LEGENDS OF OUR TIMES
1990-1991

There are all kinds of legends. For example, the world of art cherishes the works of Van Gogh and Picasso while (on a more local level) Cincinnati takes pride in the accomplishments of both the Reds and the Bengals. Not everyone is fortunate enough to become legends, but the staff of the 1991 yearbook was lucky enough to create *LEGENDS OF OUR TIME* — a book that's destined to go down in Withrow Annual History! So here it is a legend in itself. May it forever reign in the hearts of Withrow's staff and students.

Melissa Saddler

The Alma Mater

Gentle slopes and lofty tower
Radiant in the sun.
Arching bridge and shaded valley
All our hearts have won.

Withrow's beauty, Withrow's splendor
Fill our hearts with pride.
Love for you our Alma Mater
Ever will abide.

Friendships made in search of knowledge
Cherished binds and true.
Memories of golden hours
Hold us close to you.

As we venture from your portals
Aims held ever high.
We held ever high
We'll turn back to glimpse once more
The tower gainst the sky.

Withrow High School
2488 Madison Road
Cincinnati, Ohio 45208

"As each one pauses to glimpse once more the tower 'gainst the sky, he will see many years of happiness and feel the shadow of knowledge. These are the years to remember — the special years for all."*
(Taken from Withrow Annual of 1964)

ARCHING BRIDGES AND SHADED VALLEYS

In Loving Memory

of

Leslie Albert Harvey

October 28, 1958 — October 27, 1990

I'm Glad You're My Friend

I rarely take the time to say it,
But I'm glad you're my friend.
We've shared some
special moments together,
Memories we'll never forget;
We've laughed and cried, and believed
Through extraordinary times;
You've been there to lean on when I
needed a shoulder;
You've extended your heart and
accepted me as I am;
You've listened to my dreams and
schemes, and my problems.
I'm glad you're my friend.

FACULTY

FACULTY

Day after day, students encounter several members of the staff and some conflicts usually arises. However, without such dedicated members, many students would not only be without guidance and inspiration. Day after after we, the students, see the same faces and at the present time we don't appreciate it, but eventually those who helped to shape us become legends in our minds.

Reaching Higher: Tigers Fueling the Fire

Homecoming for Tigertown always bring more and more excitement each year. This year was definitely not an exception. The pep rally was hot with new faces. Michelle Ross and Kelly Lyke filled the auditorium with the soulfull tunes of Regina Bell and Milra. The rally was so envigorating, even the football players got on stage and spoke a few words about the upcoming game.

On October 19, 1990 the Withrow Tigers ruffled the feathers of their ill-fated prey the Colerain Cardinals in a 48-21 victory. The celebration took place at the Hyatt Regency from 9 to 1. The music was loud and the students were jumping. The Withrow Tigers burned down the house!!!!

A NIGHT OF ECSTASY

On May 11, 1991, Withrow's students adorned Music Hall in all of their beauty and splendor. Some arrived in expensive cars, limousines, but all arrived with one goal in mind — to have a good time.

In the race for King and Queen, Angel Askew and Eddie Williams were the favorites, and sure enough at the stroke of midnight, instead of their clothes changing into rags, both Eddie and Angel displayed their crowns with pride.

Needless to say, Prom 1991 was definitely a success not just because of the dance, but also because there were no reports of drinking and driving accidents. GOOD JOB, TIGERS!!!

SENIOR CLASS DAY

On the morning of May 31, the graduating class of 1991 repoted to the cafeteria in order to prepare to march into the auditorium. The students in the top ten percent of the class were called to walk down the aisle individually, but the countdown ceased at three. The Valedictorian, Mary Wagner and The Saluditorian, Melissa Sadler, recieved a thunderous applause while proceeding towards the stage. The program was a very a very touching one, and Melissa delivered a very inspirational speech entitled "Growth" which was directed towards the entire body of Withrow under classmen, Seniors and teachers. The afternoono air was filled with anticipation. The juniors were especially excited, so excited that it took a while to get everyone settled down into their seats. Eventually, the music sounded and once again, excitement filled the auditorium. Sigma Gamma wnt first. They put on a lively show by doing their own cheers, dancing, and then sounding off. When it came time for Dux Femina to announce their new members, the young ladies of the fine organization floated down the aisle in all their glory. By the end of the day, a group of tired Seniors and some very grateful juniors packed up and headed off to celebrate.

NOTES FROM CO-EDITOR: TREVER THOMAS

To the class of 1991, I the co-editor would like to sincerely thank all of the class of 91 officers, teachers and students for making this year in review possible. Speaking on behalf of the editor and the yearbook staff working on this book has been full of fun and joyous. Working with the staff also meant putting forth a tremendous amount of time, effort, and creativity. I personally like to thank Ceda, Veda, Melissa, and our editor Kathy for the laughs and for their assistance on this awesome book. The three years that I have attended Withrow I have experienced so many things that I will have to savor in my mind for the rest of my life. I pray that the class of 1992 will be able to pick up where '91 left off, as matter of fact I know you will, God Bless you class of '92. Last but definitely not least Mrs. Howell, one of the best, most dedicated teachers of this school and not to mention one heck of yearbook advisor. Hats off to you and everyone who made "Legends of Our Times" possible. This book is dedicated in the loving memory of Mr. Leslie A. Harvey, Freshman basketball coach. He touched many of our lives. (1958-1990) May God Bless You All and Don't Forget to Pray.
