## 10D

10 D is the only homeroom in the school this year with a lab, the Biology lab, for a homeroom. Under the Counselorship of Bro. Bill, 10 D has become the outstanding homeroom of the Sophomore division. The class president, Michael Thiel, was class president of 9 D last year. This is the first time the other officers have been elected. 10 D has 4 men on the Junior Varsity, and Ken Ziegler is the captain of the cheerleaders.
