

9C — CHALLENGERS

9C housed 39 CHALLENGERS and a leading Challenger, Mr. Geiser, our homeroom teacher. We are proud to boast that David Mayerchak is in our homeroom. This may not mean much to you, but it does to us because he is one of the most intelligent boys in the freshman division.

Our homeroom gave up free time on Saturdays to come down and sand off desks. We also had a May altar this year which was erected by Tom Kordenbrock, Bill Luckman, and Denny Meyrose, and which received some compliments from the teachers. At the Campbell Lodge Festival we contributed by having the coin toss booth. Not only at the Festival but throughout the whole year wherever help was needed, we were always giving a lending hand. We also had several boys on the various teams in the school. We won the freshman intramural basketball trophy.

Even though we did not win the Spirit Banner, we think we had quite a bit of spirit, and we would like to thank Mr. Geiser for his aid in this regard.
