A Letter From the Principals

To Students, Parents, and Staff,

This school year marks the beginning of the new Withrow High School. The restructuring process has been challenging, exciting, and rewarding. Though we are now three high schools (International, Traditional, and University), we are proud of how we are able to work together to create a unified Withrow campus.

Keep this yearbook forever as a reminder of your friendships, academic accomplishments, and extracurricular activities. Never forget that although we are now three schools, the Traditional High School, the International High School, and the University High School, we are one Withrow High School in spirit.

GO TIGERS!

Sincere regards,
Paul Ramstetter and Carol Walsh
Withrow Traditional Principal and Withrow International Principal

Withrow Traditional High School:

Occupies the building to the right of the tower. Houses grades 10 - 12 for the 2002-2003 academic school year. Continues in the excellent Withrow tradition.

Withrow International High School:

this year's

Something Old...Something New

In its simplest form, Withrow High School is an academic institution and has been since 1919. In a more complex form, Withrow is also not only a well of knowledge, but it also imparts useful life skills and friendship (and sometimes enemies) to those who walk the halls. Thus this old building has served for so many years earning a reputation for excellence continued today and throughout its long history. That is the part of our story that represents

SOMETHING OLD.

It goes beyond this simple facade, however. On closer examination, one would discover three unique schools housed in one building. This is the part of our story that represents

SOMETHING NEW.

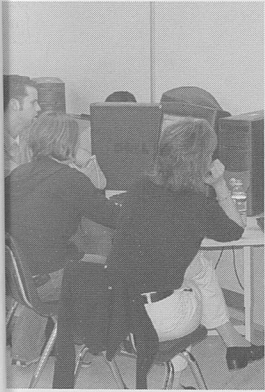

And this is definitely something new! Within these separate schools, students can take advantage of various programs and opportunities. Among these are the Traditional Withrow High School Program where the rich Withrow tradition continues in its historical form. On the other side of the building is Withrow International High School which includes several programs within its walls including International Baccalaureate, International Business, and also the English as a Second Language Program.

Our story is not limited to just this! The third school in our building is the University School. This school is housed in the former vocational section of the Withrow campus. University High School currently consists of only freshman students, striving to do their best!

Where else in the country would you find such a creative approach to meeting students' needs. This is an idea whose time has come for it allows small student bodies of six hundred to be mentored and nurtured closely throughout our high school experience.

WELCOME TO OUR WORLD!!!!
THIS IS THE STORY OF WITHROW HIGH SCHOOL 2003!

Bryan Lyons 1986~2003

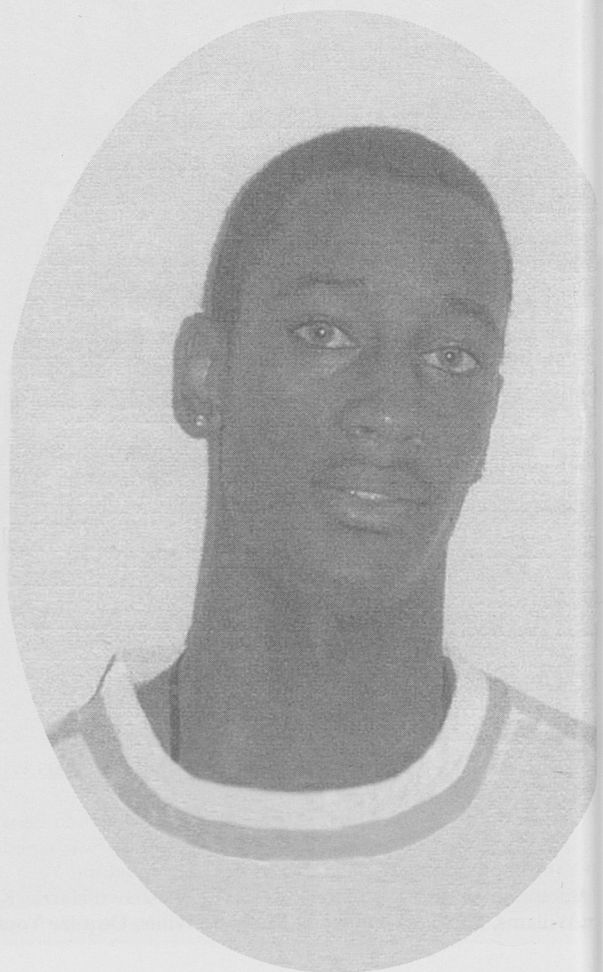

Bryan Eugene Lyons

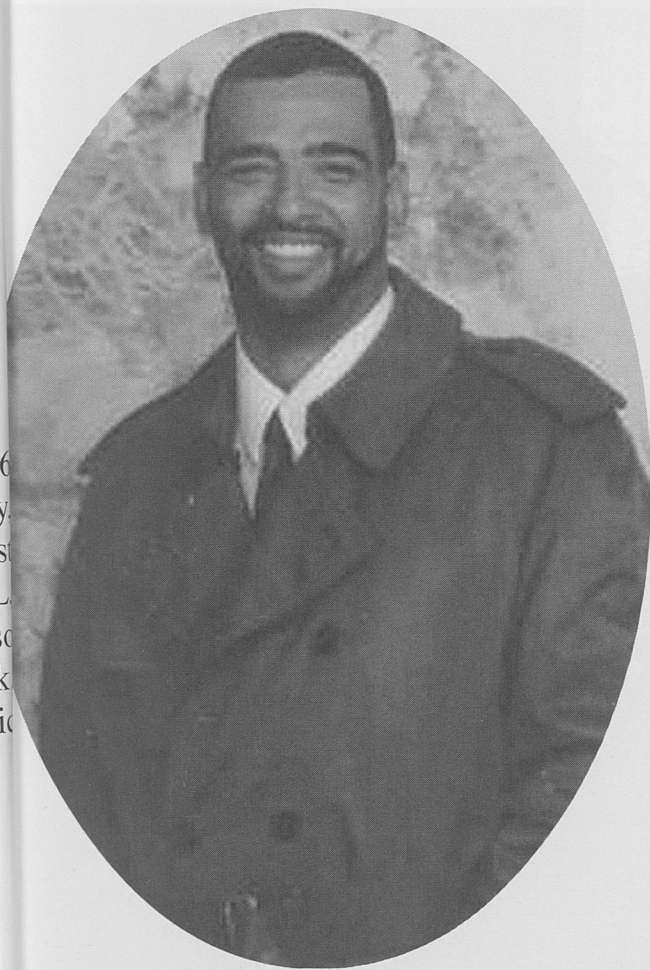

Bryan was born on September 10, 1986 in Cincinnati, Ohio died on Tuesday, February 11, 2003. He was the oldest of three children. He attended AWL Hays and Vine Elementary. Bryan also attended Walnut Hills, Deer Park Virtual High School. This is a tragic loss to all who knew him.

Anthony Buck 1984~2002

Anthony Buck

Anthony grew up in the neighborhood of Madisonville. He would have been a senior this year and graduating with the class of 2003. A great athlete playing both football and basketball, he was respected on and off the field/court. You will be greatly missed. R.I.P.

Michael Gibson 1950-2002

Michael Gibson

Michael Gibson will be fondly remembered by so many students all over Cincinnati, both those who attended Withrow and those who attended Schwab Middle School. At his memorial here at Withrow, the most resounding claim we heard from his former students was that he never stopped caring, even sometimes when students had gotten so down that they stopped caring about themselves.

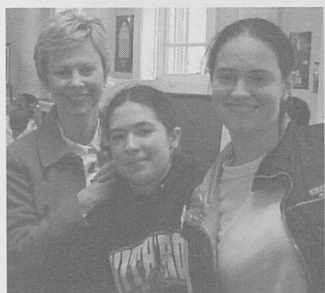

Ralph Garner 1956-2003

Ralph A. Garner II "Mr. G"

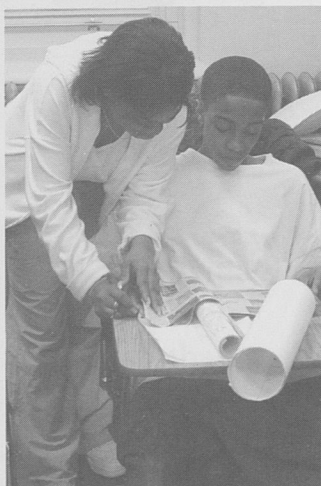

Born May 6, 1956 died March 10, 2003. Founder of Withrow High School mentoring program, Sigma Gamma and Dux Femina advisor. Member of Alpha Phi Alpha. Graduate of Withrow High School class of 1974. Beloved friend and spiritual father to many. He shall be remembered by his saying "May the work I've done speak for me"

ACADEMIC PROGRAMS

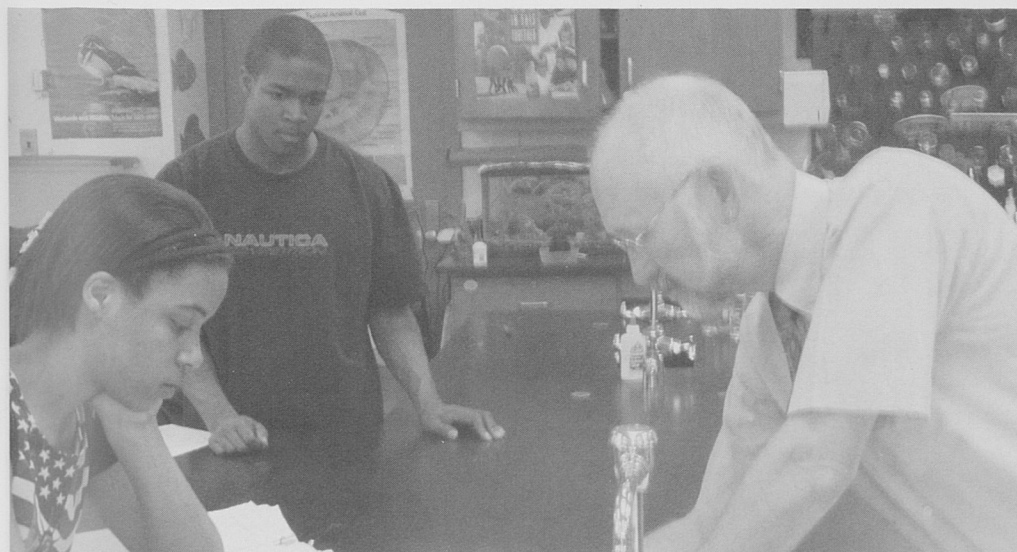

The Withrow IB Program is one of more than 1,000 International Baccalaureate World Schools located in nearly 100 countries around the world.

It is known for its rigorous standards. The work of students participating in IB courses is assessed by more than 250 IB examiners throughout the world.

Students in the IB program have the opportunity to earn college credit or advanced standing in college for their work.

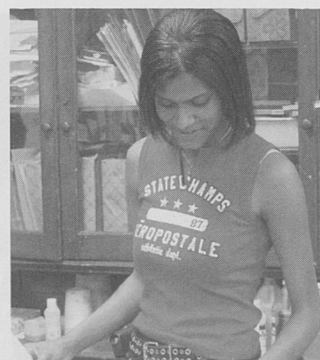

The IB program is available to Juniors and Seniors.

INTERNATIONAL BACCALAUREATE PROGRAM

Mr. Zimmerman works with a student on her IB portfolio as senior Curtis Dennis looks on. The IB program has high standards for students that must be met and demonstrated through portfolios and other lengthy assignments. Although sometimes the work seems tough, there is room for students to investigate and learn about issues and topics of interest to them while meeting international standards. Each spring, their work is sent off to various countries around the world to be assessed.

Faculty & Staff

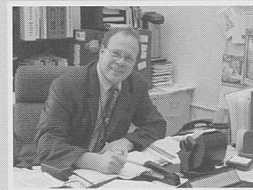

The Faculty & Staff pages consist of both International and Traditional Withrow staff and faculty members. Their school affiliation is identified by initials in parenthesis. Staff servicing both schools do not have this indicator.

Ms. Carol Walsh is the new principal of Withrow International High School. She comes to us with a strong background in international education from Connecticut. Ms. Walsh speaks French, Spanish, and German.

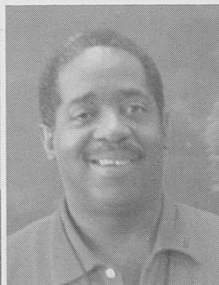

Though Withrow International and Withrow Traditional are both separate schools, we are still unified as one campus for athletics and many extra-curricular activities and work together in the spirit of cooperation.

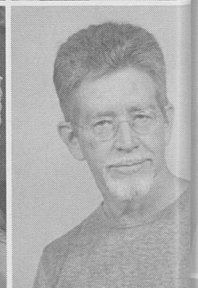

Mr. Paul Ramstetter is the principal of Withrow Traditional and former principal of Withrow when it was still one school. He has much experience with Withrow students both as a principal and as a former Math teacher.

Workers labored all year to replace the original windows in both Withrow International and Withrow Traditional High Schools. Next year, the schools begin the next phase of a \$45 million renovation which will include completely new electrical, plumbing, heating and cooling systems. This renovation was made possible in part through the tireless fundraising efforts of Withrow's amazing and dedicated Alumni Association.

Boys Basketball

The up and coming Tigers!

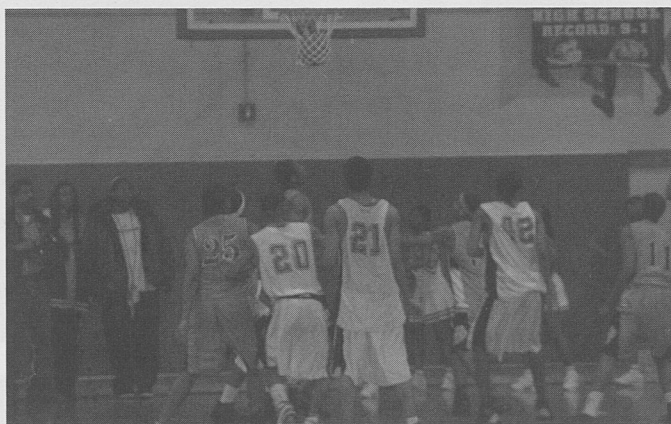

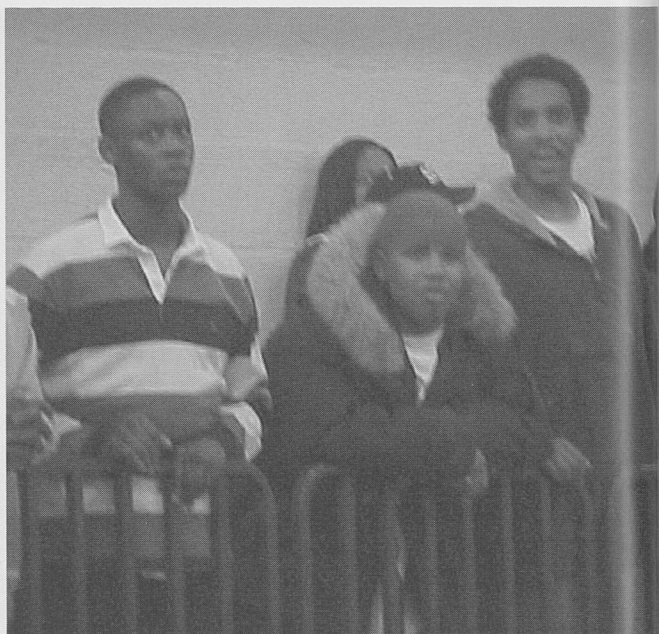

Withrow Freshmen and Reserve Basketball teams battled through a tough 2002-2003 season. Freshmen were introduced to basketball at the highschool level by coach Burgin. They proved to be up to the challenge and had a good season.

The Withrow Tigers J.V. basketball team really worked hard to be successful at each and every game. They did well in the Queen

City Conference, winning all league games. Every player mattered and played hard under coach Gilbert.

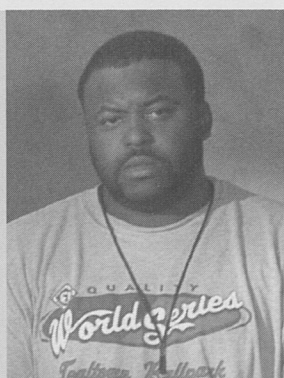

Both the Freshmen and J.V. Boys always played together as a team. Every player exerted 110% effort to get the job done and bring home the "W"!

Lady Tigers Basketball

The Lady Tigers started off the season a little shaky against some tough teams ranked in the top ten in the city. After the start of the new year, however, the Tigers played exciting and winning basketball. They closed the season with a record of 10 wins and 4 losses to end the Queen City Conference.

Season Overview

The year for the girl's reserve basketball team was a decent one. Starting off rough, the reserve team finished strong. The team worked hard and fought in every game that they played. No matter what the outcome, the players held their heads high. The players experienced highs and lows throughout the year. This caused them to improve themselves and play harder. Machelles Dunn, one of the reserve players, said, "It took a lot of hard work, but it was a lot of fun." With attitudes like this from players, there will be no doubt that the seasons to come will be better.

1st Season Back On Track

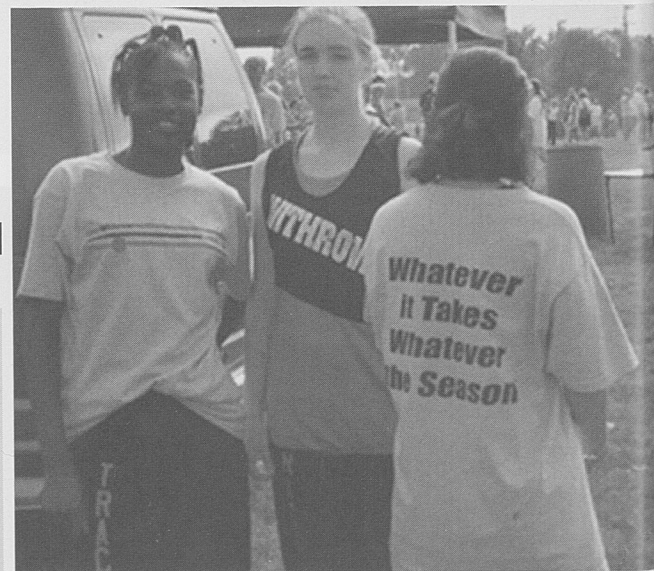

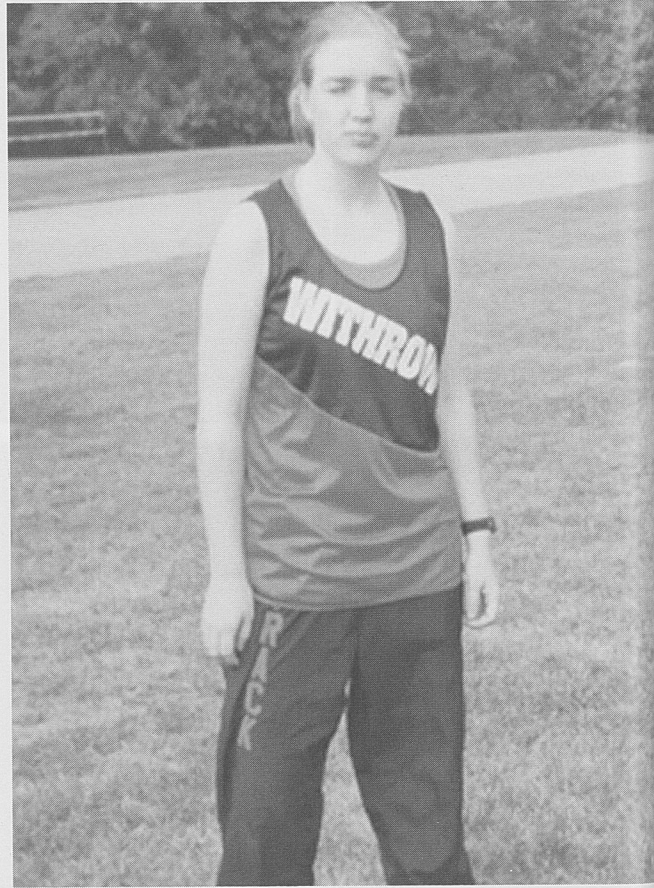

After a long wait, Withrow again fielded a Cross Country team. Many of the students initially participated as a way to get in good condition for the upcoming Basketball season. However as the season progressed, most of them enjoyed the experience for its own sake.

The coach for Cross Country is Mr. Fred Willis. Coach Willis also coaches Girls Varsity basketball. He is a dedicated coach and a hard worker. His coaching habits and conditioning are intense but it gets the team ready for whatever sport is to be played.

2002-2003 Season Overview

The band overcame several obstacles in their personal quest of becoming one of the best in the region last year. By the end of the 200-2003 school year we had built a fairly solid foundation to build on. We're very proud of what we do and the individuals that make it happen. So be on the lookout for the "Withrow Marching Tigers" performing in your neck of the woods.

Uzbekistan Visit

This school year, we were very fortunate to host an international delegation of educators from the nation of Uzbekistan. Both teachers and administrators from schools in Uzbekistan visited our school and our city to learn more about our educational system. Withrow students who spoke Russian were able to translate for the visitors not only while they were here at Withrow but also while they visited other Cincinnati sites such as the Krohn Conservatory and Fountain Square downtown.

Teachers and assessors from Uzbekistan came to see Withrow's International High School campus and its ESL program.

Underclass Awards

To celebrate student achievement at Withrow International High School, a tradition of awards ceremonies was started in the '02-'03 school year.

Among these are an evening academic awards ceremony and 3rd quarter awards luncheon.

International Dinner and Sikh Documentary "Mistaken Identity"

Withrow hosted its annual International Dinner with the assistance of the Tri-State's Sikh community and the leadership of Dr. Darshan Sebhi. Members of the Sikh community came to share experiences and answer questions and Withrow premiered the award-winning documentary "Mistaken Identity: Sikhs in America." This film, produced by Vina Sarkar in New York City, was donated to the school by the producer herself to help our local community learn to be more understanding of the similarities and differences among the more than 34 ethnicities represented here at Withrow.

DON'T CHANGE

As usual, the women of Dux Femina and the men of Sigma Gamma were responsible for organizing the prom. This year, the theme was "Don't Change." The event was held at the Greater Cincinnati Convention Center on Saturday, May 10th. As you can see from the pictures, Withrow students worked overtime to look their best for the dance. And since these are some of the last impressions some of these students will make in high school, being seniors, you will see that these Withrow students are truly dressed to impress.
