

2004 JV Football Team

Head Coach for JV and Offensive Coordinator for Varsity Antonio Davis led our Tigers to a 5-1-1 season this year. They played extremely well this year and I know that they will do the same for next year as they step up to be the Varsity team for Withrow in the years to come.

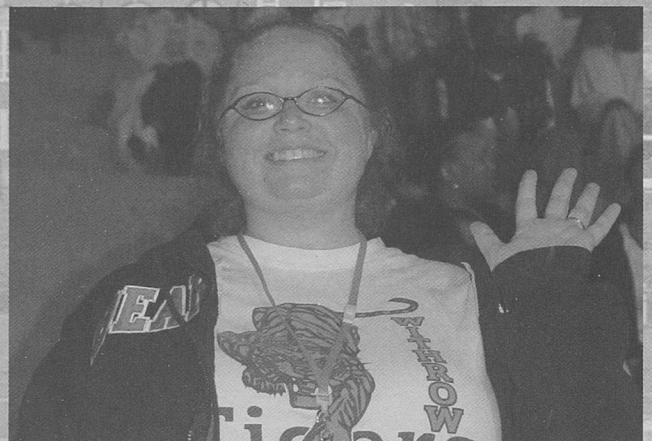

These are the JV Tigers getting warmed up and ready to play their first game. They are ready to come out and put on a show for their fans just like every week.

We Have Tiger Pride

Our faithful mascot The Tiger. He has been with us for a while now and has been to every game, being our biggest fan. From all of the Tigers, we would like to say thank you for all of your support.

This is Mrs. Cook, the Drama teacher for Withrow International H.S. showing her Tiger Pride at another one of our Tigers' exciting and thrilling football games.
