## SONGS OF THE "90'S"

Come along on a "Fantastic Voyage"

"Back in the day" when I "Stroked You Up"

And you "Sexed Me"

And we did the "Perculator"

"All Night Long". Now we got to keep it "Down Low".

While I "Love You For Life." We both know "You're the One for Me."

And "Ever Since You Went Away" "I'm Not Going to Cry."

But remember you can always "Count on Me"

While you are "Killing Me Softly."

Cause "One Sweet Day"

We will come to the "End of the Road"
