

LODGE

The building that you see in the picture on the left is the home for 26 boys. It also provides a story of organization and will-power on the part of one man—Father Nieman. About six years ago Father was Juvenile Chaplain in the City of Covington. During this time he saw many boys pass through the doors of the court house. Father Nieman was determined to do something about it. Father spoke to Bishop Mulloy about the situation and about his idea of starting a "Boys Town" right in the diocese of Covington . . .
