

INTERNATIONAL

Creating the image of responsible citizens is a chief goal of the International Studies Academy. The council on World Affairs, International dinner, foreign student exchange program, world travel, and seminars on

world cultures all help to instill global awareness in Academy students.

Hola! Bonjour! Guten tag! are some of the greetings you may hear in ISA classes where stu-

dents are required to take three years of a foreign language.

International Baccalaureate students compete in tests with students from all over the world.
