

INTERNATIONAL STUDIES ACADEMY

There are three programs in the International Studies Academy: The World Awareness Program, The International Baccalaureate and The English as a Second Language Program. The International Baccalaureate was designed to provide an integrated two year course of study to prepare students for entry into college throughout the world. The World Awareness Program, an international studies curriculum designed to continue the bilingual program from their middle school. The English as a Second Language is for the foreign-born student who have limited English proficiency.
