

**"Not just an extension . . .  
It's my very own line!"**

" . . . And it's great! Now Dad can call home without getting a busy signal . . . and Mom . . . she says she almost forgot what it was like to pick up the phone and call somebody . . . "

It's easy to see why so many busy families are ordering second lines to handle teenage talkathons. This wonderful convenience is worth many times its little added cost.
