## “Key” to School Spirit

The key to Hughes spirit is in the hands of the varsity cheerleaders. They represent enthusiasm, leadership, and rapport between school and teams. The crowd looks to the cheerleaders, and their anticipations and goals become realities with each team's victory.

High-stepping feet, keeping time to lively, “music-to-march-by,” call attention to the Big Red drum major, Cliff Davis, and the majorettes. Every half-time presents an entertaining musical show, with the majorettes a key feature in cooperation with the Big Red band.
