Castle's Choir on "Key"

In his second year, Mr. Ayer expanded his musical activities to include Boys' and Girls' Choruses and the Guitar Club, which made a successful beginning last year.

The traditional Christmas and Spring Concerts, the new Halloween assembly and the annual Thanksgiving program were presented in the usual outstanding manner.

Senior choir members had the honor of singing at the Fountain Square Christmas tree-lighting ceremonies. With the Ensemble and selected soloists from Senior choir, Hughes was well-represented at the Ohio Music Educators Association contests.

Proud of wearing new blazers, the Ensemble made appearances at the All-City Student Council Workshop and at several churches.

Indeed, Room 306 holds the "Key to Music Appreciation" in senior high. The state rated the choir "Superior."

These officers handle many details for the choir.
