

CONEY DAY

"I want my Maypol!"

"Death to all Algebra students."

The reason the students and teachers are enjoying themselves in the pictures on this page is because it is the fun day of the year, CONEY DAY!!!! All the Catholic schools of Covington are encouraged by Monsignor Elsaesser to spend this day in enjoyable recreation. Taking his very good advice, students from all the Catholic schools jam Coney on this day and thoroughly enjoy themselves. Don't think Coney was sad after we left, because it took our wallets, fake draft cards and all.

"I thought I put on my black and purple socks."
