Leonard Schoettker, Louis De Falaise of C.C.H. take notes and Tim Nolan and his College from C.L.S.

This year we have seen another extracurricular activity added to the school. Through the initiative and untiring efforts of Bro. George Cerniglia a debate club has been formed. It consists of Irvin Ziegler, Jim Brophy, David Miller, Louis De Falaise, and Leonard Schoettker. Bro. George's efforts have brought forth surprising results. The club's first year has been an overwhelming success with the topic "Resolved: That the United Nations should be Significantly Strengthened." In the future the club will branch out in other fields of speech work.
