

Following Recipes and Patterns Produces Happy Results

Do you want to learn how to cook and sew? Would you like to study child care? Then see the Hughes home economics department. Future wives and homemakers will profit from the knowledge and experience of a qualified home ec staff.

Yes, add just a pinch of this and a pinch of that and we'll soon have a delicious salad ready for Mrs. Caskey's approval.

Mr. Campbell, new graphic arts teacher, instructs these interested junior high boys.

New equipment of modern design has updated the industrial arts department. Over ten thousand dollars worth of drafting, printing, and metal-working equipment enables Hughes students to receive training in industrial arts. Capable teachers handle this apprenticeship program for prospective workers.

Industrial Arts Department, Proud of Modern Equipment
