

A Letter From the Principals

To Students, Parents, and Staff,

This school year marks the beginning of the new Withrow High School. The restructuring process has been challenging, exciting, and rewarding. Though we are now three high schools (International, Traditional, and University), we are proud of how we are able to work together to create a unified Withrow campus.

Keep this yearbook forever as a reminder of your friendships, academic accomplishments, and extracurricular activities. Never forget that although we are now three schools, the Traditional High School, the International High School, and the University High School, we are one Withrow High School in spirit.

GO TIGERS!

Sincere regards,
Paul Ramstetter and Carol Walsh
Withrow Traditional Principal and Withrow International Principal
