

Swimming

The G.A.A. swim program was divided into two phases: swimming instruction and swimming teams. Girls were chosen for the swim teams after their testing in the swim trials. The swim meet this year was held at Aiken. In the course of the season, over one hundred girls participated.

Softball

The fourth and last team sport of the year was softball. It was climaxed at a Playday at Lunken Playfield, where all G.A.A. softball teams of Cincinnati Public High Schools came to match their skills with one another. Hughes girls attending this event were chosen on the basis of attendance and ability.

Hockey

G.A.A. got off to a fine start this year with more girls coming out for the first team sport, hockey. On Thursday, October 29, 1964, the girls attended a Playday held at Withrow. As in the past, Hughes' girls did a fine job, having three wins and one tie.
