## 10C

10 C is one of most promising homerooms in the Sophomore division, with one of its strong points being its athletic talent. In the basketball circle are Lee Nageleisen, Ron McDermott, and Mike Muth. John Reinersman letters in golf, while Mike Reilly and Tom O'Connor represent the class on the swimming team. Harry Ross is the lone representative to the baseball team.

The class has strong school spirit, although they have never taken the spirit banner in the Freshman year. Mr. Schneider is the homeroom moderator.
