Although 9B never won the Spirit Banner, the BARRONS showed a lot of spirit. This point is well proven by our endeavors in intramural baseball. With great effort 9B took first place in the Freshman and Sophomore groups and has a trophy to show for it. The Festival was the greatest display of spirit that this homeroom had throughout the year, and it was successful. 9B also made known its presence in running a close second in the Bishop's Relief Fund collections. It was a member of 9B, Mike Halpin, who won the ping-pong intramural championship. 9B finished the year with a picnic under the guidance of Bro. Dan and the homeroom officers. All those present will agree that we had a wonderful time. Homeroom 9B enjoyed a good year, but we owe a vote of thanks to Brother Dan who gave us a great lift in all our activities.
