10D — EUCES

10-D, under the leadership of Mr. Gerstner, who became our homeroom teacher in October when Mr. Kunkemoeller left, is proud of the part they played in serving the school this year. Although we started out slow, we rallied at the second semester to finish high in the Spirit Banner for the third and fourth quarters. A money-making booth in the Campbell Lodge Festival, good representation in intramurals, and a large amount of food and clothing for the missions were among our achievements. By having boys on the honor roll every time we were not ashamed of our scholastic standing among the other sophomore homerooms. 10-D also placed two boys on the basketball team, one on the track team, and one on the golf team.
