

# CLASS DAY AND AWARDS

Class Day is the last day for seniors no more classes, no more lunch lines and no more going to the locker for books. In the morning Seniors received awards, scholarships and the class president pass the gavel to the new class president. This year Keisha Kemper passed the gavel to John Davis. In the afternoon Dux's and Sig's tapped next year members. We heard many poems of my little sister . . . and oh! those dances from Sig's new brothers.
