There are so many things that can be said about this homeroom that it would be impossible to fit them into this short article. Although these few lines are all that has been given to the 11B-ATTITUDES we shall try to do ourselves justice in this space. This homeroom, after winning the spirit banner the first two years, skipped into an all around average of second place in this year's race right behind Fr. McDermott. This homeroom, under the leadership of Brother Ed Carey, truly influenced the spirit of the school in many aspects. Namely: Intramural basketball where they finished first, and in honors, where they always placed high. Besides all the other accomplishments the 11B-attitudes, also contains seven members of the highly acclaimed J.P.C. The 11-B homeroom, we are sure, will make a good attempt at destroying the empire established by 12-C in the senior year. Good luck, B-attitudes.
