1989 Review*

"Creating New Images" is the theme of this year's yearbook. But what is the new image? More importantly, what is your image? What do you think of

Withrow's new image? What do you think of Withrow's new image? "A place to learn and have a good time while doing so," says Sharonne Buckner (Gr. 11).

What word or phrase describes your image? "Smooth," says Sherri Latham (Gr. 10). Ask yourself these questions. What images do **you** come up with?

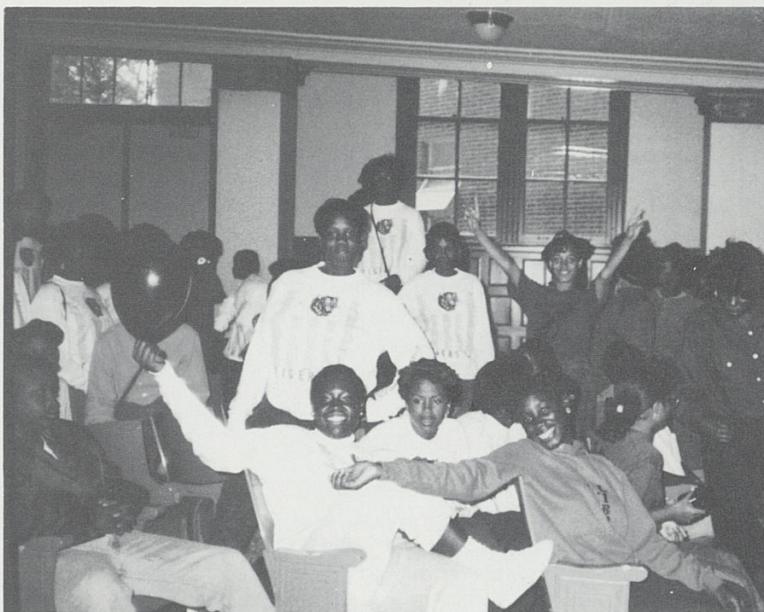

Sigs, Dux and Q's helping out for Earth Day.

Tiger on the loose. Social activities aren't the only things that are important.

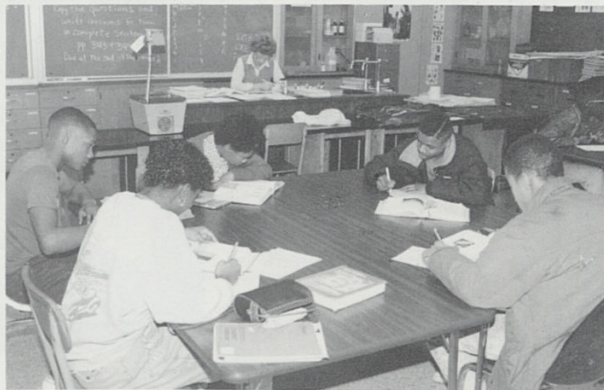

Making friends with the Friends of With-row.

"Tigers in the house, tell me how you feel!"

Put a little step in that pep!

Unification is one of our best qualities.

Diligence is another quality we possess.

Teachers, as well as students, were called upon to state their views of Withrow this year. Despite the constant talking in their classes and tardiness of their students, they really have a good image of Withrow.

For example, Coach Jackson (10 years) says that Withrow's image has changed "for the better, but we still have to convey the message to the public even more." Other teachers agree.

Other teachers feel that Withrow's image could be changed. Ms. Greene feels that she could see "more intellectual curiosity in action." All in all, the teachers said that Withrow had a positive image. Let's see about the students.

Crossing the Bridge to new images.

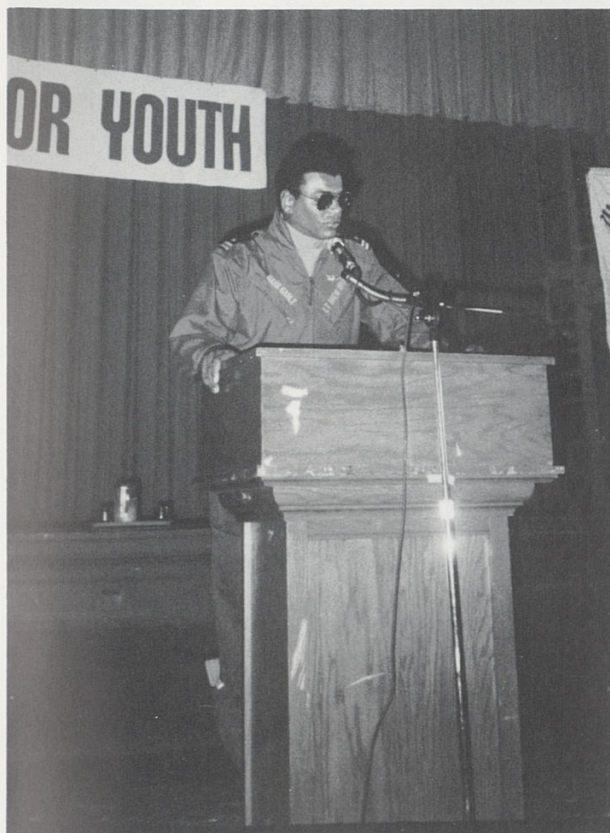

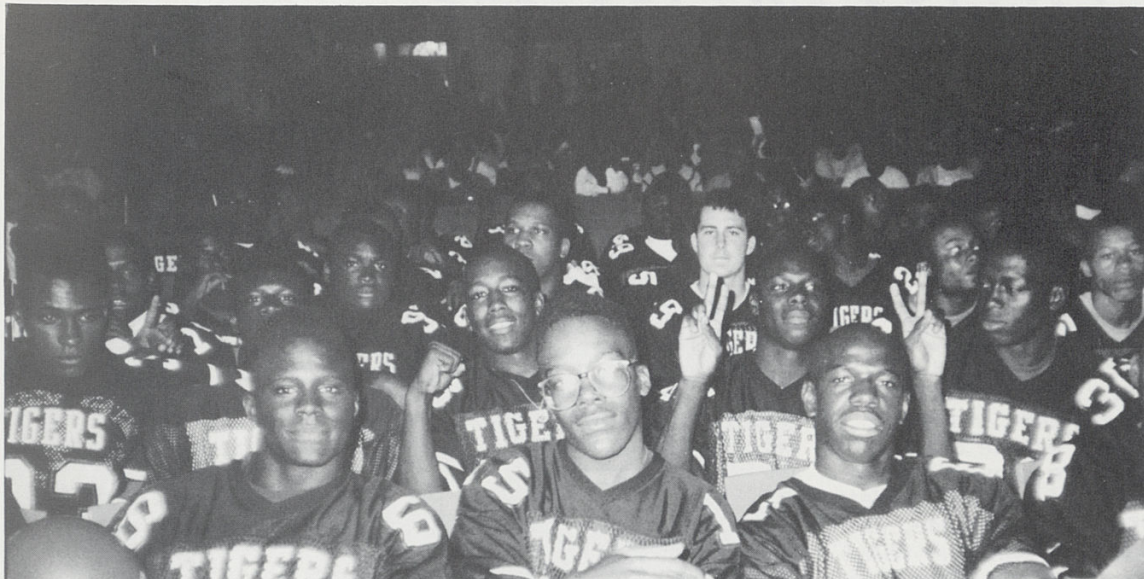

Ms. Greene: "more intellectual curiosity in action."

Basking in the glow of "love."

Homecoming

Tigers Have Trojans For Homecoming Dinner: "Tigers Are Forever."

One day the students gladly piled into Withrow was October 21, 1988: HOMECOMING DAY! Everyone was excited, because of the upcoming game and dance.

Among the people that "performed" at the pep rally were Adrian Hall and William Moffett singing Guy's **Groove Me**, and Ryan Alexander, Kenneth Riley, and Vernon Stafford making their dancing debut. The biggest event, however, was the crowning of the Homecoming King and Queen. "And the winners are . . . Norman Rhodes and Teri Ralls!"

The parade began at 6:00 p.m. at People's Junior High School. Because of the poor weather, not many Withrow students attended, but there was tremendous participation from the various organizations that were scheduled to march. Despite the small turnout at the parade, there was a large number of Tigers on hand to watch as the football team defeated the Glen Este Trojans 33 to 7.

The dance was held at Kings' Hall in Roselawn from 10 p.m. until 2 a.m. The music was great, the crowd was great, and everyone had a good time. At one point, everyone in Kings' Hall did "The Stomp". The dance rounded out the evening to a perfect Homecoming Day, not only for Norman Rhodes and Teri Ralls, but for all of the Withrow Tigers.

Norman Rhodes and Teri Ralls smile at the crowd after being named Homecoming King and Queen.

Hayride

Let's Be Hogtied and Cow Whipped — It's Time For The Hayride!!

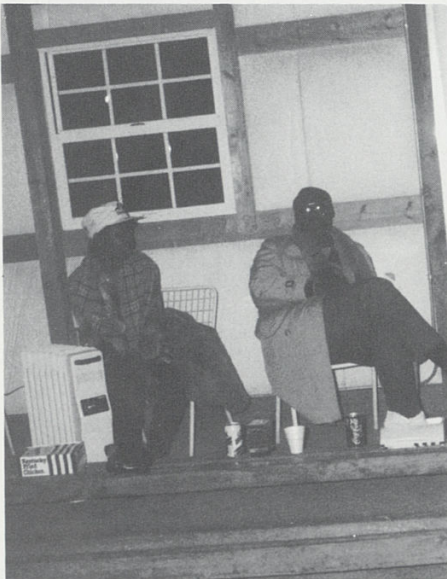

On the cold, autumn, evening of October 27, 1988, the Seniors of Withrow gathered at school for the Annual Hayride, which lasted from 7pm-12am at Sunny Brook Farm in Newport, Kentucky.

There were three separate hayrides and it seemed as if the outing was going to be filled with fun. As fate would have it, it began to rain during the second hayride. However, this small — but terribly wet — obstacle was easily overcome by the Seniors who were determined to enjoy themselves. A small calf who was affectionately referred to as

"Mooney" was adopted to be the "mascot of the day."

Towards the end of the evening everyone gathered into the barn for games and dancing. Even though the rain was falling, it did not stop the annual unconquerable bonfire.

This was the day for on-the-farm festivities, and our Seniors got it all — including the rain.

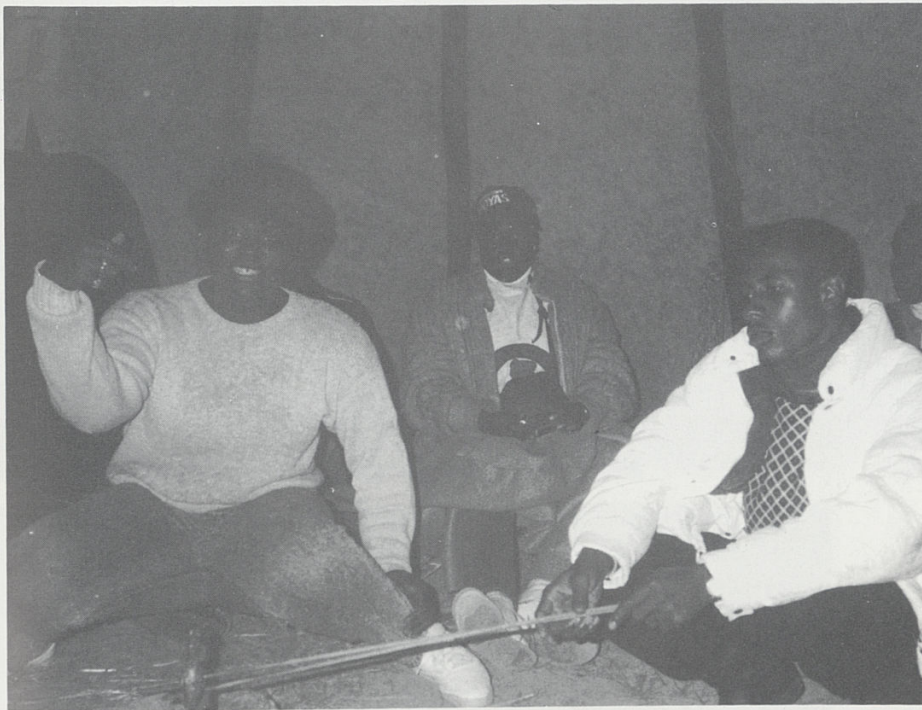

There's no better way to relax than with a drink and some Kentucky Fried Chicken.

The real meaning of life was discovered on the Hayride at Sonny Brook Farm.

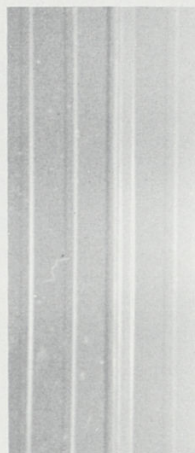

A good old-fashioned hoedown with M and M's, music, and Allison Courtney.

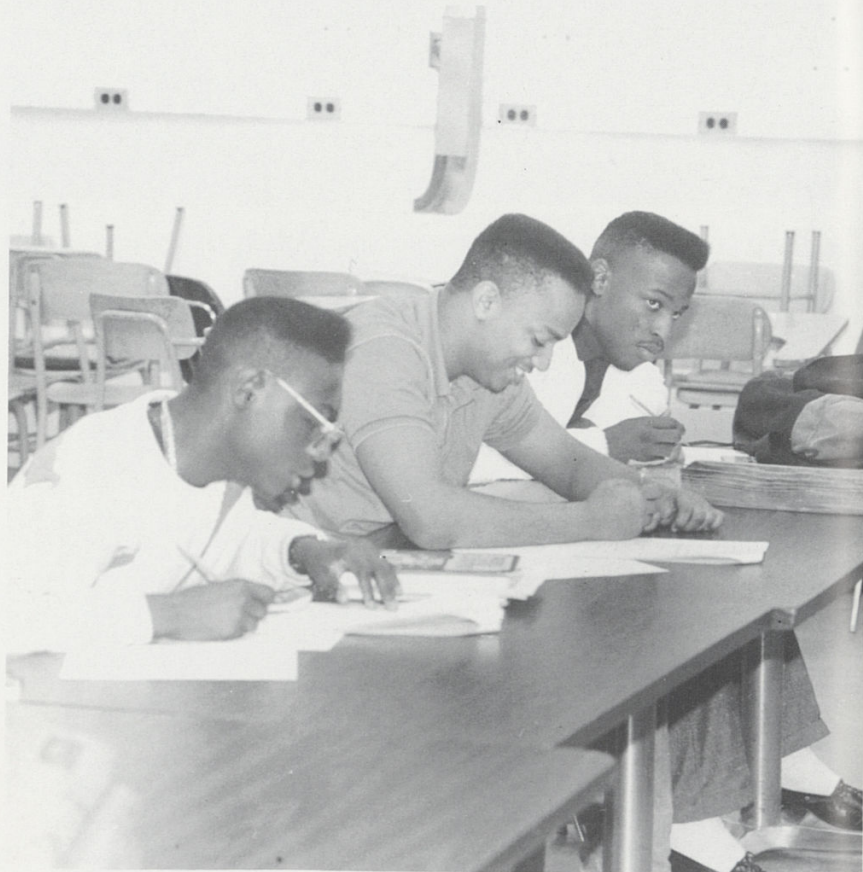

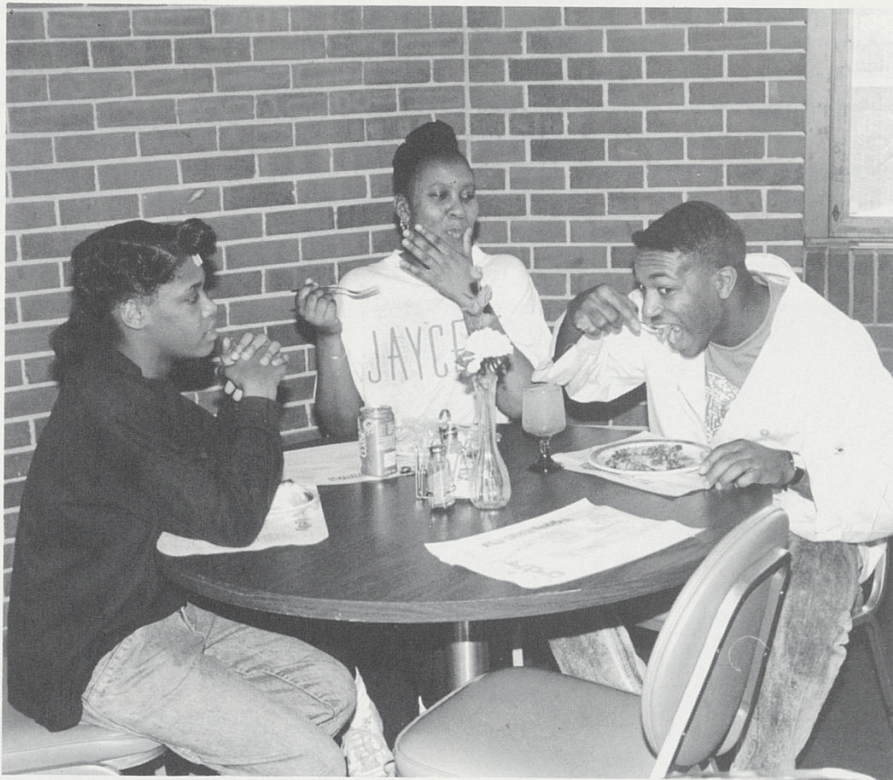

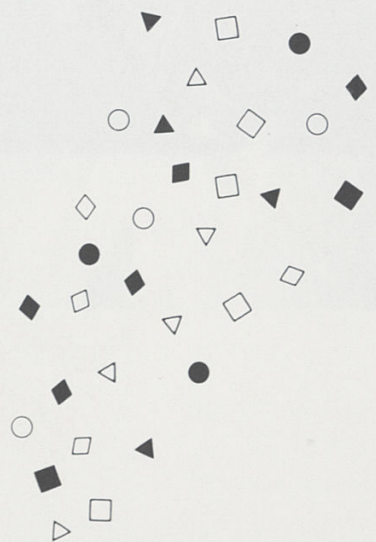

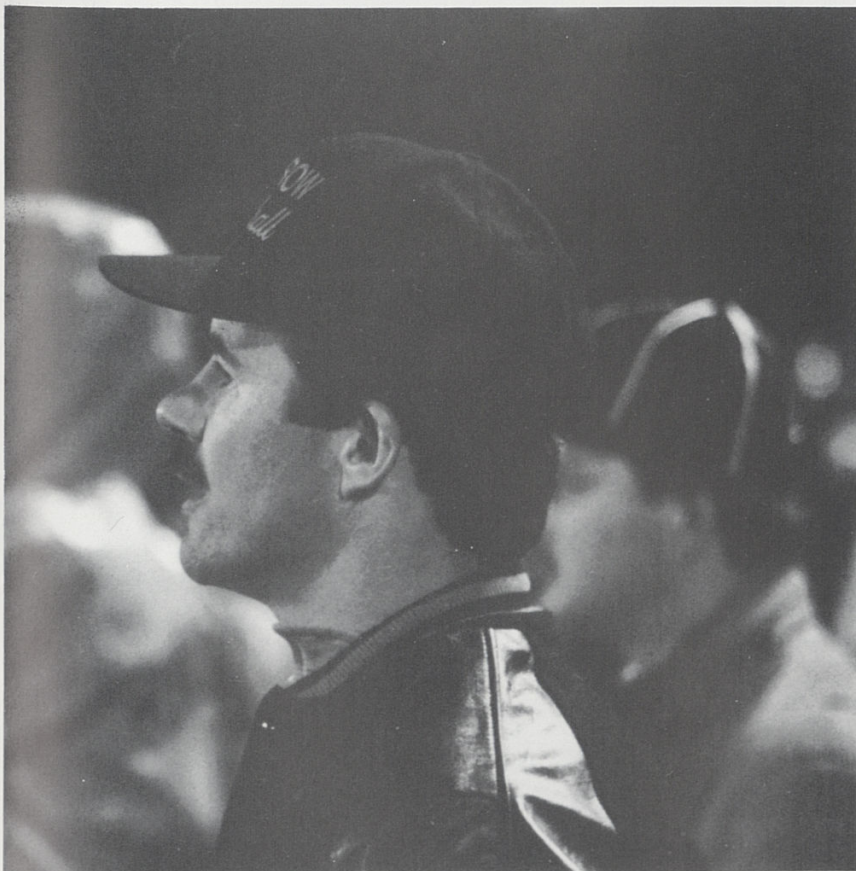

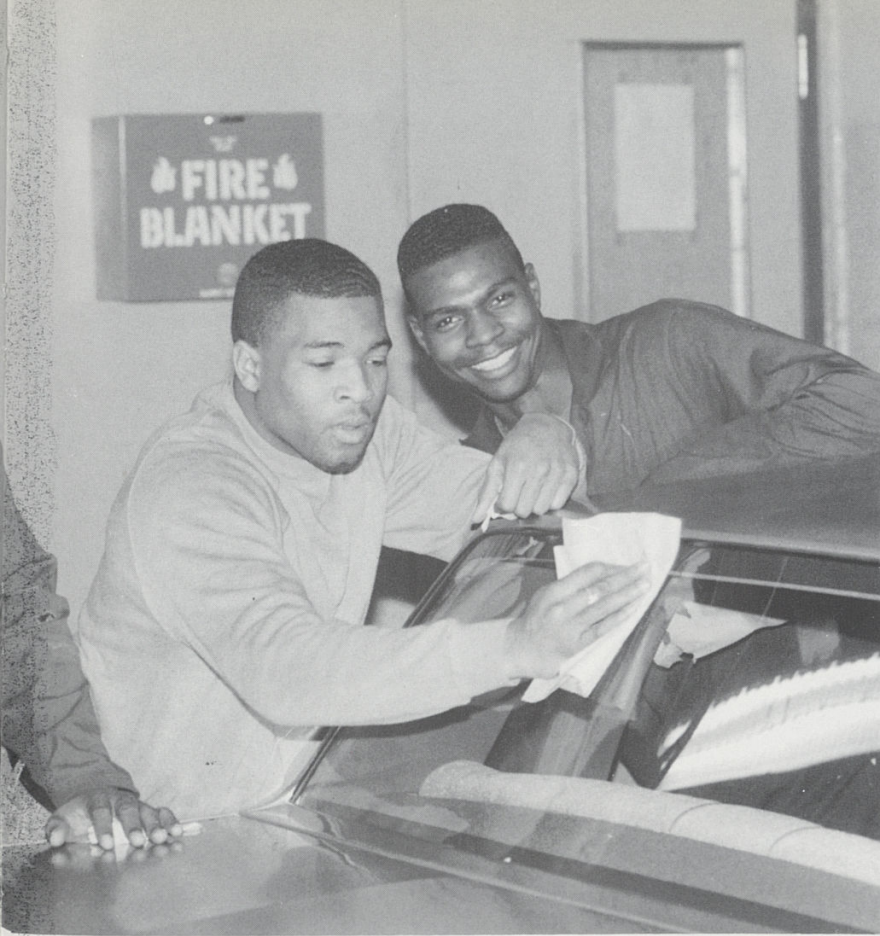

"Michael Jackson isn't bad ... I'm bad!!!"

Maw and Paw Kettle watch out!!!

COMPUTER ERROR KEEPS WITHROW OUT OF PLAYOFFS!

Top: The Withrow Tiger Varsity Football Team

Tigers ready to attack.

10 and 0, it's the truth! There was no use of steroids or black market gambling to promote such a record. This is the result of an excellent coaching staff and the great effort of Withrow High School's football **team**. The word

"team" must be emphasized because it was the best group effort shown by Withrow in years. Thanks to all forces, we were able to crush C.A.P.E., appear on television and in the newspaper on many occasions, and set an exam-

ple for all to try to follow. Even when the computer failed to give us the necessary number of points to put us in the playoffs, we stayed together as a team. Excellence has no falter. 1988-89 is the "Year of the Tiger."

Withrow wins No.1 on court

Jubilant fans surround George Booker, No.22, after Withrow High, the No. 1 boys basketball team in *The Enquirer* weekly coaches poll, won the city championship on the court Sunday afternoon before 7,245 fans at Riverfront Coliseum. "It means a lot," said Withrow Coach George Jackson after the Tigers defeated No. 2 Woodward, 64-56. This will be Withrow's third city title in 11 years. Details, Page C-1.

Withrow wraps up city title

Defense keys win against Woodward

BY D. ORLANDO LEDBETTER
 The Cincinnati Enquirer

The No. 1-ranked Withrow High boys basketball team dethroned two-time defending city champion Woodward by sticking to its motto: "Play as a team, win as a team."

Withrow, which took over the top spot in *The Enquirer* weekly coaches poll midway through the season, defeated No. 2-ranked Woodward, 64-56, Sunday before 7,245 fans at Riverfront Coliseum.

Woodward, the defending Division I state champion, sought to become the first school to win three consecutive city titles. The Bulldogs entered the game ranked No. 5 in the state by *The Associated Press*.

Withrow, ranked No. 3 in the state, should be honored with its third boys basketball city

championship when the coaches poll is released in Tuesday's editions. The Tigers captured back-to-back city titles in 1978 and 1979 under coach Mike Ferone.

"If you look at our statistics, no one is burning it up," Withrow's Karl Brown said after scoring 16 points in Sunday's victory. "It's a team effort."

The Tigers, 19-1, average 87 points a game and have scored more than 90 points in 12 games, but they beat the 16-4 Bulldogs with some tough defense.

Containing Woodward's D.J. Boston was a key. The Tigers held Boston, who averages 22.2 points per game, to seven points in the first half.

"Whatever defense we played, we just played it tight," said Withrow coach George Jackson. "We knew we had to shade D.J. He's a tremendous player. We didn't want him to kill us."

Brown, a 6-foot-6, 220-pounder, and teammate Darryl Wilson, 6-4, 200, surrounded Boston when he touched the ball.

"I think it was a team effort," Brown said,

"stopping him with everybody cutting him off, blocking a shot here or there. Everybody did a good job."

Wilson transferred to Withrow last season when his family move to Cincinnati from Huntsville, Ala. Until Sunday, he had never played in front of a big crowd.

"I was kind of nervous at the beginning," said Wilson. "But I got into the game and everything just fell in place."

Withrow point guard Steve Gentry scored 16 points. Wilson added 12, Damon Ridley 10.

Woodward's Boston finished with 19 points, teammate Orlando Berry 18.

"They just really intimidated us the entire game," said Woodward coach Larry Miller. "They were so mentally and emotionally ready for this game."

The Tigers stood by, seething, waiting to get a good shot at the Bulldogs who, because of their success the previous two seasons, were

invited to play in tournaments in Las Vegas and Raleigh, N.C. "They have always been a thorn in our sides," Brown said. "I knew we could beat them. When we look at teams, we try to play off their weaknesses and I think that's what we did to Woodward."

After leading only 14-12, the Tigers stepped up their fast break and held a 12-point at the half, 37-25. Wilson and Brown led the Tigers in the second quarter with eight and six points each.

Withrow entered the fourth quarter with a 52-40 lead. But Woodward made a run with about

six minutes to play and the Tigers ahead, 56-42. Woodward reeled off 11 unanswered points.

Berry, who led the charge with five points, cut the Tigers lead to three with 2:36 to play on a layup after a steal. That was as close as Woodward could get.

Withrow's Wilson stopped the Woodward run, scoring to make it 58-53, as the Tigers held on the rest of the way for the city championship.

We should take a moment to applaud the Withrow Girls Basketball team for their outstanding performance on the court this year.

Coach Willis should also be thanked for going above and beyond his duty for bringing them to the ranking of #1 in the city. With

the dedication of the players, the Coach, and the captain Alicia Reece, they had a very good season.

INTERNATIONAL

Creating the image of responsible citizens is a chief goal of the International Studies Academy. The council on World Affairs, International dinner, foreign student exchange program, world travel, and seminars on

world cultures all help to instill global awareness in Academy students.

Hola! Bonjour! Guten tag! are some of the greetings you may hear in ISA classes where stu-

dents are required to take three years of a foreign language.

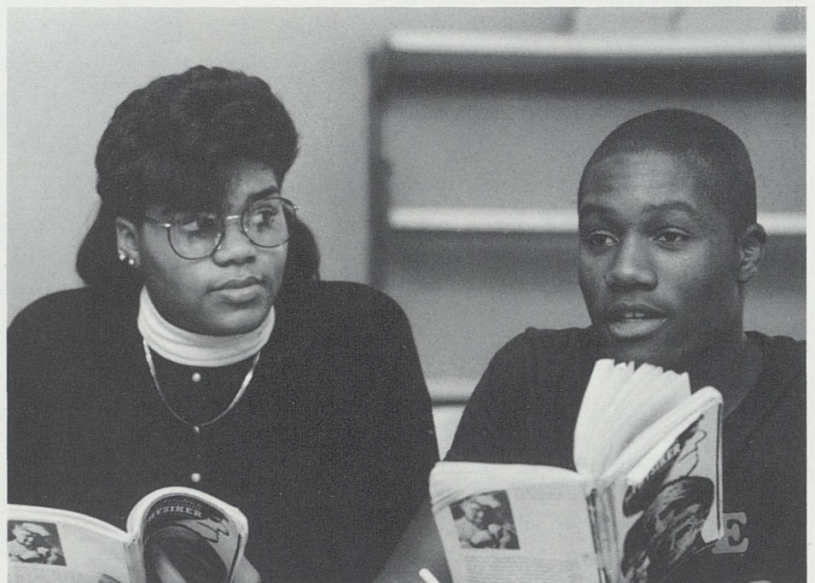

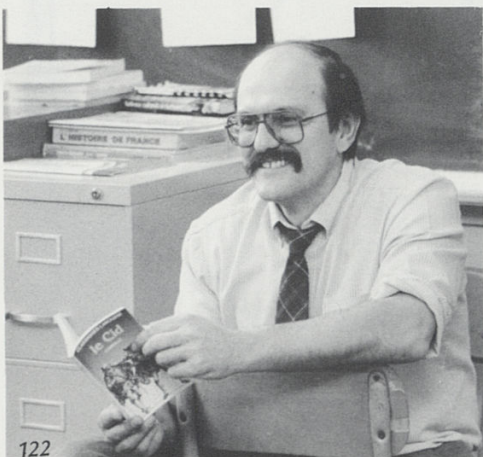

International Baccalaureate students compete in tests with students from all over the world.

Pam under IB English pressure.

Ready to take out notebook, pencil, and paper.

Put yourself in our position.

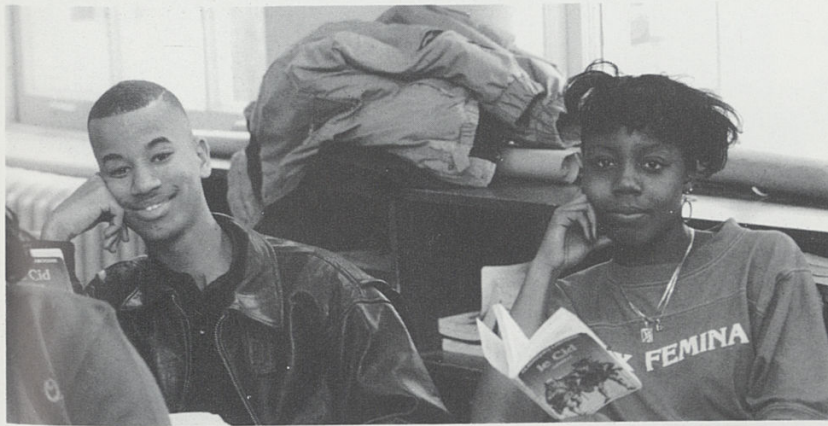

STUDIES ACADEMY

Teachers just want to have fun.

The ISA Staff.

Welcome

INTERNATIONAL STUDIES ACADEMY

"What did you say that molecule was?"

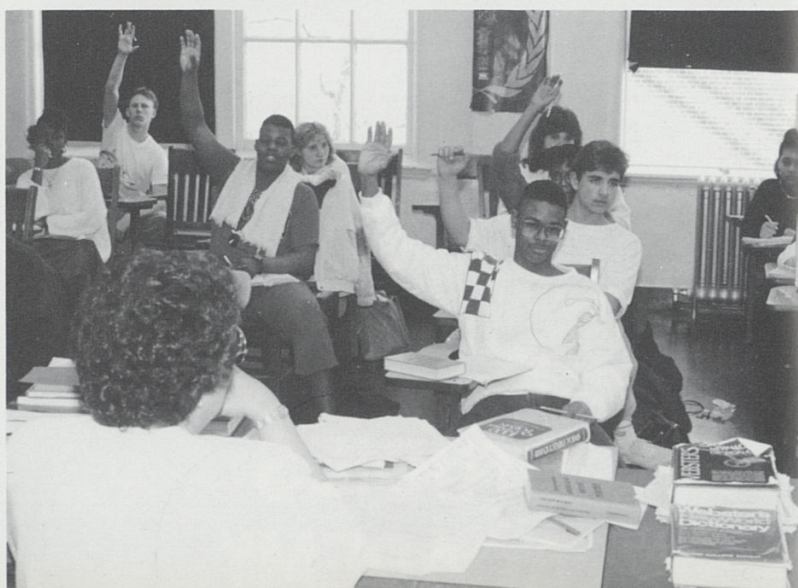

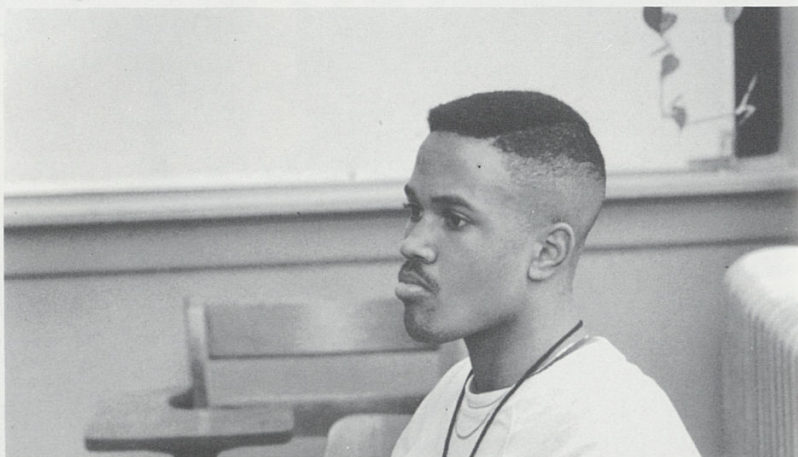

Parlez-vous francais?

"What page are we on?"

ISA

"What did I do?"

1988-89 full I.B. Diploma Candidates.

Pam Jones under I.B. pressure.

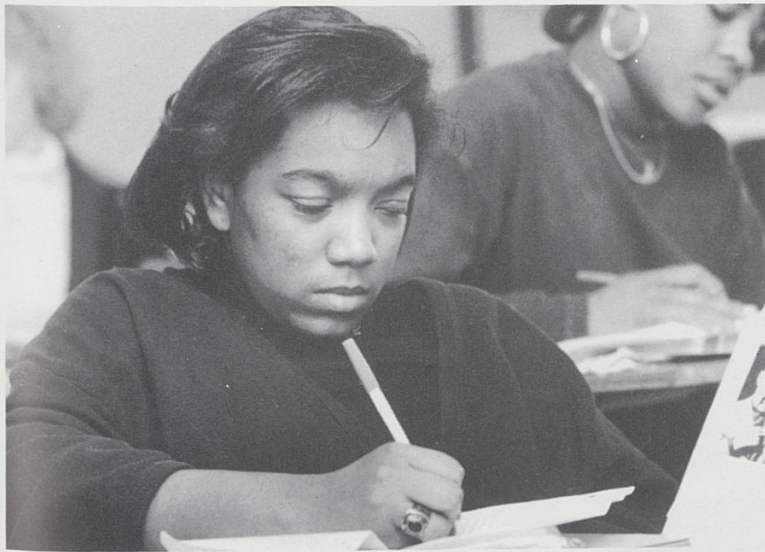

Jerome "The Man" Belcher thinks about Theory.

"What was Shakespeares most famous poem?"

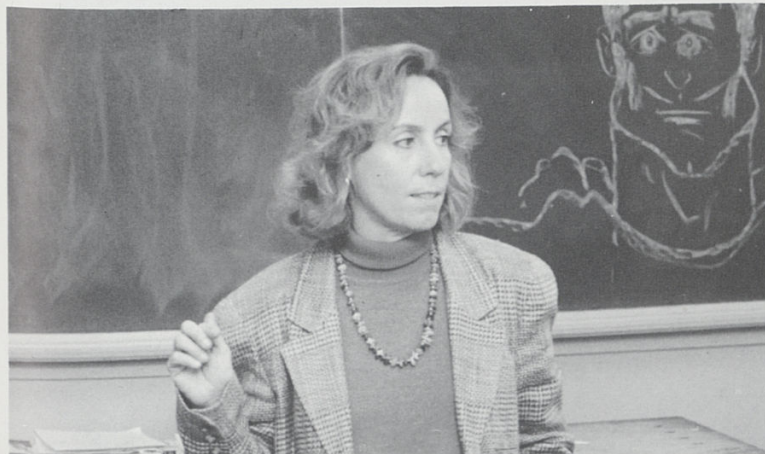

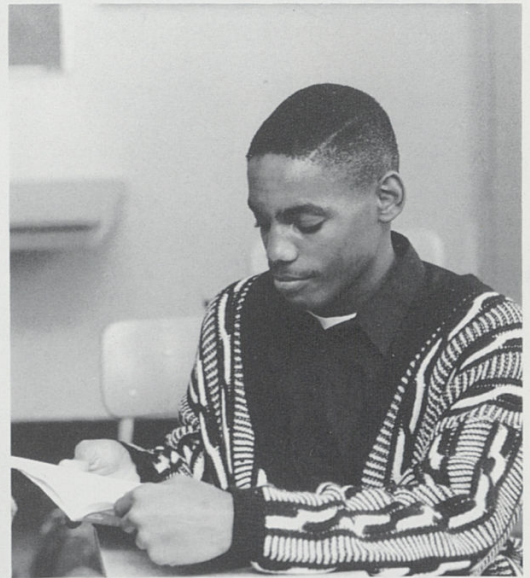

Attentive students are the backbone of the I.S.A. program.

Lisa Dornbusch converses with an unknown friend.

"I just wonder how people get their faces on the back of books."

Martin Gentry and his serious look.

"Hey, Curtis, who is that guy with the masculine bone structure?"

English as a Second Language

Withrow's ESL program serves students who are newly arrived in the United States, and whose first language is not English.

ESL students take a wide range of classes from survival skills in English to college prep classes. Mrs. Gingrich instructs students on subtleties of the English idiom.

Notes from Co-editors:

I sincerely hope that the student body realizes that the yearbook is a treasure keeper, a valuable piece of your history. So when the desire to lead the school hits you, go to room 424 and see Ms. Bard and sign up for the yearbook.

Being on the yearbook requires and demands hard, dedicated, attentive, sensitive and inquiring individuals, individuals who are willing to sacrifice their sleep and time to produce a yearbook. This individual is essential in the making of High School Memories.

I would like to thank my best friend Tiffany Johnson for sharing the past two working years with me. There couldn't have been a better twosome. Thanks, especially to Ms. Patricia Bard who made it possible for Tiffany and me to work on the yearbook. Also my friends, the Editorial Board, for sticking with Tiffany and me through the rough and sweet times, Steve for sticking in art pictures, Roz for cleaning, Rosellen for her statements, and Curtis for singing. And last, but not unappreciated, the Yearbook Staff. I thank all the workers for all their help and dedication. The book would have been incomplete without you.

Best wishes,

*Anna
Hutchinson*

I would like to thank the Editorial Staff for working on the Yearbook for the past two years. Without your help, I don't know what I would have done. The editorial board spent a lot of time listening to me and Anna argue about where to put this and where to put that, but through it all we still came through with a good yearbook. I would also like to thank Co-editor Anna Hutchinson, my best friend for working with me. Anna, even though we argued about which ideas to use, we still remained best friends. Someone once told Anna and me that best friends couldn't work together. Well, we proved them wrong. To Ms. Bard, Anna and I appreciate your help in planning the yearbook. Good luck next year.

I would like to say that the yearbook has been a challenge and experience for me and if I had the chance, I would do it all over again.

Best wishes,

Tiffany N. Johnson
