

or a third or fourth
or fifth!!!

...English Grammar,
Reading, Writing, Listening
Comprehension, and
Conversation.

This is a rigorous,
intensive program that
prepares non-native speakers
for university and
professional work in
English.

ESL

Left: Fahim Akbari and Mr. Green--no, he really is a teacher, not a student--pose for the camera. With good looking guys like this, it's no wonder the girls are fighting to enroll at Withrow International (editorial comments courtesy Dr. Green).

Above: A group of Withrow students get a little bit rowdy as summer draws closer and closer.

Above Left: Alex and Mr. Zimmerman, Science lead teacher, share a few last words as Alex prepares for graduation.
