TIME **2** REMEMBER

WITHROW HIGH SCHOOL 2000

2488 MADISON ROAD, CINCINNATI, OHIO 45208

Principal Ramstetter's Message

Dear Students:

Welcome to Withrow High School's eighty-first year! We are proud to be part of an institution rich in heritage and promise. With test scores rising, the graduation rate increasing, and more of our graduates attending college, Withrow has indeed been on the move. Your success is directly attributable to your work as well as to the efforts of Withrow's teachers, support staff, parents, and community. Through the tireless commitment of our Alumni and the Junior League, you have enjoyed the resources available in our College and Career Center.

As you think back upon the year that ushered in the new millennium and the experiences that helped form your later life, may you find the pictures and words in this yearbook a tribute to your years at Withrow.

Sincerely,

Paul Ramstetter
Principal

Student Life

Career Paths

Career Paths is a rigorous and highly structured program, beginning with a two year business foundation course taught in grades nine and ten. Students spend grades eleven and twelve immersed in learning about their chosen profession from entry to executive level, while currently completing the college preparatory classes. Additionally students complete an internship with one of our business partners. Students can focus on one of five Professional Learning Centers: Academy of Finance, Computer Programming/Support Technology, Law and Paralegal Studies, Marketing, and, Travel and Tourism.

International Baccalaureate

The International Baccalaureate Program is a rigorous pre-university course of studies, leading to examinations that meet the needs of highly motivated juniors and seniors. Students may receive college credit or advanced placement for their IB courses. The IB diploma candidate will take exams in 6 subjects, write a 4000 word essay, take Theory of Knowledge, and perform community service.

International Studies Academy

The International Studies Academy promotes multicultural appreciation and understanding and prepares students to become citizens of the world. It is a program that provides sound academic preparation via four years of English, foreign language, social studies, science and math. It also includes interdisciplinary courses and courses in the arts.

English As A Second Language — ESL

The Cincinnati Public Schools English as a Second Language Program provides special instructional services to students whose home language is other than English. The main focus of the ESL curriculum is to facilitate student learning within the five designated skills of English mastery; listening, reading, writing, speaking and cultural enrichment. When the students have acquired enough knowledge and understanding of the English language they are then mainstreamed into the academics classes of the International Studies Academy.
