Huzites Keep in Step With the Latest "In" Fashion Trends

Being on the go-go is fun when you're swinging in your Hullabaloo a-go-go boots.

What is happiness to the average Huzite? It may be a close victory at a basketball game or a stage full of canned goods at the Thanksgiving Assembly, or even a ride home after school. It's an increase in ANNUAL sales, a victory dance, or a date for the junior-senior prom. All of these events help make up student life. Student life is built around the everyday occurrences and special events at school and is demonstrated in the way students dress and the way they act. It is a weekly club meeting, a special committee meeting, or a trip to Merry-Go-Round. It's a-go-go boots, granny dresses, and Pigtail-Bowtie Day. It's the grin on a champion wrestler's face after a hard-fought match. Many happy moments in the life of a Huzite make him enthusiastic about school.

"Sure, as long as you can pay the carfare,"
Keith Cordes and Rosemary Stelbasky agree.
