11A

Under the proctorship of our homeroom teacher, Father McDermott, the class of 11 A has come to be one of the leading junior classes. Members of 11 A excel both in their class work and in extracurricular activities. An example of the students' scholastic ability is the fact that they are the leaders on the honor roll. An example of 11 A's extracurricular leadership is the fact that they had the best decorated booth at the Campbell Lodge Festival.
