The Junior High Student Council is an organization set up to promote better citizenship and good-will among junior high school students.

Early each fall there is a general election in each junior high home room to choose a person capable of representing his home room well.

After the election, the representatives meet to discuss and propose new ideas on how to better the junior high. They do this work under the able supervision of their sponsor, Mr. James Bruck.

Last fall the Junior High Student Council sponsored a dance held in the girls' gym. Although the dance was a success, the Council felt that more junior high school students should have participated—especially boys.

The Council assisted in the campaign for a cleaner school building.

**Executive Board:** H. Flack, D. Donlan, M. Kirchgessner, P. Reid, Mr. Bruck, sponsor; R. Leigh.
