

## Michael Gibson 1950-2002

### Michael Gibson

Michael Gibson will be fondly remembered by so many students all over Cincinnati, both those who attended Withrow and those who attended Schwab Middle School. At his memorial here at Withrow, the most resounding claim we heard from his former students was that he never stopped caring, even sometimes when students had gotten so down that they stopped caring about themselves.

## Ralph Garner 1956-2003

### Ralph A. Garner II "Mr. G"

Born May 6, 1956 died March 10, 2003. Founder of Withrow High School mentoring program, Sigma Gamma and Dux Femina advisor. Member of Alpha Phi Alpha. Graduate of Withrow High School class of 1974. Beloved friend and spiritual father to many. He shall be remembered by his saying "May the work I've done speak for me"
