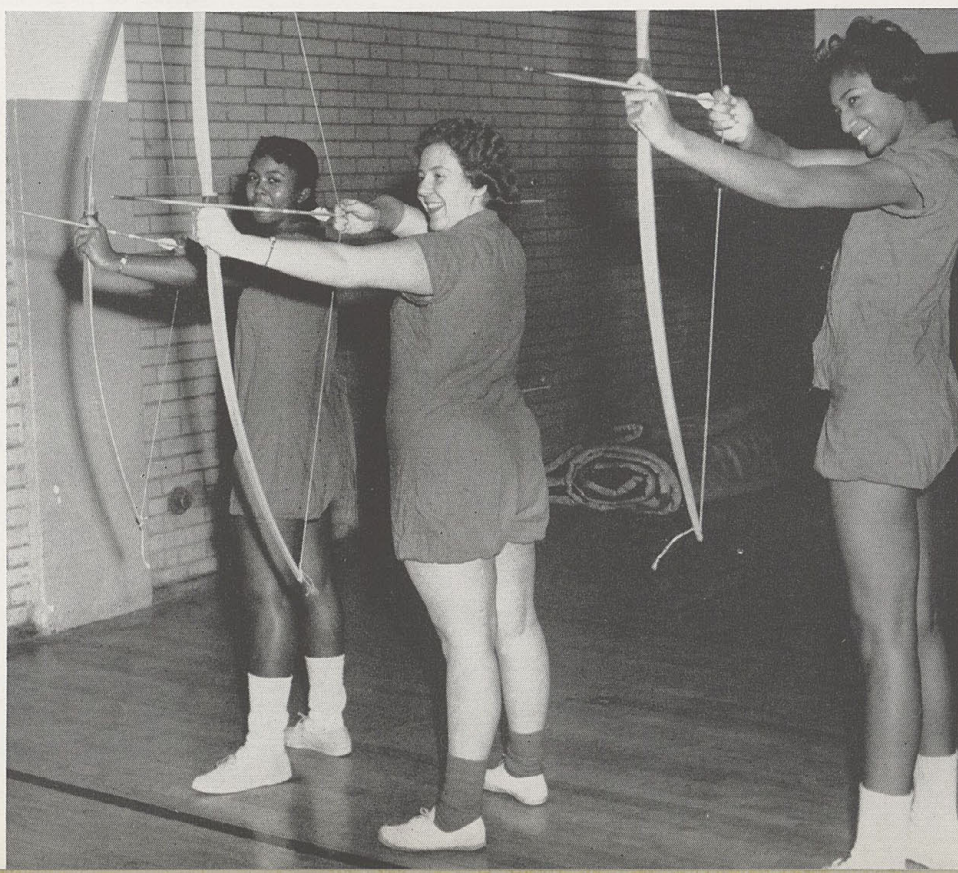

They learned to express their feelings as they listened to

many different types of music. Modern dance was held once a week for two seasons. Bev Laney and Gloria Hall were sportsleaders.

Cupid's Around

Under the instruction of sportsleader, Candie Hudson, G.A.A. girls learned to have full control and an even aim in archery. Practices were held every Monday.

In the picture at the right are Rowena Lewis, Carolyn Mapes, and Candie Hudson.

Staff, Advisors Pool Effort to Complete Annual

"The Goddess We Adore" emerged as the chosen theme for the 1962 Hughes Annual after three heated meetings of the thirty-member staff last May. Dozens of themes had been suggested and discarded before the co-editors, section heads, typists, art staff, and advisers finally reached agreement on the theme.

Once begun, work on the '62 yearbook progressed rapidly. A dummy, made up by the staff to indicate the approximate position and size of each page of the annual, was taken to Nashville during this summer by the co-editors and adviser, where the printing company representatives suggested improvements and prepared a professional copy of it. When school began in the fall, the Annual Staff learned the real meaning of their job. Every day sixth bell they worked in the small cramped annual room on the third floor. Each section head wrote an average of nineteen headlines and twenty captions. In addition, each had to make sure that all pictures were taken and properly identified and that all proofs were correct.

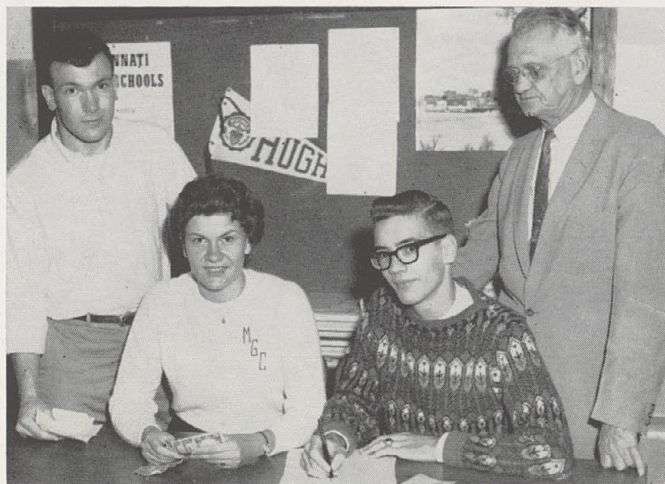

These section editors have the responsibility of having their sections in the hands of the publishers before April 1. Judy McDaniel heads junior high; Rita Asher, underclassmen; Carolyn Mapes, G.A.A.; Rita Lenning, student life; Bonnie Kraus, academic; Mary Puthoff, seniors. Fred Wescoe keeps the camera clicking in classrooms and corridors.

Club Acquaints Members with Advantages of Teaching

The main purpose of the Future Teachers of America Club is to help students realize the opportunities and advantages of the teaching profession. FTA is affiliated with the National Education Association and the Ohio Education Association.

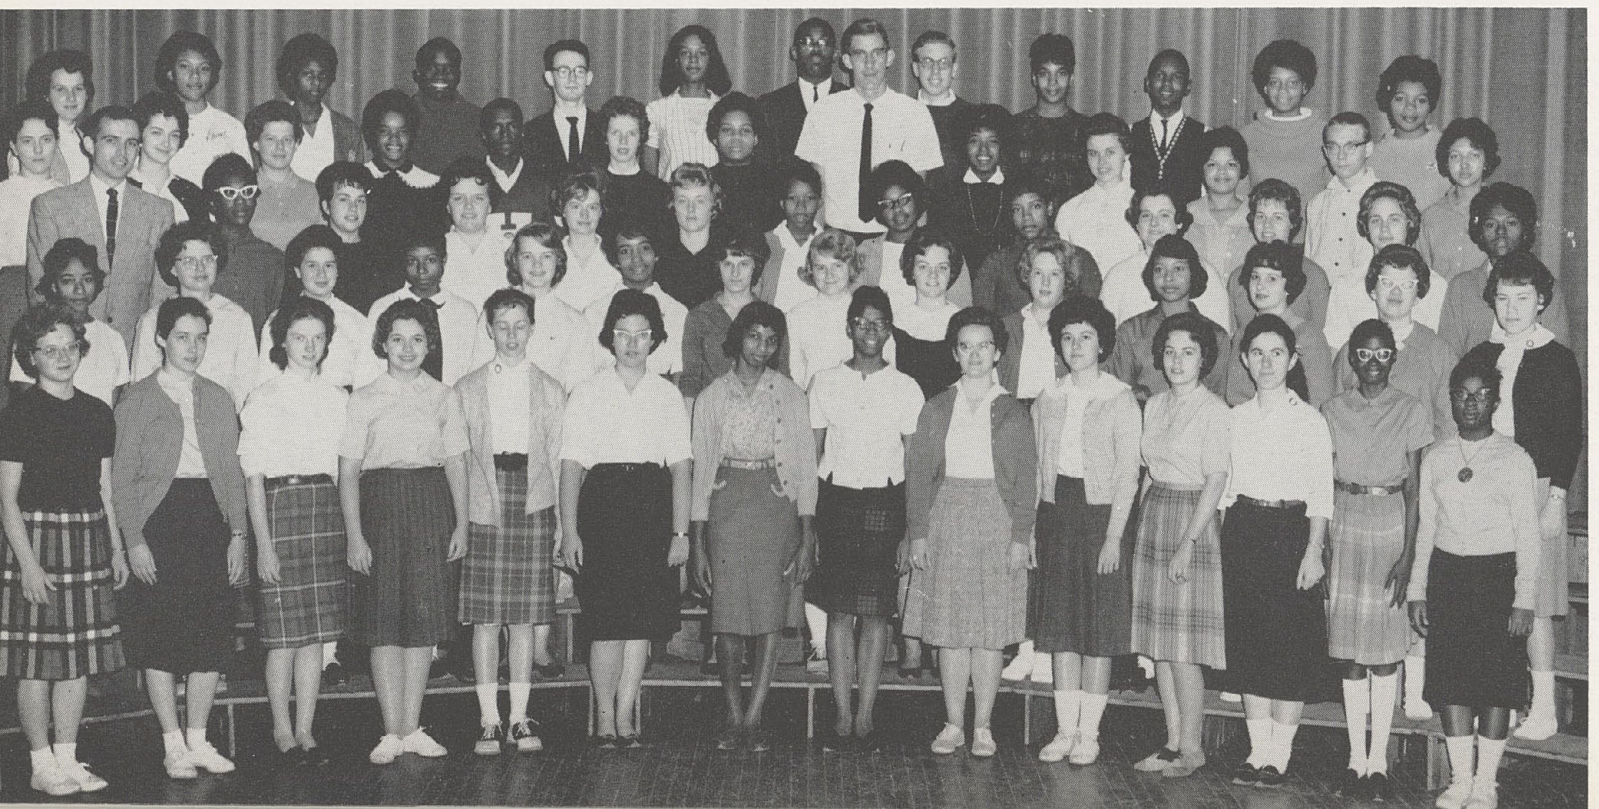

Students in senior high who maintain a C qualify for

membership. Mr. Albert Rouse, counselor for grade ten, sponsors the club.

Members made trips to Schiel Elementary School, the College of Education at the University of Cincinnati, Miami University in Oxford, and the annual FTA city-wide rally at Central High School.

Classical Music Emphasized For Stringed Instruments

Stringed instruments can be the most expressive of all instruments. The members of the String Ensemble strive to develop technical skills through the practice of scales and exercises. This will prepare them for performances of works by famous composers such as Mozart, Haydn, and Beethoven.

Two cellists, Mary Lee Wehman and Kenneth Harlan were awarded Superior Rating I in the District Music Contest at Miami University.

Mr. Curtis hopes that the string program at Hughes will grow each year until a fine orchestra will take its place as part of the Hughes music curriculum.

Mr. Curtis Proud of Band's Contributions to Musical Life of Goddess We Adore

Mr. Gilbert Curtis, popular director of the Big Red Band, works tirelessly to provide an excellent musical education for students interested in instrumental music.

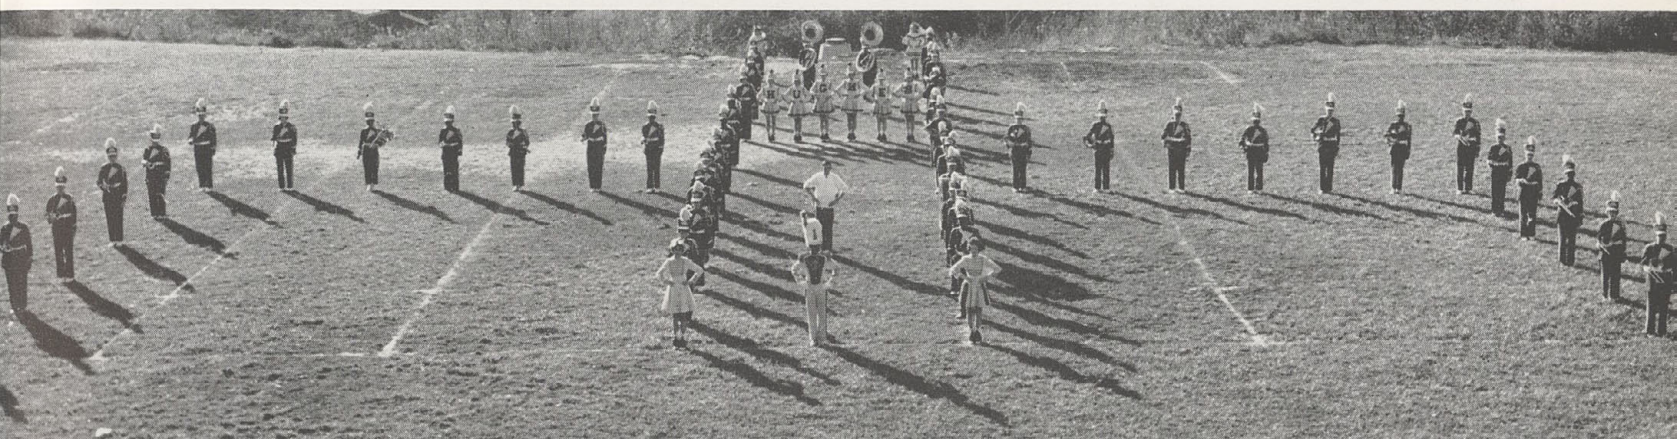

The Hughes Marching Band makes the "H" formation at Coy Field. They demonstrate agility and poise in performing this.

Throughout the school year 1961-62, the band performed at various school functions. The band, well-trained under the direction of Mr. Gilbert Curtis, presented half-time shows at both home and away football games. Lively music and clever, well-executed formations pleased the crowd and showed the results of daily practice during the fall.

During the year, the band played at the Spring and Christmas concerts and the "Merry-Go-Round." The Pep Band added spirit to pep assemblies.

This year's Music Festival was held at Miami University. From Hughes, the winners of first-class ratings in the senior high division were as follows: Marylee Wehman and Kenneth Harlan, cello duet, with piano accompaniment by Alice Brand; Connie McKinley, Nancy Wallace and Roger Robinson, clarinet trio. Second-place ratings were earned by George Hoffman, saxophone solo; Tommy Morris, cornet solo; and Bill Goetz, trombone solo.

Another favorite and traditional formation is that which represents the Hughes tower as seen from the entrance.

Varsity Cheerleaders Encourage Teams, Inspire Victory

The varsity cheerleading squad consists of Sandy Keller, Judith Leek, Marilyn Grimm, Judy Siebert, Sue Rule, Karen Merchant, Captain; and Carol Schell, pictured above. It is sponsored by Miss Verlie Meyers.

Reserve Cheerleaders

Leading cheers at reserve football and basketball games are reserve cheerleaders, Sue Bales, Carol Johnson, Sandy Weishaupt, and Deidre Faulkner. Assisting the regulars when it is necessary are alternates, Margaret Hoff and Sheryl Quinlan. The girls practice once a week in the girls' gym to perfect old cheers and make up new cheers. It is the cheerleaders' job to instill pep and spirit in the crowds at football and basketball games. The sponsor of the reserve cheerleaders is Mrs. Rosemarie Libbert, gym teacher.

Gargoyle Work Rewarding

The first *Gargoyle*, as it appeared in 1927, was a mimeographed, pocket-sized sheet. Today, the *Gargoyle* is an 11" by 17" four-page printed newspaper. Miss Hazel L. Koppenhoefer served in the advisory capacity until her retirement in 1960. Mr. John P. Arrington became the new adviser at the beginning of this school year.

Besides the change in advisers, a change has been made in the staff and the newspaper itself. In addition to the former four page-editors, there are two managing co-editors. The newspaper is published every two weeks on magazine-style paper.

Working on the *Gargoyle* staff is a rewarding experience. Journalism develops writing potentiality. The students also develop creativity and imagination by writing articles, laying out pages, and meeting deadlines.

Staff members have participated in activities other than setting up the *Gargoyle*. They interviewed such personalities as Bret Halsey and Senator Barry M. Goldwater and toured the *Post-Times Star* building.

"H" Club Wins Letters

Founded in 1948 by Mr. Alan Kindschy, H-Club is now sponsored by Mr. Will Hundemer and Mr. Howard Thomas. Membership is open to any boy who has earned and received the letter "H" in any varsity sport. The club meets bi-weekly on Thursdays and participates in activities designed to keep the members physically fit.

H-Club is affiliated with Pep Club in an effort to promote improvement of relationships between the athletic staff, athletes, and the student body. The club strives to live up to and maintain ideals of good sportsmanship and good conduct.

Mr. Thomas and Mr. Hundemer are the capable sponsors of H-Club.

The H-Club has a five-fold purpose:

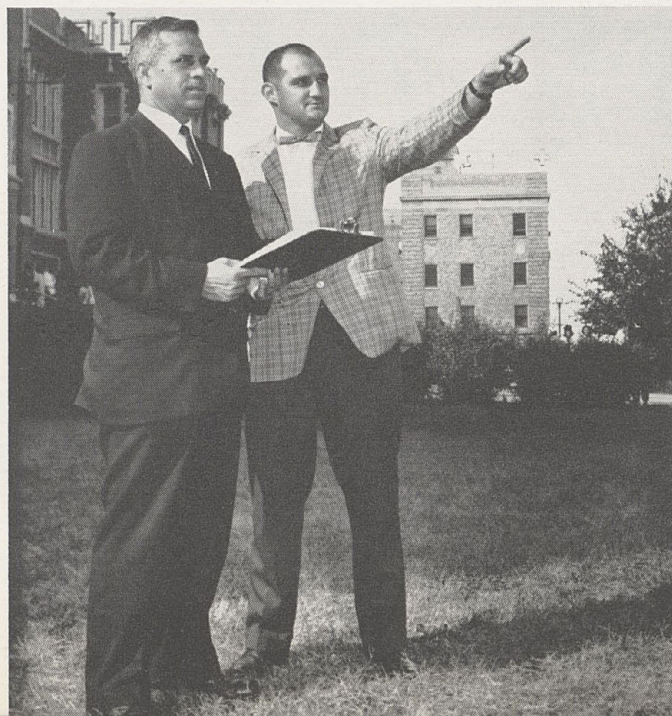

To make possible an organization of athletes which will have prestige and high standing in Hughes for all races, colors, and creeds.

To have a club for which any boy is eligible providing that, by his own effort and achievement, he has won a varsity letter on any recognized athletic team.

To encourage and create a strong desire for the boy who hasn't won his letter to try harder and put forth more effort in order to become a member.

To create an "all for one and one for all" spirit so if a boy starts to have difficulties in school, his fellow lettermen will help him to get back his interest.

To maintain a club which will promote leadership, poise, stability, clean living, and a desire for further education.

Sellers of Publications

"Someone please buy my last *Gargoyle*," is a familiar plea heard in many junior high homerooms every other Wednesday morning. Another well-known cry is, "Buy an Annual now, or you'll be sorry in June!"

Credit for the sales of Hughes publications must go to Annual and *Gargoyle* homeroom representatives. The financial success of the newspaper and yearbook depend on the efforts of the representatives who work throughout the year.

Achievement Emphasized In Junior High Honor Society

The Hughes Chapter of the National Junior High Honor Society, founded four years ago, consists of students maintaining a 3.5 or higher average from the beginning of seventh grade and rating high in character, citizenship, leadership, and service. This year the society sponsored a

dance to raise money for the spring banquet. Among new members inducted this year were Marie Ludeke, eighth grade; Melinda Boyles, Susan Keller, William Rippetoe, Vernon Schell, and Nancy Stemmer.

Society Honors Scholars

Led by president Rodney Rupp and the Executive Board, Honor Society began several successful service projects this year. The group sponsored a special assembly, at which teams from the various grades in the senior high competed in a fast-recall quiz similar to the popular television game, the "College Bowl." Later in the year the Honor Society students volunteered their services during the afternoons and weekends to local hospitals. A banquet was held in May to honor the outstanding seniors and permanent members.

Established by Mr. Elmer Kizer, former principal of Hughes, in 1919 as a service club, Hughes Club is one of the oldest clubs at Hughes High School. Junior and senior boys who have good character and an excellent scholastic record are eligible for membership.

For fund-raising, the boys sponsor the John Alden-Priscilla dance at Thanksgiving time. For fun and fellowship, the members travel to Butler State Park in Kentucky one week-end in May. For a feeling of living up to its purpose as a service club, a gift is presented to the school each year. Some of the former gifts include a television set, a typewriter for the annual room, a trophy case, and a gift of \$250.

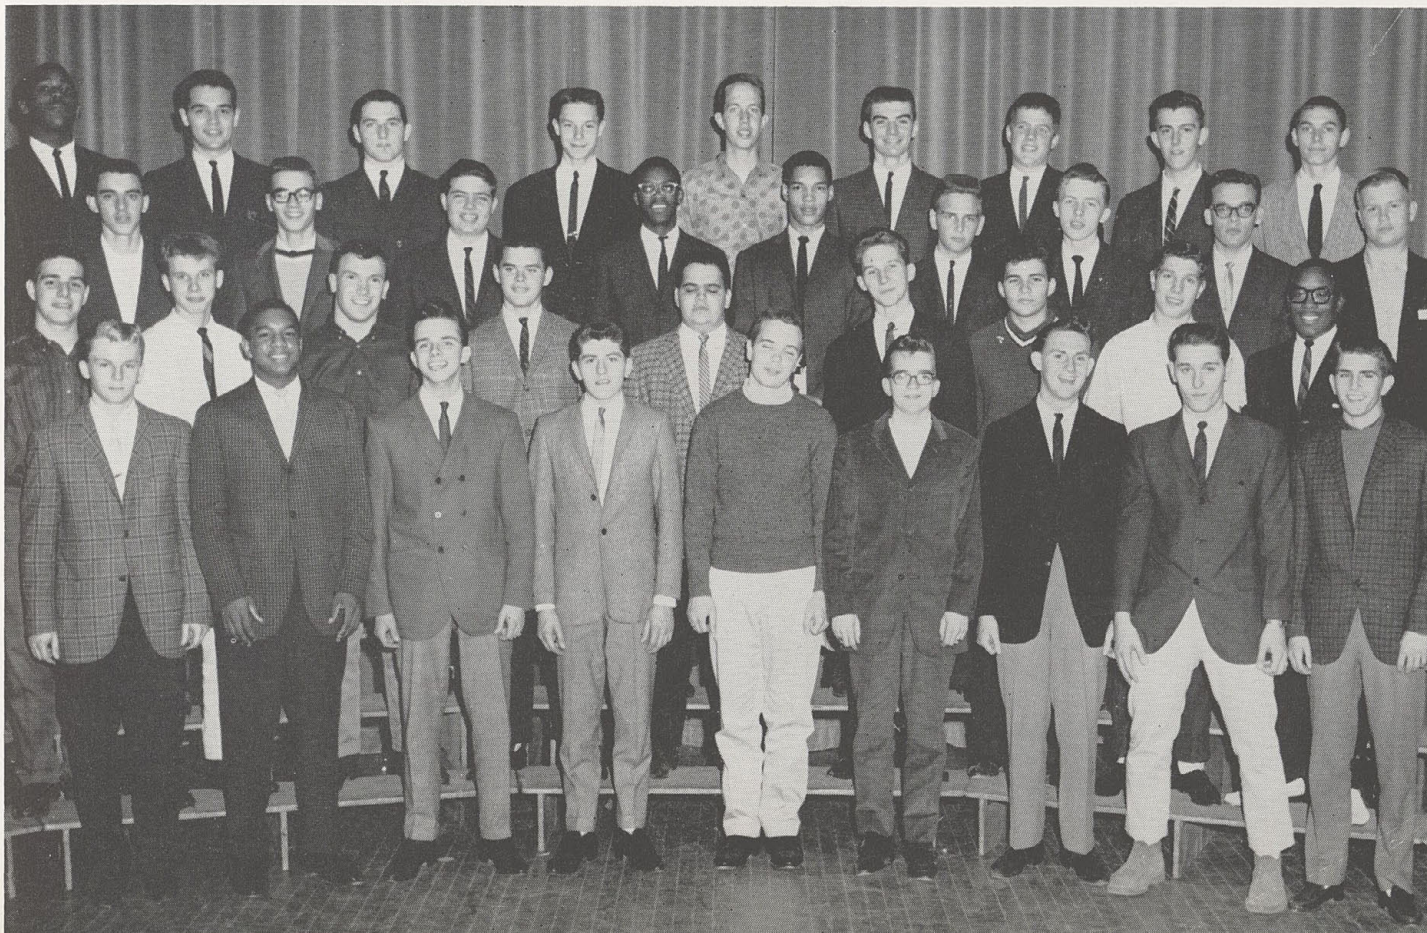

The club's faculty sponsor is Mr. Bruce Plummer.

Officers: D. Stith (Recording Secretary), E. Weise (Treasurer), D. Sollberger (President), J. Keller (Sergeant-at-Arms), B. Slattery (Corresponding Secretary), P. Kamleiter (Sergeant-at-Arms), S. Bach (Vice-President), was absent from the picture.

Huzettes Encourage Service

Huzettes is a traditional honor and service club sponsored by Miss Ann Rasche. Club membership is open to sophomore and junior girls maintaining a 'B' average. The aims and purposes of Huzettes are good citizenship, leadership, friendship, and service to others. Meetings are held twice a month under the leadership of its cabinet of officers.

Officers: M. Ratliff, President; C. Cascaddon, Treasurer; S. Cole, Recording Secretary; Miss Rasche, Sponsor; B. Petra, Corresponding Secretary.

Installation of new members and officers is held at a spring tea. Corsages are awarded to those newly elected as officers and to those inducted as new members. A fall tea is given in honor of the girls' mothers and teachers.

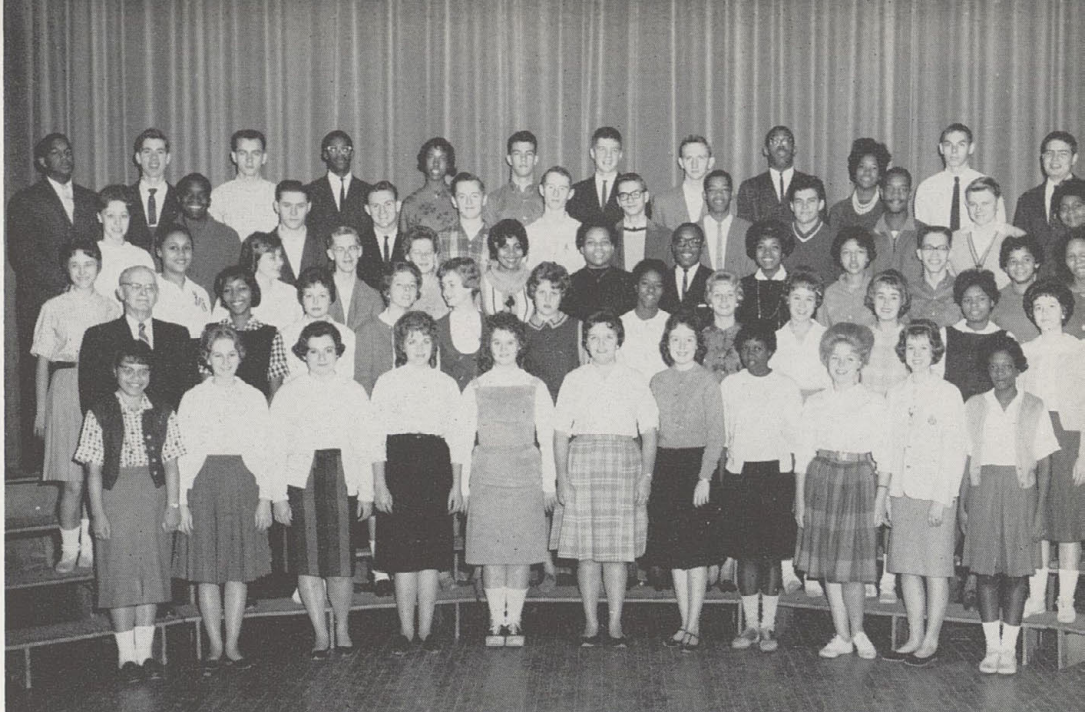

Each year the club has service projects of ushering for several school functions. Huzettes' funds are raised by selling Easter eggs.

Junior Council Increases Interest in Politics, Government

Members of the Hughes Junior Council on World Affairs have learned much about politics, history, and government this year. By participating in group discussions and by attending various conferences on special socio-economic problems, interested Junior Council members have been able to increase their knowledge of today's world. Topics of discussion have ranged from "What the U.S. Should Do

in Latin America" to "Causes and Cures for Unemployment," and often heated debates developed.

Presiding over the council this year is Shirley Chavis. Assisting her are Buford Bryant, vice-president; Mike Ormsby, secretary; and Harry Tyus, treasurer. Mr. Arthur Gray is sponsor.

Officers: S. Whitis (Vice-President), S. Moses (President), B. Davisson (Secretary), S. Campbell (Treasurer), S. Bankemper (Publicity Chairman), C. Haven (Co-Chairman).

Health Careers Help Promote Medicine

"A healthy person is a happy one." Members of the Health Careers Club interested in becoming nurses, medical technicians, and pharmacists try to promote this idea through their activities. Monthly meetings are conducted under the supervision of Miss Jeanette Nurre, faculty sponsor. Health films and guest speakers of various medical professions add interest to the business meetings. This year members toured a hospital and did volunteer work to earn pins of service recognition. They also participated in a Career Day when each member visited a different hospital.

Honor Leaguers Active

Helping new seventh graders, selling candy apples, and modeling current fashions—these are just a few of the services performed by Honor League girls at Hughes. Honor League, a service organization for all senior girls with a C average or better, is celebrating its forty-eighth birthday this year with many projects beneficial to the school.

Among the most important projects of Honor League are Freshies' Aids and the "Big and Little Sister Party" for incoming seventh graders, the Candy Apple Sale, the Mother-Daughter Christmas Tea, the Spring Fashion Show, and the Board picnic. In addition, this year Honor League sold lollipops to the seniors on Pigtail-Bowtie Day.

First-rate stage productions are vitally dependent upon the Stage Crew, headed by Albert Knopp and directed by Mr. Kalchek. The boys behind-the-scenes are kept busy regulating lighting, pulling the curtains, perfecting sound effects, maneuvering scenery, and caring for the props.

Merchandising Students Co-Op

"The customer is always right!" Students in Mr. Siddall's merchandising class and club learn this early through a co-op system. The club promotes sales, office work, and general merchandising in downtown department stores. Through this system the members are able to work three half-days a week.

The club is affiliated with the Distributive Education Clubs of America. Field trips to Formica Company, Pepsi-Cola Bottling Works, and Procter and Gamble were a part of the year's activities. Attending the D.E.C.A. convention in Columbus, the U.C. Fair, and the Employers' Banquet, and selling candy were the other projects.

Commercial Club Promotes Many Business Interests

Beta Chi was founded in 1953 by its present sponsor, Mr. Charles Geraci, a teacher in Hughes' Commercial Department. The club was established to encourage students to go into the commercial field and to supplement the existing curriculum.

Annually the group visits many different business establishments of Cincinnati and surrounding areas. This practice has increased student knowledge of the constantly developing business world. This year Beta Chi was conducted by the Manager of Personnel on a tour of the Ohio Life Insurance Company. Every year the club plans to do something entirely new. Beta Chi attempts to give the students a small venture in making money. A Christmas wrapping-paper sale provided this year's funds and business venture.

New members are accepted each year. The only membership requirements are that the student must have at least one credit in a business subject with a 'C' or better average. Although Beta Chi is one of the comparatively new clubs at Hughes, it has achieved great success and growth.

Having separated from last year's Foreign Language Club, students of French reorganized Le Cercle Francais, under the sponsorship of Mrs. Elizabeth Parker and Mrs. Jannet Murphy.

Programs and social activities at the meetings provide an interesting and entertaining background for many of the regular language studies. Meetings are held once a month and are conducted mainly in French. Some of this year's activities included a Christmas Party or Fete de Noel, in the true French manner, a Continental breakfast in the spring, an enjoyable "sing along" program, and a picnic as the last meeting.

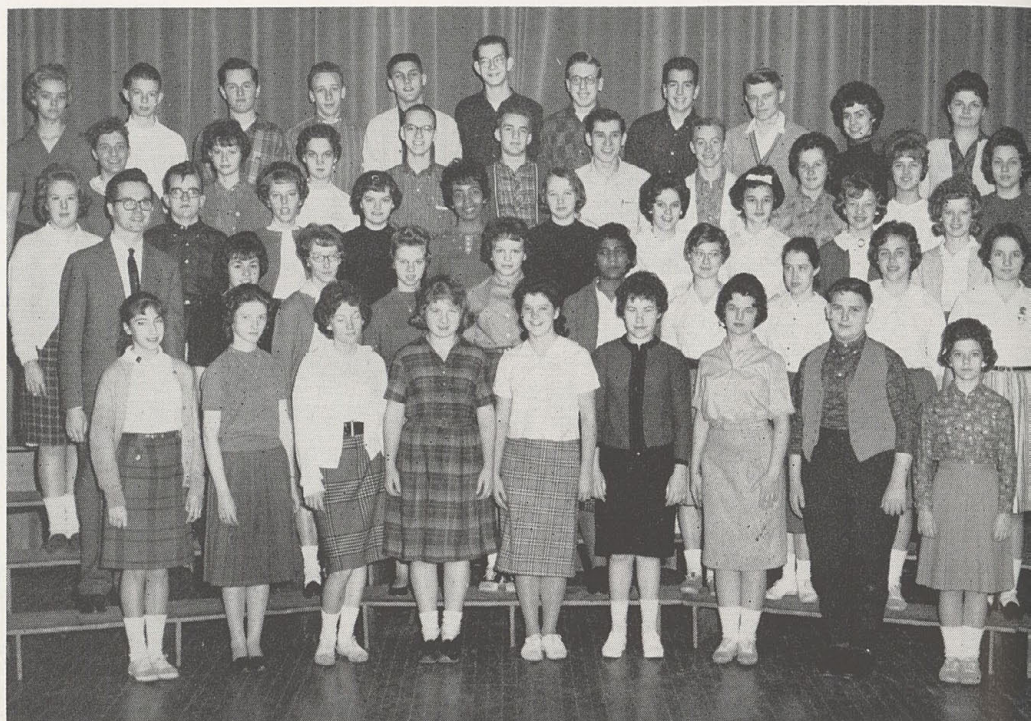

Officers are elected from third- and fourth-year classes at the beginning of the school year. The club members are proud of their blue and gold emblem containing a French fleur-de-lis. They strive to live up to their motto—"Noblesse Oblige."

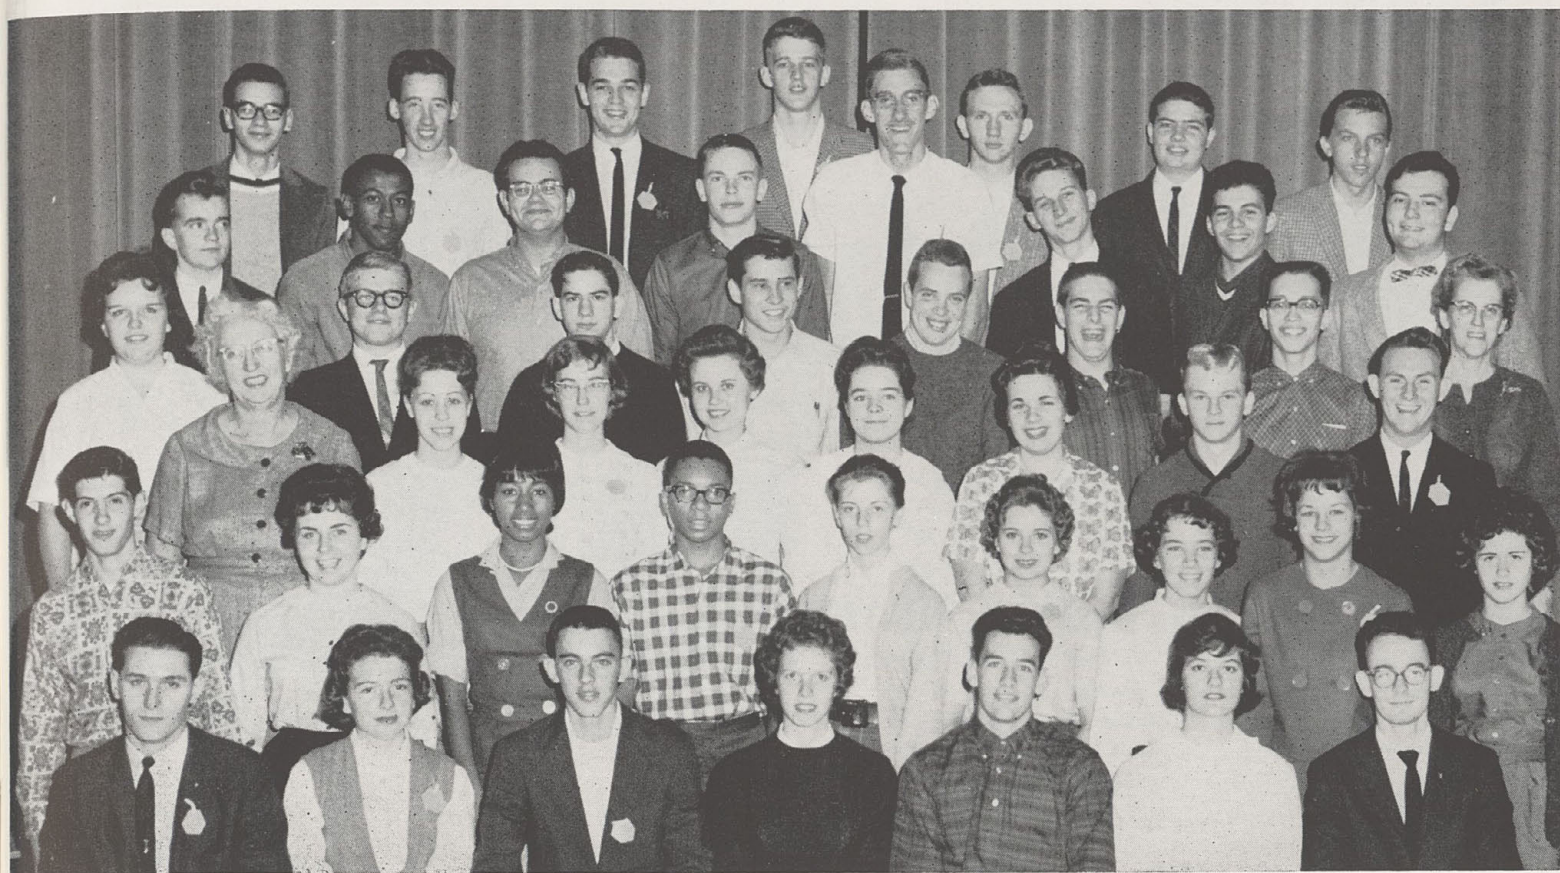

Language Clubs Entertain, Stimulate Subject Interest

A Christmas fiesta was held in December by the Spanish Club. The members broke the traditional pināta and sang carols in Spanish.

Math Interests Promoted

1962 has proved an interesting and exciting year for members of the Hughes Mathematics Club. The club members have heard many explanations of new and fascinating mathematical methods and have learned about college admission requirements for students interested in careers related to math and science. In February, the club heard Mr. Paul Bauer speak on telescopes and later visited the Eden Park Planetarium. Other speakers during the year included Miss Gladys Kloak, demonstrating speed multipli-

cation; Dr. H. Dangel, discussing college admission requirements; Mr. Merville Bratt, explaining an industrial production problem; and Mr. E. Farmer, speaking about the National Science Foundation summer programs for students.

Officers of Math Club this year are President, Lucy Gangloff; Vice-President, Jandyl Muhlberg; Secretary, Jim Seibel; and Treasurer, Dave Zuefle. Executive Board members are Betty Hamm and Michael Sales. Miss Ruth Austin and Miss Gladys Kloak are sponsors.

1962 Majorettes Perform

Hughes' marching majorettes were chosen in the spring of 1961 and practiced twice each week throughout the summer. All but three of the girls, former band members, were inexperienced in marching with a band. From September through November, the majorettes practiced with the Senior Band under the direction of Mr. Gilbert Curtis during sixth periods every day. In addition to rehearsing with the band, they studied under Dottie Moeller. Dottie was graduated from Hughes in 1958. As Head Majorette at the University of Cincinnati, she coached the girls in their style, rhythm, and poise.

This year's majorettes were Jean Aldridge, Cheryl Armstrong, Mary Brown, Linda Howard, Pam McCabe, Janet Shunk, Jerri Smith, Laura Smith, Sherlean Stinson, and Patsy Woodell. The majorettes participated in all pep assemblies, and at football games although they are not directly associated with the Hughes High School Pep Club. They also marched in the University of Cincinnati's Homecoming parade and on Band Day at Nippert Stadium.

Pep Club Arouses Spirit

Largest pep club of its kind in Cincinnati is the boast of Hughes Pep Club. Over half the student body holds membership and actively supports all Pep Club functions. Members arranged all Pep rallies, had a special section at football games, sponsored two trips for away football games, and presented the "Ides of March" dance.

This year's club, sponsored by Mr. Melville Byles, is ably led by its officers and an executive board. The executive board was elected last year by the ninth, tenth, and eleventh grade members. Immediately, plans were started for this year's activities.

Members can be proud of the way they upheld the fame and spirit of "the Goddess We Adore."

Hi-Y Maintains Standards

Paul Kamleiter delivers a speech on "What Do You Give to Your Country?" in competition for the governorship of Ohio.

With a nineteen-year history entirely under its present sponsor, Mr. Paul Bowers, the Senior Hi-Y has good reason to be proud of its contributions to home, school, and community. This year's members continue to maintain high standards of Christian character, earn good grades, and participate in extra-curricular activities.

Hi-Y engages in community service projects. This year the boys visited Drake Memorial Hospital with Senior Y-Teens, traveled to Wesley Home along with Honor League, and went caroling with Y-Teens at Good Samaritan Hospital at Christmas. They took cookeis and ice-cream to the institutions as well as happiness and cheer. Two other projects included selling postcards and candy.

Senior Hi-Y sends representatives annually to the Camp Nelson Dodd Leadership Conference and to the model state legislature held in Columbus. Hughes' Hi-Y was honored by the election of Paul Kamleiter, a senior, to represent Hamilton County Hi-Ys in the race for governor.

Council Leads, Governs Hughes Student Body

Hughes Senior Student Council has the responsibility of governing the students of our school. The council, composed of representatives elected from each homeroom, has Miss Gladys Kloak as its faculty adviser. All representatives must attend the general meetings held once a month in the south lunchroom. A new procedure was initiated during the last half of the year for the Council meetings. After the regular business meeting, the group broke up into committees to work on their separate projects. Progress reports were submitted to Miss Kloak at the end of the committee sessions.

The Council helped provide Thanksgiving baskets of food for needy families in the community this year, and performed many other services for the school. A special com-

mittee sent get-well cards from the Student Council to faculty members who were ill. The Council also operated the Lost and Found Department for the Hughes students.

Better citizenship was the goal of many Council projects this year. First, the Council initiated a plan to clear the lunchroom and hall bulletin boards of posters from long-past events and to prevent early removal or destruction of current posters. A code was made up to enforce the rules for placement of posters, and fines were charged for violations of the code. Second, the group considered methods of improving behavior at assemblies. They decided, on the first offense, to send warnings to the classes whose behavior was unruly and, for repeated misbehavior, to bar the class from attending assemblies.

"Horseplay Hurts" was the main theme of the Student Council citizenship and safety campaign. Special "throw-outs" were distributed to the students as a part of this campaign during the week of January 29-February 2, and a special contest was held. Each day one student was chosen, at random, to receive a prize. The winners had to be wearing the Council "throw-out" to receive their prize. Other themes suggested for the campaign included "Don't Gossip—Arrows Hurt," "Would You Get the Job?", and "Do Your Actions Recommend You?"

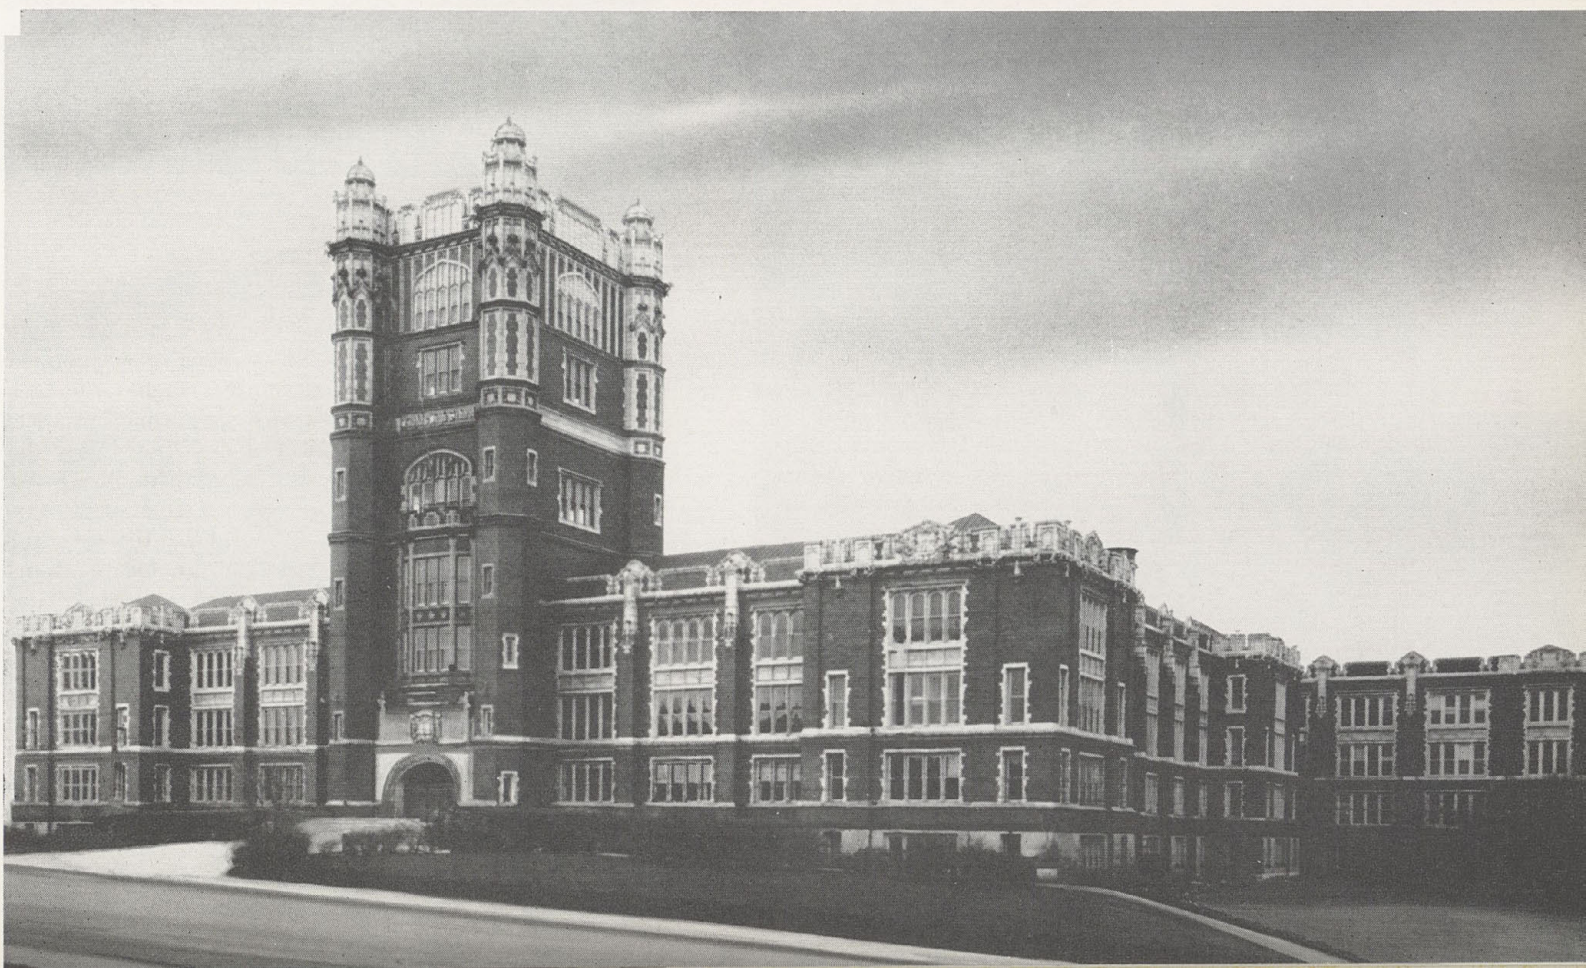

The Project Committee also completed several service projects this year. The committee made tray favors for one of the local hospitals, decorated Valentine tray favors for the faculty, celebrated Girls' Week by honoring the various classes of girls, and sponsored a bake sale.

Final activities of the '62 Council were the Classical Assembly and the Point System Assembly. The first is the annual program sponsored by the Council to provide classical musical entertainment for the students. The second is the annual recognition assembly for outstanding seniors. Each of the most active seniors receives an award for his participation in school and extracurricular activities. Lucy Gangloff and Kellus Vanover took charge of the Classical Assembly, while Bonnie Kraus and Judy McDaniel supervised the Point System program.

The Student Council Board including F. Wescoe, L. Ramundo, Miss Kloak, Sponsor; S. Thompson, T. Brillinger, B. Kraus, J. Oettinger, J. McDaniel, J. Keller, S. Wilkymacky, M. Coshun, W. Dearwester initiate their school clean-up campaign.

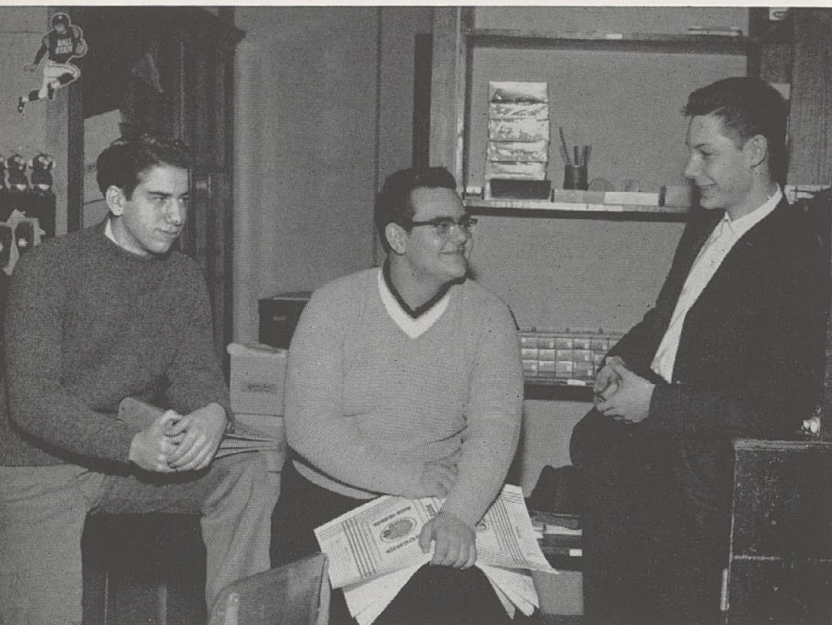

This is the domain of Hughes' governing body, the Senior Student Council. Here the Council works diligently and efficiently.

Gargoyles and Annuals Sold to Senior High

Every other Wednesday morning senior high homerooms were filled with newspapers, Roto magazines, and confusion. Students clutching dimes in their hands clustered around the *Gargoyle* representatives, waiting to buy papers so they could read the latest school news.

As January 19 approached, the life of the homeroom Annual representatives became more and more hectic. Every morning they collected money, gave speeches, and made out receipts. All money had to be deposited by March 2.

Y-Teens Provides Friendship

Junior Y-Teens is a girls' service club sponsored by the Young Women's Christian Association. Membership is open to any girl in the seventh, eighth and ninth grades. The club promotes friendship among the members. Selling potato chips is the club's only money-making project. Members went caroling at Christmas time and had a swimming party

at the Y.M.C.A. The club also has two meetings a month to discuss the business of the club. Officers of Y-Teens are: president, Ruth Day; vice-president, Phyllis Eken; secretary, Marilyn Tilford; and treasurer, Melvina Simmons. Miss Jane Loyd, a junior high home economics teacher, is the sponsor of Junior Y-Teens.

Bottom Row: P. Eken, C. Miller, P. Roberts, R. Day, G. Styles. *Row 2:* C. Worden, M. Sanford, B. Cobb, L. Hoffman, Miss Jane

Loyd (Sponsor). *Row 3:* C. Lay, A. Brand, M. McMickle, M. Tilford, L. Rainey.

Senior Y-Teen Girls Serve Others

Executive Board—Row 1: S. Keller, M. Puthoff, Miss Beaver, Sponsor; C. Nantz, S. Hudson. *Row 2:* R. Schneider, M. Coshun, J. McDaniel, M. DeWar.

"To build a fellowship of girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians" — this is the purpose and motto of Senior Y-Teens.

The club, a world-wide organization, is the high school division of the Young Women's Christian Association.

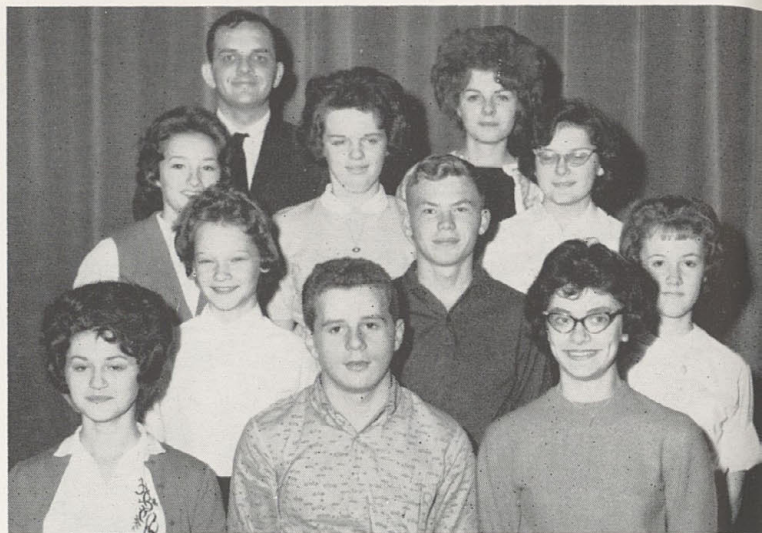

With Miss Dorothy Beaver as sponsor, the executive board and the girls worked together to promote the purpose of Y-Teens through many activities. The members visited Drake Memorial Hospital, the Pogue home, and an orphanage. They made tray favors for the Children's Convalescent Home, sponsored a dance in March, and held their annual potato chip sale.

Student Council Promotes Better School Citizenship

Student Council is one of the busiest junior high organizations. It sponsored a bus trip to a football game, Fall and Spring Dances, and distribution of scholastic and activity awards.

The council also remembered others when the members collected canned goods at Thanksgiving, decorated the playroom at the Convalescent Home at Christmas, and sent get-well cards to ill students.

Officers of Student Council are: president, Donald Towles; vice-president, Mary Jo Ciafardini; recording secretary, Diane Ritter; corresponding secretary, Ruth Ratliff; and treasurer, Gary Dickerson. The officers, with the help of Mr. Prior, sponsor, plan all council activities. Members of the council are chosen from each seventh, eighth, and ninth grade homeroom.

Executive Board—Bottom Row: D. Ritter, D. Towles, M. Ciafardini. Row 2: R. Ratliff, G. Dickerson, S. Gomien. Row 3: S. Kappner, J. Gump, S. Gerdon. Row 4: Mr. Prior, Sponsor; B. Bowland.

Hetzer, N. Nash, S. Gerdon, B. Boaling, S. Cox. Row 4: M. Ciafardini, J. Gemp, J. Gray, R. Miller, D. Boettcher, G. Dickerson, R. Williams, P. Halvorson, D. Towles.

Sitting: S. Fay, S. Smith, S. Thompson, S. Keller, E. Rogers, A. Owens, A. Smale, M. Schweiters, J. Zaph, J. Siebert, L. Smith.
Standing: P. Neumann, L. Stewart, R. Schneider, B. Coffey, A. Ilijin, J. McDaniel.

Tausia, Last to Bow Out

Now in its 35th year of existence, Tau Sigma Chi, or Tausia, is the last sorority left at Hughes. When the Alpha chapter was first organized, the founders of the club set high standards of honesty, scholarship, integrity, and friendliness for membership. Tausia's colors are black and gold, and the pin is a black triangle with a gold "T" and gold border on which are mounted three pearls.

The Tausias show their interest in the community by participating in charitable activities, such as selling Easter lilies for the crippled children, donating a Thanksgiving basket to a needy family, and furnishing a layette for a less fortunate child.

The social activities of the year included a Christmas formal, a mother-daughter picnic, slumber parties, hayrides, a Spring formal, and a city-wide convention with the other chapters of Tausia.

The girls take special pride in their Mothers' Club, which helps the girls with financial problems. It serves as a social club for mothers of Tausia actives.

Seniors—Sitting: Judy Siebert, Rosalind Schneider, Rita Lenning, Judy McDaniel. *Standing:* Alice Owens, Paula Neumann.

Mr. Curtis looks glum, wondering if the 1962 M-G-R will ever "Get Up and Go."

Nikki McCoy practices "making up" her nearest victim.

Miss Haas yells orders at cast members.

Mr. Hammons beams at the success of 1962 Merry-Go-Round.

More Merry-Go-Round

The finale, with all the performers singing the Merry-Go-Round song played by the band, always brings down the house.

Spanish students, Penny Hogan and Jerri Madill, decorate blackboard in Mr. Purcell's room with a Christmas scene.

Latin students reenact assassination scene. Caesar (S. Burggraf) is stabbed by B. Hamm, L. Kandil, N. Sneed, J. Reed, B. Davisson, and E. Williams.

Study and Fun Combine to Make All-round Students

Thelma Stevens and Jimmy Setters have a swingin' time at school dance.

Officers of Junior Honor Society: J. Beckman, P. Waymer, N. Warmus, J. Heminger, and A. Brand.

That's the new Princess phone. Think what a joy to use a phone that's scarcely bigger than your hand – that feels light as a feather – with a dial that glows softly and lights up brightly whenever you pick up the receiver. You'll enjoy calls more in your own room on your own Princess phone. And, the monthly charge is so low that you may be able to pay for a Princess extension yourself. Maestoso

The musical score is written in 4/4 time with a key signature of two flats (B-flat and E-flat). It consists of four systems of music, each with a piano accompaniment and vocal lines. The tempo is marked *Maestoso*. The lyrics are as follows:

She's the goddess we a - dore Is
May her strength remain for aye, Our

Hughes, And we love her more and more Our Hughes. Oh, we
Hughes, Though in time her walls de - cay, Our Hughes; Oh —

hope to keep her fame In — every kind of
Phoenix - like she'll rise — till her towers strike the

game — And all praise be to her name, Hughes, Hughes, Hughes!
skies — And her sunset banner flies Hughes, Hughes, Hughes!

The score includes various musical notations such as *f* (forte), *mp* (mezzo-piano), and *cresc.* (crescendo). The piano part features a variety of chords and melodic lines, while the vocal part is a simple melody with lyrics.

Fine.
