

Mr. Edwin Sutton, Jr., principal, led Hughes through a most successful '65.

The words that best describe Mr. Sutton are dedicated, competent, friendly, and dignified. He is a source of inspiration and guidance for his co-operative faculty, as well as for the Hughes students.

Mr. Sutton's family consists of his wife and two children, a son attending Walnut Hills and a daughter attending Withrow. As a very busy administrator, he finds little time to pursue his hobbies of golf, bowling and swimming.

The key to Mr. Sutton's success is his interest in students, his desire for achievement, and his willingness to devote time and effort to a worthwhile cause.
