18-14 Record Preserves Tradition of Winning Baseball Season

"Sure, we can handle it." Co-captains Ed Casey and Jeff Reggin, returning lettermen, work closely with Coach Otto to try to gain a championship for Hughes.

Placing fourth in Public High School League play in '65 with an 18-14 record, the Big Red diamond stars maintained the tradition of winning more games than they lose. Hughes won the Morrow Invitational Tournament but Withrow eliminated the Big Reds from the District Tournament.

This year's batmen, coached by Mr. Otto and captained by Ed Casey and Jeff Reggin, hope to improve upon last year's record, which follows:
