

# International Dinner and Sikh Documentary "Mistaken Identity"

Withrow hosted its annual International Dinner with the assistance of the Tri-State's Sikh community and the leadership of Dr. Darshan Sebhi. Members of the Sikh community came to share experiences and answer questions and Withrow premiered the award-winning documentary "Mistaken Identity: Sikhs in America." This film, produced by Vina Sarkar in New York City, was donated to the school by the producer herself to help our local community learn to be more understanding of the similarities and differences among the more than 34 ethnicities represented here at Withrow.
