

This year under the leadership of Mr. Charles Butler, 11A did what it usually does the first quarter—won the Spirit Banner. We accomplished this through the hard work and participation of all the members of the homeroom. A strong finish in the Bishop's Relief Fund, few tardies and absences, plus an excellent representation on the Honor Roll aided us tremendously. Although we did not fare as well in subsequent trials, 11A was definitely in the running for the day off at the end of the year. The Campbell Lodge Festival was another of our more notable accomplishments. Our homeroom boasts members on the Speech and Debate Team, writers on the Contact, Cheerleaders, baseball players, basketball players and golfers. As you can see from the variety of these activities our homeroom was a "jack of all trades." Not too great in any one thing but good in everything. The Juniors of 11A are hopefully awaiting the time when they can be members of Senior A.
