# EVERLASTING FRIENDSHIP

OUR FRIENDSHIP IS EVERLASTING.  
AS IF DESTINED FOR US TO MEET.  
THE PATH WE TAKE IN THE FUTURE,  
WILL BE DETERMINED BY WEEKS.  
IF MEANT TO BE OUR LOVE WILL START.  
IF NOT OUR HEARTS WILL PART.  
DESTINED TO FIND A MATE WE DO SEEK.  
SEPARATE ARE THE SOULS WE COMMAND.  
WANTING TO BE TOGETHER BY DEMAND.  
AS WE ARE STOPPED BY A FEAR OF DEPARTURE.  
WE WILL TRY TO WORK ON WHAT WE AFTER.  
NOT SURE WHAT LIES AHEAD,  
NOT KNOWING WHATS IN YOUR HEAD.  
BUT AS FOR ME MEANT TO BE IS WHAT I SEE.  
NOW WAITING TO SEE WHAT WILL BE.

BY CRYSTAL COLLIER

# ALMA MATER

Gentle slopes and lofty tower  
Radiant in the sun.  
Arching bridge and shaded valley  
All our hearts have won.

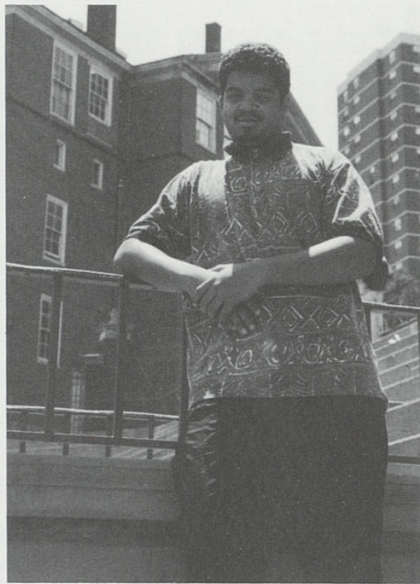

Withrow's beauty, Withrow's splendor  
Fill our hearts with pride.  
Love for you our Alma Mater  
Ever will abide.

Friendships made in search of knowledge  
Cherished binds and true.  
Memories of golden hours  
Hold us close to you.

As we venture from your portals  
Aims held ever high  
We'll turn back to glimpse once more  
The tower against the sky.

# LET THE GOOD TIMES ROLL FACES OF WIT&ROW

### WHO AM I AND WHAT DOES IT MEAN ?

I enjoy who I am and everything that I am about  
It's not about materials and its not about clout  
It's about what I stand for its about my black glow.

I am the Queen of the Nile and the mother of this earth,  
I am the woman who gave black child right to birth.  
Beauty,boldness,vibrance it's all me,  
When you look into the sun I am the face you see.

The rainbow,the rain,the sun and the clouds,  
I smile because I'm me - I smile because I'm proud.  
I live through all things and will always have life,  
I've made it through pain and I've made it through strife.

What is the point and does it mean ?  
Why does every black child have a dream ?  
What is a struggle, what is a fight ?  
What is it like to truly see the light ?

This means that I am strong, blessed, and born with so much,  
That I can make this earth tremble with my slightest touch.  
The light is a symbol the light is a gift,  
It means that I can leave all my troubles in the midst.

My people were the first of all royal kings and queens,  
My people were the first to give this world meaning.  
My people were the first to rule any land,  
My people were the first to walk on any sand.

Now you remember this and you remember it well,  
So that this story your children will tell.  
You can try to pack me or stack me- you can even try to bend and  
send,  
But I began the beginning and I will finish the end !

# YEARBOOK STAFF

This year the yearbook staff had to meet new challenges make this year the best yet. It was hard but with the help of Crystal Collier, Tiffany Brown, Joy Harris, Ranesa and De'Mond Howell and the guidance Mrs. Michele Howell we were able to produce a good quality book. It may not have all the action but we had to face stolen cameras, meeting that interferred, sports and pictures that just didn't take. Thanks to the staff.

## SONGS OF THE "90'S"

Come along on a "Fantastic Voyage"

"Back in the day" when I "Stroked You Up"

And you "Sexed Me"

And we did the "Perculator"

"All Night Long". Now we got to keep it "Down Low".

While I "Love You For Life." We both know "You're the One for Me."

And "Ever Since You Went Away" "I'm Not Going to Cry."

But remember you can always "Count on Me"

While you are "Killing Me Softly."

Cause "One Sweet Day"

We will come to the "End of the Road"

Ranessa Howell

# 9 6

June 6, 1996, the day for graduation. Students were anxious about this day trying to make sure everything would run smooth for them. Then the rain began to fall and the hopes for graduation outside had come to an end. But through it all the graduation was the very best. On this day parents crowded into the auditorium to hear their child's name called. Seniors took that final walk across the bridge in to the auditorium. This was a day of rejoicing, tears, fond good-byes to friends and teachers. This was a time to listen dynamic speakers who left everlasting impressions on our hearts and minds. We heard from Martha Moore, Valedictorian and Erin Norman, Salutatorian. De'mond Howell, Senior Class Vice-President gave the speech for Senior Class President Erin Norman. This was a day for presentations, special greetings and conferring of diplomas.

## **MARTHA MOORE VALEDICTORIAN**

#### FROM THE HEART OF THE ADVISOR

I would like to Thank all the people who helped me through this year. It has been a year of disappointments and great strides. We started the year with no photographer and no camera (stolen). But we kept on going, trying to give you a quality book with many memories. Please forgive me if your group or team are not featured, but many obstacles hurt us. I am still an amature photographer and still learning. Give more time to perfect my skills. My dream for the yearbook for the future is more student involvement and business ads.

Now it's time for me to end the book for the year and to my friends who won't be with me next year Good Luck with all your endeavours and God's speed. Until we meet again. Special shout outs to those who inspired me: Erin Norman, De'Mond Howell, Karla Jackson, Luis Camacho, Crystal Collier, Joy Harris, Rosslynn Ice, David Eiler, Shadawn McCants, Carletta White, Ranessa Howell, Lashawnda Lawrence, Mrs. Jane Peebles, Mrs. Al Crews, Dr. Patricia Rice, Mr. Dennis Matthews.

Great Big Shout Out to the Class of 1996.

Love,

Mrs. Michele Howell

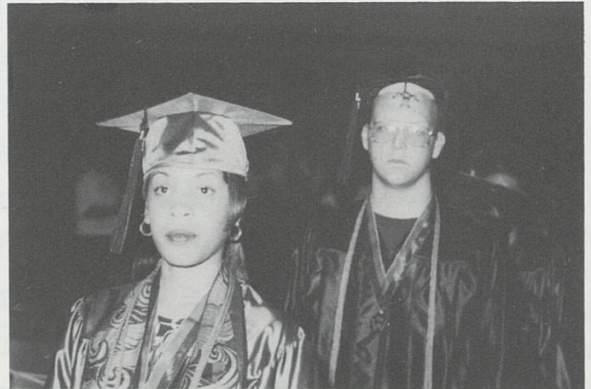

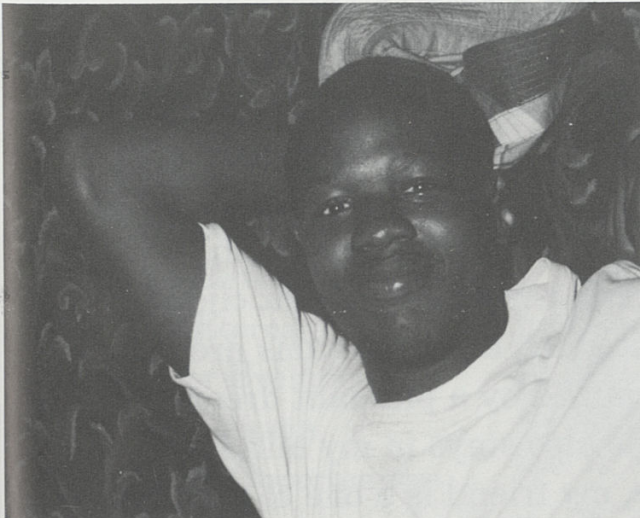

# THE LOVE IN MY EYES

THE LOVE IN MY EYES, I HOLD SO DEAR.  
IS TRULY FOR YOU, BECAUSE I HAVE NO FEAR.  
LOVING YOU IS ONLY IN TIME, FOR THE LOVE  
I HAVE FOR YOU IS IN MY EYES.  
IF YOU LOVE ME TO MY DEAR, SAY IT TO ME  
WITHOUT ANY FEAR.  
FOR WHEN WE SHARE OUR LOVE WITH TIME,  
LIFE WILL GO ON AND OUR HEARTS WILL COMBINE.

# “Much Love”

Trials and tribulations will always come to pass,  
But it takes strength, faith, and courage to make something worth while  
last.

Me wanting to be with you, and you wanting to be with me,  
Along with commitment, desire, and God we have all that we need.

I've experienced a lot and have seen things go wrong,  
But as long as we have each other — in my heart there will be a song.

See I've been on my knees and I've prayed for a friend,  
Someone by my side, who'll stick with me till the end.

A companion to laugh, and to talk with all day,  
One with a sensitive ear to hear what I need to say.

A partner who's playful but serious enough to care,  
One whom I can depend on — no matter what, he'll be there.

Someone who has strong morals and values instilled,  
With a natural good spirit, this friend is strong willed.

He knows his true place and he knows his real job,  
He knows that with me he's not required to have a Saab.

Treating me, a black woman, how I'm suppose to be,  
Without me telling him that I am a Nubian Queen.

Interested in all ways, great or small, he will succeed,  
In fulfilling my all and all, in fulfilling my every need.

I have this in Christ and much, much, more,  
And he blessed me with a person like this whom I adore.

He blessed me with a gifted friend that I can pray with,  
A study partner, a believer in me, two personalities that clique.  
A face who I see when I sleep at night when all my dreams are seen,  
After being stressed all day I'm calmed by a pleasant dream.

My buddy stays in my heart, he also stays in my mind,  
No matter what anyone says to me, my friend is a one of a kind.  
How pleasant must this be for me?, as pleasant as the sight of a dove,  
When it comes down to it, for this friend of mine you know that I have

“MUCH LOVE”.

# FREEDOM

Our freedom today is what we make it. Whether it is successful or down in the dump.

Freedom is what we can do for ourselves, not what others can do for us.

When one thinks of the word freedom, you hear life, liberty and the pursuit of happiness.

But are we thinking of a fantasy world or living in the state of reality?

When we listen to the words of freedom and rights, the constitution comes to mind and why we fight.

We strive to be free and one with mankind so that the spirits and souls will soar in the sky.

To resound on a victory given, one must rejoice in a life worth living.

You can have many dreams of freedom, but they never will live up to your standards if you don't make them come true, for yourself. Because no one can make them happen, that's up to you!

Freedom is women's rights, it is the underground operation of slavery.

It is a role played by distinguished leaders. Freedom is the hand extended out among the world.

It brings the color to the land, with this equality always stands.

Freedom lives among the nation and resides with the population.  
It relates to reservation and provides a life of self-determination.

Determined to stride and be free full of pride.

Contained with self-respect, a life worth living is one well-spent.

As the time is ticking your life goes by and the conquest of freedom slowly begins to die.

To live and be found in full affect to keep your joy high in respect.

The **F** in **F**reedom stands for **F**ree

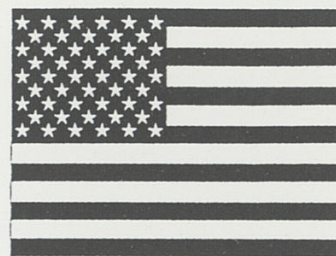

The **R** for **R**ebel

The **E** for **E**ternity

The **E** is for **E**volution

The **D** for **D**omain

The **O** is for **O**pportunities

And then the most important is the **M** which stands for **M**ankind without these things there would be no **F**reedom and no state of mind.
