

"WE WILL RISE AGAIN"

The homeroom of Sophomore C was an all out spirited homeroom. With the help of our homeroom teacher, Father Carl Schaffer, we managed to keep up on all school activities. In the field of sports, we participated in all intramurals. In basketball we came in second last, only in front of Sophomore D. In volleyball we were outplayed although we gave a good fight. We also were active in track and ping-pong.

In activities such as the Spirit Banner, Bishop's Relief Fund, and others, we showed pretty much interest. We had a few members who joined the Glee Club and JPC. Although we never won the Spirit Banner, we always came in close to the top.

This year's Soph C was a spirited homeroom, and we wish next year's Soph C a successful and spirited year also.
