*Good, Very Good!!  
The players gave the game their very best.  
I like playing with teammates who know the game and are skilled players.*

**Fahim Akbari**

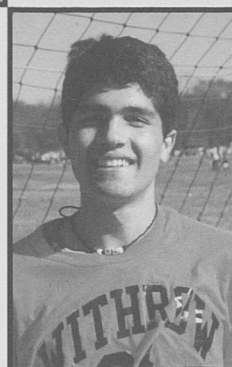

**Harkinder (Raj) Singh**

*This year was great.  
We won most of our games. The team played well! They did their best. The captains did a good job giving directions and plans of attack.*

**Zeresenai Abraha**

*We played hard and it was great to win.  
I'm happy that Withrow finally sponsored a team. We knew we could make a good showing.  
There is a lot of talent here.*
