

Mike Dacey leads fast break.

Mick Burke goes up with perfect form.

The Colonel Yearlings showed great promise for future success by wrapping up the season with the Runners-Up Trophy. From the very beginning there was an inkling of final victory through an all out team effort and determined coaching on the part of Mr. Tieman. Sparked by the exceptional playing of Mick Burke, Mike Dacey, and Tom Egan the team was able to reach this peak of victory. But we cannot praise merely three men since victory is the result of united participation. This participation was exemplified in victories over such teams as: Newport Catholic, Newport Public, Roger Bacon, and Dixie Heights.

Mick Burke reaches high.
