

10E — ELDORADOES

This year we called ourselves the ELDORADOES and were led by Bro. Bill, our homeroom supervisor. We think we had a very successful and spirited year. Thrice-time winner of the Spirit Banner, and also winner of the free day have helped to back up this opinion.

At the end of the first quarter, it was no surprise to anyone that the ELDORADOES captured the Spirit Banner. It was a close race in the second quarter, but 10A beat us out. However, we popped back in the third quarter and replaced the Banner in our homeroom where it had been hanging. The fourth quarter saw a three way tie for first, but since we were one of the three, we were awarded the free day. We fought hard and felt we earned our reward.

In the sports, intramurals, and activities of the school, our homeroom was well represented, and we were very proud to be able to do something for the school in this way.

Our Sophomore year was successful, and we think our Junior year will be just as successful.
