DON'T CHANGE

As usual, the women of Dux Femina and the men of Sigma Gamma were responsible for organizing the prom. This year, the theme was "Don't Change." The event was held at the Greater Cincinnati Convention Center on Saturday, May 10th. As you can see from the pictures, Withrow students worked overtime to look their best for the dance. And since these are some of the last impressions some of these students will make in high school, being seniors, you will see that these Withrow students are truly dressed to impress.
