

Boys Basketball

The up and coming Tigers!

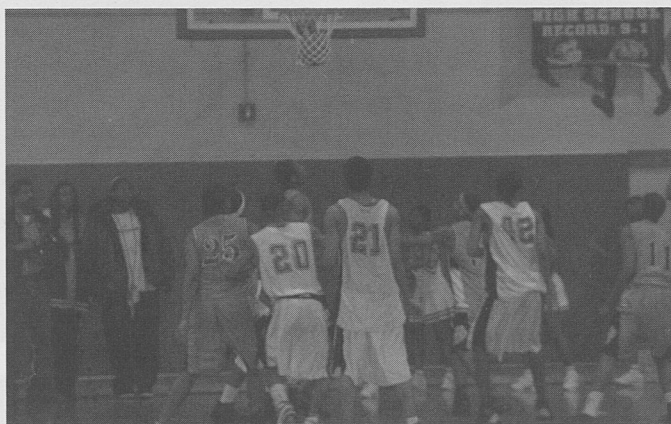

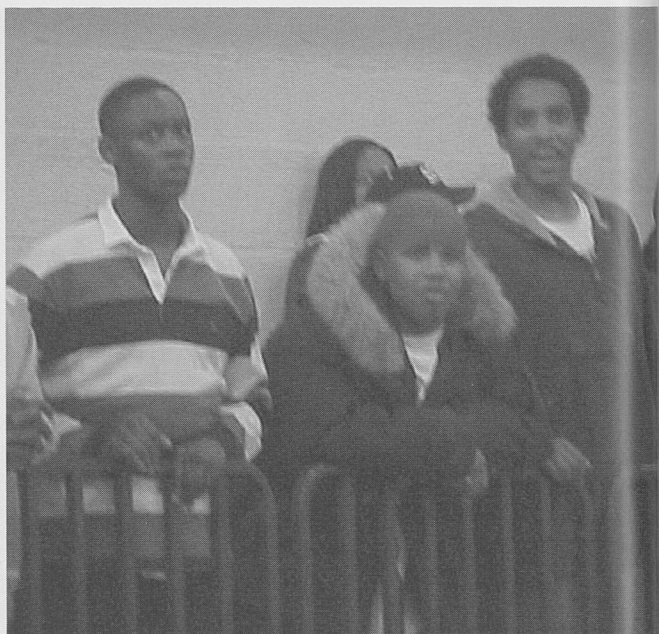

Withrow Freshmen and Reserve Basketball teams battled through a tough 2002-2003 season. Freshmen were introduced to basketball at the highschool level by coach Burgin. They proved to be up to the challenge and had a good season.

The Withrow Tigers J.V. basketball team really worked hard to be successful at each and every game. They did well in the Queen

City Conference, winning all league games. Every player mattered and played hard under coach Gilbert.

Both the Freshmen and J.V. Boys always played together as a team. Every player exerted 110% effort to get the job done and bring home the "W"!
