

FROM THE HEART OF THE ADVISOR

I would like to Thank all the people who helped me through this year. It has been a year of disappointments and great strides. We started the year with no photographer and no camera (stolen). But we kept on going, trying to give you a quality book with many memories. Please forgive me if your group or team are not featured, but many obstacles hurt us. I am still an amature photographer and still learning. Give more time to perfect my skills. My dream for the yearbook for the future is more student involvement and business ads.

Now it's time for me to end the book for the year and to my friends who won't be with me next year Good Luck with all your endeavours and God's speed. Until we meet again. Special shout outs to those who inspired me: Erin Norman, De'Mond Howell, Karla Jackson, Luis Camacho, Crystal Collier, Joy Harris, Rosslynn Ice, David Eiler, Shadawn McCants, Carletta White, Ranessa Howell, Lashawnda Lawrence, Mrs. Jane Peebles, Mrs. Al Crews, Dr. Patricia Rice, Mr. Dennis Matthews.

Great Big Shout Out to the Class of 1996.

Love,

Mrs. Michele Howell
