

CONGRATULATIONS EUGENIA

We are so very proud of
you
Love
Mom and Jim

May the road rise with you
And the wind be always at your back
May the sun shine in your face,
And may the Lord hold you in the hollow of
his hand.

A MOTHER'S PRAISE

A Mother's love is tested time and time again
Yet with you my dear daughter, I have peace and serenity within
You give me peace of mind through the attitude that you keep.
Because of this I am one of the rare mothers who has no problem getting to sleep.
You've faced hard obstacle like environmental stress and emotional despair.
You've faced some of life's stumbling blocks without falling into their lairs.
You've come a long way dear daughter, further than you can ever imagined or dreamed.
You've come further than a river that once was just a stream.
I gladly think of you becoming an adult with all the knowledge you've gained.
With all of the wisdom that lies inside your mind waiting to be showered onto
this world like a summer's refreshing rain.
I could go on and on praising you my daughter until my vocabulary is drained.
But even then my dear daughter your brother and sister would gladly take up the reigns.
We are so proud of you Kissha, during the last of your high school days.
We also know that this is only the beginning for you and our continuing high praise.
BEST WISHES to you in your upcoming endeavors.

Kissha I Love You.
Your Mother
