## Dear Students, Staff, and Extended Withrow Family,

As a whole, Withrow High School was an adventure to partake in. The two schools represented in this book, Traditional and International, have a rich history which now becomes part of our history as well. From teachers leaving to students graduating, from its construction in the early part of the last century to its current renovation as we speak, Withrow has seen and been through it all.

The yearbook staff this year consisted of around 40 students, one of the largest in recent history. We were excited about taking yearbook design at Withrow into the 21st century as we began working with a new company which allowed us to do design online, freeing us up to work from any location where we had internet access. Unfortunately, this meant that even when we had a snow day, Mr. Stevens was text messaging us to finish working on our pages. We are proud of the work we have done in this book and hope you enjoy it.

From cover to cover, this book was designed by Withrow students to document the 2004-2005 school year. One we're all honestly sad to say goodbye to, especially those of us who are seniors. Congratulations Seniors! Good luck to you all and remember to strive to be your best. Thanks for some wonderful years!

# Academic Overview

Withrow International High School is composed of a variety of programs, all of which have an international focus. These programs include the World Languages department, the International Baccalaureate program, the English as a Second Language (ESL) program, and the International Business department. About one-fourth of Withrow International students were born somewhere other than the United States and many Withrow graduates go on to live and work in other parts of the world as well.

At many school events, like this pep rally, students from both schools come together to support campus-wide athletic teams.

At school dances as well, students from Traditional and International show their unity and friendship.

Once upon a time, Withrow was one big campus of over 1,200 students. In its heyday, the campus actually housed around 2,000 students. Several years ago, Withrow divided into three schools (Traditional, International and University) as part of a district-wide move toward "High Schools of Choice." The premise was that students at all district high schools would choose a program that interested them and which would prepare them for the lives they envisioned after graduation. For students who had already started at Withrow but who wished to graduate as part of a traditional program, the district allowed Withrow Traditional High School to be formed for a limited time. This marks the final year of the Withrow Traditional program as the last of the students who entered the unified Withrow High School graduate.

# World Language Department

Ms. Berning works closely to help a student.

Ms. Hall works side by side while assisting two students.

Ms. Vdovina works hands on with one of her students.

Ms. Ling Ling teaches her students new vocabulary.

Ms. Hidalgo looks intense as she lectures.

Mrs. Thomas collects work from her full class of Spanish students.

# International Baccalaureate Program

Right: Winifred Rosa and Yosias Meimen tackle the hard work that the IB program requires.

Shayla Ellery conferences with Ms. Diane Blasch, coordinator of the IB program.

This year we celebrated the 25th anniversary of IB at Withrow.

# International Business Department

## Career & Technical Education

Mrs. McCoy-Lampkin teaches Career and Technical Development along with Mrs. Childs-Jeter.

## Law & Paralegal Studies

Mr. Cole, an attorney, teaches the International Law program.

## Career & Technical Education

Students work hard in Mrs. Childs' class.

## Academy of Finance

Mr. Willis teaches the Finance program part time, and he also coaches girls basketball, volleyball, and track & field.

# English as a Second Language

ESL is an abbreviation for English as a Second Language. After traveling for a very long time ESL students finally found their home. To some people, it's just a school but to others it's a life changing experience. Withrow High School gave them a chance to change their lives. They learned to interact with others. Because it's an international school, every one has a chance to learn new things. ESL students and also the teachers bonded in a way they never thought they would. Any one that comes to this school will not only like it but they will love it. For those who are graduating this year, we wish you success because we know you don't need luck.

ESL students are taking over, King Ameth and Princess Namrud.

Many soccer team members are current or former ESL students.

## **Withrow Alma Mater** **by Rowena Hezlip and Leo Grether**

*Gentle slopes and lofty tower, radiant in the sun,  
Arching bridge and shaded valley, all our hearts are won.*

*Withrow's beauty, Withrow's splendor fill our hearts with pride;  
Love for you, our Alma Mater, ever will abide.*

*Friendships made in search of knowledge, cherished bonds and true  
Memories of golden hours hold us close to you.*

*As we venture from your portals, aims held ever high  
We'll turn back to glimpse once more the tower 'gainst the sky.*

*A Day In The Life of a JUNIOR!!*

## Best things about being a Junior

1. You only have one year left of high school.
2. You're not a freshman.
3. You have one more chance to change your GPA.
4. You get to go to prom.
5. You don't have the responsibility of a senior.

## Worst things about being a Junior

1. You don't get out in the middle of May.
2. You're tired of hearing senior friends talk about graduating.
3. You still having to sit with the freshmen during assemblies.
4. You're not a senior.
5. You're still considered an underclassman.

## Lies told to Juniors

1. Your classes will be easy next year.
2. You will have a class trip.
3. The counselor can solve all your problems.
4. It is easy to get out of IB.
5. Your senior year will be so fun.

## Lies told by Juniors

1. "I was with Ms. Jones."
2. "Mr. Mitchell gave me work detail instead of that Thursday School."
3. "I *am* a senior."
4. "When the bell rang I was in the bathroom."
5. "I just got here."

*A Day In The Life of a Freshman!!*

## Best things about being a Freshman

1. Finally being able to say I'm in high school
2. Nothing....
3. Being able to talk to seniors
4. Nothing....
5. Nothing!!!!!!!!!!!!!!!!!!!!

## Worst things about being a Freshman

1. Being a freshman
2. Not knowing where to go
3. Only knowing freshmen that are considered "lame"
4. Always being looked at as an "underclassman"
5. Having to sit in the balcony during the pep rally

## Lies told by Freshmen

1. "I'm a senior."
2. "I didn't know I could get in trouble for going to BW 3's."
3. "I'm in the 10th but I only have 3 credits."
4. "What you talking about, I do play varsity."
5. "But I was with Ms. Jones."

## Lies told to Freshmen

1. "Only seniors sit at this table."
2. "You have to have a full schedule to go to Withrow."
3. "Your high school years will go by so fast."
4. "Things will get easier when you become a senior."
5. "Being a freshman is best part about being in high school."

## 2004 Season Recap

Our Tigers' season ended with a 10-1 record and a first ever playoff birth. This season we've done something that no one has ever done here before. We made it to the playoffs and had a number one seed. We also made the state record books for being the first Cincinnati Public School to host a state playoff game. We had a perfect season and became City Champs and League Champs. We were the first Withrow team to be ranked No.1 in the Cincinnati Enquirer Coaches Poll and we were team of the week two weeks straight. Some can say that our season meant nothing because we lost first round in the playoffs but this season was just a stepping stone for the following teams to be better than the other teams before them. We would like to thank all of our fans this year and all of the players, coaches, and everyone else that helped us this year on our historical season. Hope that we can give you this same excitement and more next year.

# 2004 Varsity Football

**Right:** This is Withrow's first game against Middletown and it was by far their hardest.

**Below:** The Mighty TIGERS are getting hype and prepared to take on another challenge to be only the second team in Withrow's history to go undefeated, and be the first team in Withrow's history to make it to the playoffs.

**Below:** This is the kicker Papa Gning taking the opening kickoff. Papa was a good kicker for Withrow and was a great asset to the team this year.

This is Senior Receiver Trey Williams blocking the Aiken defender. This was the team's second win of many as they went on a 16 game win streak. Our Tigers finished the season with a 10-0 record.

# 2004 JV Football Team

Head Coach for JV and Offensive Coordinator for Varsity Antonio Davis led our Tigers to a 5-1-1 season this year. They played extremely well this year and I know that they will do the same for next year as they step up to be the Varsity team for Withrow in the years to come.

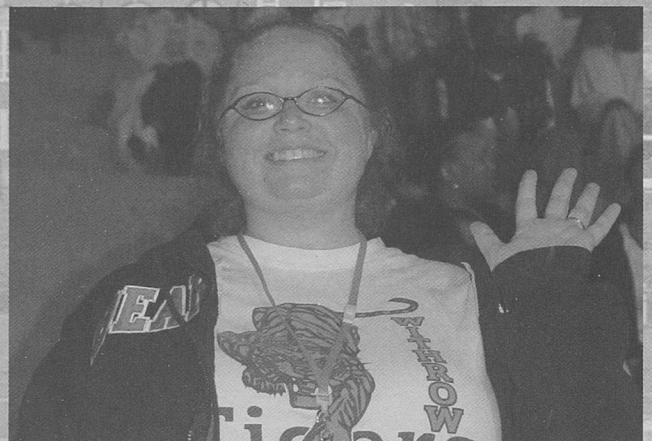

These are the JV Tigers getting warmed up and ready to play their first game. They are ready to come out and put on a show for their fans just like every week.

## We Have Tiger Pride

Our faithful mascot The Tiger. He has been with us for a while now and has been to every game, being our biggest fan. From all of the Tigers, we would like to say thank you for all of your support.

This is Mrs. Cook, the Drama teacher for Withrow International H.S. showing her Tiger Pride at another one of our Tigers' exciting and thrilling football games.

# Varsity Boys Soccer

Our soccer team has done pretty well in tournaments it has played in. The discipline imposed by Coach Sprankles in each practice did show up in every game. The Tigers even went to State Tournament, where they lost to Lakota West, but they played a good game.

Surgit, Ajmal, Malick, Mauricio and Bamba joined hands before the Tigers' game to show that the team works together.

The girls are "doin' it big." They hustled to the ball and saved it before it went out. WOW! That's HOT!

The girls listen to coach carefully while he gives instruction and develops a new tactic to win the game.

# Tigers in Training

We know this was a challenging year for the coach and team, but they still managed to win some games. The girls' team is still in its infancy and as they develop their skills, we know that they will be just as fierce as the boys in a few years.

**Right:** You can run, you can try, but you can't catch a Tiger!

# COMMUNITY SERVICE

Community Service is something that is needed for college. These students are getting a head start to a great future. Even though it takes hard work, they love it, every minute of it. They never complain because it's their duty to serve the community well. What goes around comes around.

**Above:** An advisor from the Mayerson Foundation shows off Withrow's accomplishments.

**Above:** Community service students enjoy lunch together.

Together the community service students form a special bond like no other. Without the love that they have for one another and their community, many good things would not have happened. They have done a great job this year representing Withrow and serving our community. Keep up the good work!

# Thierno Barry

Thierno Barry, 15 years old, died after saving one of his good friends who was about to drown in his neighborhood pool. Thierno played on the soccer team and scored many goals, helping to lead the team to the state playoffs. He's remembered by his devotion to the team, strengths, and achievements.

# WITHROW VS. MOELLER

Tiger fans cheer on the players to the last seconds of the game.

Pilgrim **BOOMS** it on Moeller!!!

Mr. Wade leads the horns!

Larry Robinson shoots for TWO!!

Tigers take a timeout to talk it over.

# MARCH 5, 2005 DISTRICT TOURNAMENT

Players get practice before the big game.

Coach Jason gives the guys a few pointers.

Liz and Tennia jump through the *ROOF* when Withrow scores.

Matt shoots the free throw while Chris waits back court.

While the Withrow Tigers took an upsetting loss, the players fought hard and never gave up. The Tigers never trailed behind by more the ten points, and at times less then two. Each player gave his all on the court but the final score was Moeller 60 Tigers 52. Withrow says goodbye to the class of 2005 and the team looks forward to winning it all next year.

### **Gratitude:**

Special thanks first and foremost to the senior editors and all students who came early and stayed late, making time in their schedules to meet our deadlines. Thanks to the faculty and staff who allowed the yearbook students to photograph their classes and to take time from their classes to work on getting this book finished on time. That accomplishment is a dream come true. Thanks the Tracy Mathews and Anita Riley for helping us look up student schedules and locate individuals and put names with faces. Huge thanks to Joe Hartwig for helping us manage our data and providing us with frequent updates from the SASI student database. Thanks to Brenda Magas from Lifetouch for introducing us to this yearbook program and giving us the tools to take Withrow yearbook design and production 100% into the digital 21st century.
