

English As A Second Language — ESL

The Cincinnati Public Schools English as a Second Language Program provides special instructional services to students whose home language is other than English. The main focus of the ESL curriculum is to facilitate student learning within the five designated skills of English mastery; listening, reading, writing, speaking and cultural enrichment. When the students have acquired enough knowledge and understanding of the English language they are then mainstreamed into the academics classes of the International Studies Academy.

Ita Anggraeni

Annual ESL Holiday Luncheon. Ita Anggraeni, Ruta Rezene, Tay-fun Guleryuz, and Marieme Sidibe.
