

# **CLASS OF '96** **"The Class of Change"**

This year the senior class took on many new responsibilities to make this year a year to remember. They sponsored the Homecoming activities and dance, Afterprom dance. The senior class had a senior night out and they went to Florida for thier senior trip. The class officers worked hard to make each activity a success. A special thanks to Erin Norman, De'Mond Howell, Karla Jackson, Luis Camacho and the many others who served on committees.
