Key Words for Band Members—"Busy! Busy! Busy!"

"Mr. C., strike up the band!" And once more the strains of music issue forth from the Hughes Big Red Band of '65. Whether on the football field or in concert, Merry-Go-Round or graduation, Mr. Gilbert Curtis ably leads the band through its musical activities. Aside from his full schedule at Hughes, Mr. C. is President of the District 12 OMEA, covering three counties.

This year the Hughes band marched at all the football games, performed in the Christmas and Spring concerts, added its zesty music to Merry-Go-Round, played for Graduation, attended the OMEA Solo and Ensemble Contest, and held its annual Jazz Concert. The proceeds of the last were used to defray the cost of private lessons for musically-talented students.

Other activities connected with the band are the majorettes, who are under the direction of Mrs. McKibben, and the annual candy sale at Christmas time to finance new uniforms.

This year the Big Red marching band represented the public high schools in the Memorial Day Parade.

Majorettes: M. Ciafardini, B. Cobb, P. Eken, Captain, B. Gilliard, K. Halliday, R. Stelbasky, M. Tilford, S. Weishaupt.

Drum Major: Clifford Davis.
